103rd Graduating Class of Saint Paul's School (continued)

Awards presented at the graduation ceremony included valedictorian and salutatorian recognitions. In addition, The Provincial's Award and the Signum Fidei and Brother Cassian Lange Scholarship Award were presented.

The Provincial's Award is given to the graduating senior that gives tangible witness to the five core principles of Lasallian education: quality education, respect for all, being a part of an inclusive community, being concerned for the poor, and having a firm belief in the presence of God. This year's recipient was Jonah Knickles and was presented by Brother Jerry Vincent, FSC, Director of the Retired Christian Brothers Community at Saint Paul's School.

The Signum Fidei and Brother Cassian Lange Scholarship Award is given to a student who has shown evidence of his faithfulness to The Saint Paul's School and the traditions of the Christian Brothers through the qualities of leadership, scholarship, and involvement in activities. The Signum Fidei Award carries with it a scholarship, given in memory of Brother Cassian Lange. The scholarship is funded by the Christian Brothers and by friends of Brother Cassian. Brother Cassian was a former principal of Saint Paul's School and was himself a Sign of Faith to all who encountered him during his long and illustrious career in Lasallian education.

This year the Brothers have chosen to recognize two winners. The Brothers consider these young men as ideal graduates of a Lasallian school, for they personally embraced in an exceptional way the mission of our school by internalizing the core principles of Lasallian education. More important, though, they have worked tirelessly as members of Lasallian Young Leaders to infuse the core principles into the lives of all of the students and faculty of Saint Paul's. This year's winners are Michael Burke and Thomas Ruli, both of which received their award from Brother John Fairfax, FSC, alumnus of the class of 1944 and a member of the Christian Brothers Community at Saint Paul's.

Brother Charles Crouzet, FSC Award

Brother Charles Crouzet was a founding Christian Brother at Saint Paul's School in 1918. He was a consummate educator: gentle, kind, totally committed to his students, innovative in approach and methodology, deeply spiritual and very humble. He was not one to draw attention to himself, but quietly went about his work, always striving to improve things, always working for the good of his students, always reliable and professional.

Like Brother Charles Crouzet, Ann Forster is also gentle, kind, and totally committed to students. Like Brother Charles Crouzet, Ann does not draw attention to herself, seeking neither reward nor recognition, quietly going about her work, always striving to improve things, always working for the good of students, always reliable and professional – just like Brother Charles Crouzet did.

After giving the past 24 years of service to Saint Paul's School, Ann feels it's time for her to retire. Therefore, we recognize and thank her for the past 24 years tending the library books and helping students at Saint Paul's – and for her career in education prior to Saint Paul's. Accordingly, with pride and gratitude, I award the 2014 Brother Charles Crouzet Award to Ms. Ann Forster.
