**Work continues on LaSalle Hall.**

*The underground drainage is complete in preparation for work on the interior courtyard. Most of the exterior windows are now in place, the roof is complete and interior paint work has begun. The "bridge building", the new construction that connects the two outer wings with the new stairwells, elevator and math office area, is now under construction after several delays due to rain. Everyone is anxious for work to finish so that we can move in.*

# Charles Henry McMurray

**Mr. McMurray, a Saint Paul's College (as the school was called back then) alumnus of the Class of 1936, was the oldest living alumnus – and a very good friend of the school and the Christian Brothers. Up until the end, Charlie attended Sunday mass at our Lady of Peace Chapel on campus and was a regular attendee at Saint Paul's athletic contests. After retiring from a successful career with the IRS, Charlie also provided the Christian Brothers much needed help with organizing our financial accounting systems. So significant were his contributions that the Brothers made him an "Affiliated Member" – the highest award the Brothers can bestow. The Brothers have no doubt that Charlie was welcomed into the Kingdom by Saint John Baptist de La Salle. Charlie is survived by his ailing wife, Libby, his daughter Eileen, and his two sons, Kevin and Mike, both Saint Paul's graduates.**

Brother Ray Bulliard, FSC  
Principal, Saint Paul's School

**Charles McMurray, AFSC passed away August 19, 2011 at Ochsner Hospital in New Orleans. An affiliated member of the Institute of the Brothers of the Christian Schools since 1980, Charlie's effervescent spirit spilled over into every encounter people had with him. He was an ardent supporter of his alma mater, Saint Paul's School, and the Christian Brothers in the District of New Orleans-Santa Fe. His gentle joy and goodness continue to fortify us.**

*May our gracious God, whose glory  
Charlie steadfastly procured  
as far as he was able,  
receive his servant into the heavenly Jerusalem,  
where, with all the saints,  
he will know fully the loving God in whom he  
so firmly believed and faithfully served.*

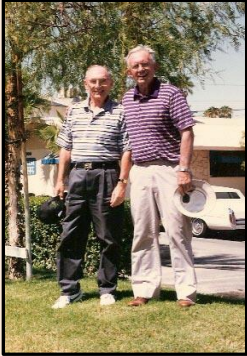

*We ask this through Christ, our Lord. Amen.*

# 1<sup>st</sup> Principal's Assembly

Inclusive  
Community

Every other Tuesday, Brother Ray Bulliard, FSC conducts his assembly in the gymnasium for the student body. These assemblies recognize students for their accomplishments, but more importantly, always carry a spiritual message for all in attendance. The first assembly of the year is particularly special as the entire school welcomes the new eighth graders with a standing ovation. In addition, the Student Council president and vice president bless all those in attendance.

The stands reserved for the eighth graders remain empty until they are led into the first principal's assembly.

In the  
Presence  
Of God

Student Council president Zach Barnett and vice-president Shawn-Wesley Skinner bless the student body, faculty and staff with holy water during the first principal's assembly.

Former Saint Paul's faculty member and long time Covington resident, Charles Legendre, ASFC has been appointed by Brother Timothy Coldwell, Visitor of the New Orleans-Santa Fe District as Director of Lasallian Mission. Mr. Legendre served as a member of the Saint Paul's faculty for the past thirty years. His new duties include cultivating adult educational and spiritual leadership to preserve and strengthen the charism in the Institute and Lasallian Family.

Charlie's own Lasallian arc began in 1969 when he took his seat in Brother Gregory Louviere's 5th grade classroom at Christian Brothers School in New Orleans. His formal education at De La Salle High School, Louisiana State University (B.A., History), Loyola (M. A., Religious Education), Lasallian Leadership Institute (Cohort II) and CIL (Association, 2010) has formed and informed his life and ministry. This Lasallian preparation has led him into ministerial leadership at Saint Paul's School as a religious educator, campus

minister, coach and dorm prefect; the USA-T Region at LASSCA, the Mission Assembly, REB, Young Lasallians and Buttimer; and the NO-SF District as co-chair of the Mission Council, whose collaborative work he believes has "released a cascade of grace and ownership" in the district.

Brother Timothy notes, "Charlie's a man of many gifts—he's a musician, liturgist, educator, I could go on—but what strikes me is his generosity. He's a man for others, a 'minister of grace.' For this, he belongs in our Lasallian genealogy. We are blessed to have his Gospel-fueled energy for this new work." Charles is married to Jane, an early education teacher at Saint Peter's School in Covington. Together they revel in their two grown sons, Oneal and Michael, graduates of Saint Paul's. Oneal, following in the path of his parents, is teaching in New Orleans, and Michael is enrolled in graduate school.

"Charlie has made a number of significant contributions to Saint Paul's over the years. The school wide retreat program, the Serve Ten Program, the Lasallian Youth Group all have benefitted from his dedication and diligent work. He has helped to involve a number of his colleagues in a variety of Lasallian formation projects. We are grateful for the years of service Charlie has given to the school and we are glad to celebrate his new position. Charlie will certainly be missed, but we know that his zeal will now inspire the district," said Brother Raymond Bulliard, FSC, Principal of Saint Paul's School.

Charlie is still a recognizable face on the campus of Saint Paul's because his temporary district office is located in the Guidance Center.

## NEWS

*On Thursday, July 14<sup>th</sup>, in the wee hours of the morning, a delegation from Saint Paul's Lasallian Youth Leaders group began their trek to the Lasallian Student Leaders Conference, held at Saint Mary's College in Moraga, California. Seniors, Luke Bissel and Andrew Mullet, with juniors Bobby Bayer, Jacob Luke, Lyle Manion, and Brian Schmitt made the trip. They were*

*accompanied by teachers Charlie Legendre and Myrle Wiggins. Their journey began with a weekend of sightseeing in and around San Francisco.*

*They visited Fisherman's' Wharf and Pier 39, Chinatown, Haight-Ashbury, Union Square, Ghirardelli Square, and North Beach, and even experienced a ride on a San Francisco Cable Car. On Friday morning, everyone was treated to a tour of the Cathedral of Saint Mary of the Assumption and Sacred Heart Cathedral Prep, a fellow Lasallian school, by Coach Bill Krueger of Sacred Heart. He then walked them through the Tenderloin neighborhood to De Marillac Academy, another school with Lasallian ties. Later that night, after a chilling boat ride, the students took a nighttime tour of the Alcatraz Federal Penitentiary.*

*On Sunday, everyone bid farewell to San Francisco for a scenic drive north to Moraga and Saint Mary's. After travelling 2,248.71 miles, the farthest of any of the thirteen schools at the gathering, Saint Paul's arrived first. The activities began with icebreakers for the 170 students, followed by a barbeque dinner. Afterward, they attended a communications workshop, given by guest speaker Rhett "Retro" Laubach. The students then gathered to celebrate Mass in Saint Mary's Chapel to conclude the evening.*

*On Monday, everyone attended skill-training sessions, such as Negotiation, Facilitation, Time Management, and Responsible Technology. The afternoon was spent applying those skills in Student Committees, which were responsible for planning events the rest of the week. That night, Retro gave another seminar, which focused on the importance of leadership with integrity. The night ended with a Hawaiian luau-themed social.*

*Tuesday and Wednesday followed similar schedules, with a tour of Saint Mary's on Tuesday afternoon and more committee time on Wednesday. That evening, everyone gathered around a campfire to watch the much-awaited Talent Show. Saint Paul's, along with a few other students, performed a version of the Beatles' "Let It Be", accompanied by Bobby Bayer on the melodica.*

*On Thursday, everyone participated in a rally to show pride for their committee, then competed in a series of Olympic-style games. At the awards ceremony later that evening, Saint Paul's won the DeLaSallee for "Best Introductory Skit and Male Vocalists," then led a second-line from the theater to the Mardi Gras-themed banquet. Before the prayer service that night, everybody was given a musical treat; after receiving special permission from organist Brother Martin Yribarren, senior Andrew Mullet gave a 40-minute concert on the Austin organ in Saint Mary's chapel, the oldest and third largest pipe organ west of the Mississippi River. Following the moving prayer service, everyone partied the night away at the closing dance. Finally, the non-stop week culminated on Friday morning with a video presentation of the week's activities and a celebration of Mass in the chapel. Although everyone was sad to leave their new friends (and cool weather), they returned home with a horde of new ideas, and a renewed Lasallian spirit to spread to the Saint Paul's community.*

*by Andrew Mullet*

*Members of the Saint Paul's Lasallian Youth Leaders pictured in front of the famous statue of Saint John Baptist De La Salle on Saint Mary's campus in Moraga, California included in the first are: Bobby Bayer, Jacob Luke, and Jeff Ramon, Saint Paul's alumnus from '08, who served as a camp counselor. Second row: Myrle Wiggins, Moderator of the Lasallian Youth, Andrew Mullet, Luke Bissel and Charlie Legendre, Director of Formation for the New Orleans-Santa Fe District. Third row: Brian Schmitt and Lyle Manion.*
