

WOLF TRACKS

Saint Paul's School Covington, Louisiana

December 8, 2008

Annual Fund Appeal

With this issue of Wolf Tracks, we launch the 2009 Annual Fund. The Annual Fund:

- Assists with the operating needs of the school;
- Funds improvements in technology, teacher training, and other short term needs;
- Allows donors to restrict donations to scholarship funds, etc.
- Allows even small gifts to make an impact.
- **Is vital to the continued improvement of Saint Paul's School.**

Our Annual Fund is different from most other schools:

- No one will visit, call, or pressure you to donate with a suggested amount. Call me directly if you have any questions, comments, or concerns.
- No expensive brochure or report is published. Postage costs are held down by using Wolf Tracks. We write a thank you note to every donor, and we publish the names of donors in this edition of Wolf Tracks.

I understand that everyone is not able to be a large donor. I do believe, however, that almost everyone can donate something. I ask that you contribute, no matter how small. Regardless of your response, know of my concern for your son and my prayer for you and your family. In these uncertain times, we hope SPS provides an anchor of stability and a beacon of hope for you and your son.

On behalf of the Christian Brothers, faculty, and student body of Saint Paul's, thank you.

Sincerely,

Brother Ray Bulliard, FSC
Principal
