## Recognizing Our Alumni Veterans

Our oldest living grad, Harry Friedman, Class of 1933, suggested that we recognize our graduates who have served in the military. Ken Breaux, Class of 1961, has volunteered to chair this project.

To accomplish this goal, we need your email response to the following questions; [alumni@stpauls.com](mailto:alumni@stpauls.com) :

- ✦ Your name
- ✦ Branch of service in which you served
- ✦ The highest rank or rate attained
- ✦ Any decorations obtained while in the military

If you are aware of a classmate or friend who has served in the military, please send us any information you may have so that we may pursue contacting this Veteran.

This project is expected to be a permanent memorial placed on the Saint Paul's campus. This will be an ongoing effort for us to give proper recognition to all who have served and all who will serve our country. Thanks to Harry and Ken for the idea and work to date on this project.

# Service Awards

The administration, faculty, staff and student body of Saint Paul's School used a special liturgy held during the "Founder's Week" Celebration to pay tribute to those students who completed an extraordinary amount of service. Inclusive community and concern for the poor are two of the five core principles of a Lasallian education. As part of the Lasallian tradition, the "Serve Ten" program requires that all students complete ten service hours to the school and community and write reflection papers on the experiences. Through this program the student body accumulated over 25,000 hours of voluntary service involving a number of local organizations including: Habitat for Humanity, New Heights Therapy Center, local church parishes, mission trips, and summer sports and activity camps.

Students who completed fifty hours of service were presented with the Brother Alfred Baltz Medal, named for Brother Alfred Baltz, FSC, a retired Christian Brother now residing on campus and still contributing a great deal to the school community. Brother Alfred made the presentations to the deserving recipients.

Several students on each level were recognized for earning the highest number of service hours on their level. These students were: Seniors, Christian Chaney, 260; Ryan Wilson, 189; Juniors, Nathaniel Frank, 292; Michael Johnston, 257; Sophomores, Blake Varnado, 261; Justin Montreuil, 173; Freshmen, Ryan Lehman, 231; Priash Patel, 231; and eighth graders Brandon LeBlanc, 245; and Christopher Douglas, 126.

The final award presented at the mass was the Joe Porter Service Award given to a faculty member who has demonstrated the service to his community and has been an excellent example of the Lasallian Core Principals. Mr. John Morvant, Academic Assistant Principal of Saint Paul's, presented the Brother Joe Porter Faculty Service Award to Richard Pichon, a math instructor and the founder and moderator of the Saint Paul's Habitat for Humanity Club. The presentation ended with this quote from Brother Joe, "The message is clear: be of service. Be a Brother. And, of course, be a Christian."

"How awe-inspiring this place is! This is nothing less than a house of God; this is the gate to Heaven!"
