Wrestling Work Day

Several members of the Saint Paul's Wrestling Wolves gave up a recent Saturday to participate in a service project. The students spent the day mowing, weed-eating, trimming hedges and doing general maintenance at a Covington home whose owner can no longer do the difficult work. The property owner was very grateful to workers: Richard Green, Nick Lusher, Michael Robert, Patrick Vinson, Connor Fly, Cody Gourges, Korey Miller, Christopher Arms, James Cavaliere, Daniel Johnson, Andrew Mullet, Richard Stewart, Conner Campo, Dominic Iovenitti, Collin Kersker, Brandon LeBlanc, Matt Lewis, Jordan Peterson, Robert Austin, and Marshall Vairin. Craig Ketelsen, the head Wrestling coach, also participated in the project.

Pictured at the end of the long hot work day in row one are: Jordan Peterson, Richard Stewart, Chris Arms, James Cavalier, and Dominic Iovenetti. In row two are: Austin Robert, Andrew Mullet, Michael Robert, Richard Green and Collin Kersker.

The life of your soul should be the life of God himself, Nourish yourself with God by thinking of his presence as often as you possibly can.

Recognizing Our Alumni Veterans

Our oldest living grad, Harry Friedman, Class of 1933, suggested that we recognize our graduates who have served in the military. Ken Breaux, Class of 1961, has volunteered to chair this project.

To accomplish this goal, we need your email response to the following questions; alumni@stpauls.com :

- ✦ Your name
- ✦ Branch of service in which you served
- ✦ The highest rank or rate attained
- ✦ Any decorations obtained while in the military

If you are aware of a classmate or friend who has served in the military, please send us any information you may have so that we may pursue contacting this veteran.

This project is expected to be a permanent memorial placed on the Saint Paul's campus. This will be an ongoing effort for us to give proper recognition to all who have served and all who will serve our country. Thanks to Harry and Ken for the idea and work to date on this project.

100th Year Anniversary

Saint Paul's School has begun preparations for its 100th Year Anniversary. It was decided that the graduating class of 2011 would be the 100th Anniversary class and the centennial activities would begin in January of 2011 and end with the graduating class of 2012. We are in the process of forming a Steering Committee for this exciting event and would like to extend an invitation to any parents and alumni that would like to be part of this planning process. We have created the following standing committees:

Alumni—events, reunions, different alumni teams, etc.

Commemorative—logo, bricks, time capsule, etc.

Events—possible parties, ceremonies, month-to-month activities, etc.

Historical—photos, stories, etc.

In-school—graduating class, mother's club, school departments

Publicity—website information, announcements, articles, news

If you are interested in becoming a member of one of these committees and help with the planning process of our 100th Year Anniversary, please email the Development office development@stpauls.com or call the Development office at (985) 892-3200, ext. 1270, with your committee choice. We are asking that anyone interested in serving on a committee please respond by September 28, 2009. We have a strict timeline to adhere to. This is a momentous occasion in Saint Paul's history and will require a tremendous amount of planning. We look forward to your input and hope that many of you decide to work with us on planning this event.

FOOTBALL GRADS

Several of Saint Paul's graduates are members of the 2009-10 football squad at Millsaps College in Jackson, Mississippi. Pictured in their new jerseys are: Josh Gast '08, Greg Blasiar '09, Kenny Ray Reeves, Jr. '08, Tony Bellan '08, and Nathan Quick '09.

Renaissance Board

Sally Kingston is a financial advisor with the Hebert Chassaniol Danielson Group at Merrill Lynch. Sally and her team have been offering knowledgeable financial advice and wealth management services for more than eighty years combined. They have extensive experience in assisting their high net worth clients with financial and investment strategies, wealth transfer and preservation, business services, retirement and estate planning, and concentrated stock strategies. Sally and her team stress a disciplined, long-term approach to investing based upon their clients' needs and risk tolerance.

She is an active member of the West St. Tammany Parish Chamber of Commerce, and has been appointed to the board to serve as the Small Business Advisory Council chair for the 2010 year. Sally was introduced to Saint Paul's through the Leadership St. Tammany program, and has been passionate about the school and its programs ever since. She coordinated the first athletic screening for student athletes in St. Tammany Parish that incorporated an echocardiogram for every athlete screened free of charge and brought that service to Saint Paul's. She is a member of the Saint Paul's Renaissance Board, and the "Life Skills" sub-committee.

Sally says, "Serving on the Renaissance Board has been such a fantastic and rewarding experience. The board mission is to provide a process that empowers students, educators, parents and business representatives to work together to encourage achievement, celebrate success and increase community involvement. Everyone on the board is committed to that mission, and we are always looking at ways to do more for the school. It is truly an honor to be a part of this board."

Alumni Fishing Rodeo

A CHANGE IN THE DATE

The date for the W. Wallace Poole, Jr. Memorial Fishing Rodeo has changed from May to September 25th and 26th. It will be one day of fishing as opposed to two days. Everything else remains the same. The Lafitte C&M Docks have very nice cabins and a pavilion right on the water.

Check our website for specifics, or call or email Don Celestin (985-966-0342 don.celestin@smithbarney.com) or Mike Dugger (985-630-5031 runnerschoice1@bellsouth.net).

NEW PARENT DINNER

Every year, Saint Paul's school hosts a New Parents Dinner to welcome the new parents to the school and to introduce them to several of the faculty and staff. Several speakers inform the new parents about the Lasallian policies and procedures followed by the faculty and staff and also tell them about different extra curricular activities available at the school and some of the school activities that take place during the year. Pictured above are speakers Peter Chatry and Juan Amaya as well as teachers Jim Richardson, Liz Brett and Pam Cullen with new parents.

God does not win over all souls to himself by the same means. We need to know how to speak in the right way to each person, in order to engage them to give themselves entirely to God.

IMPROVEMENTS ON CAMPUS

As you pass through campus today, you may notice that there are several exciting improvements, some of which were made possible through funds from the capital campaign. Pictured above are renovation improvements to Hunter Stadium's visitors' side concession stand and restrooms. We also completed a new seventy-five space parking lot and landscape addition next to the gymnasium as well as repaired the roof and other minor improvements in the cafeteria. Pictured below is our new weight room. Thanks to the donation of this equipment from an anonymous donor, our athletes can now train with state-of-the-art equipment. This facility is available for all our athletes to use and as you can see, is a huge improvement to our old weight room. This room even received a brand new coat of paint during this renovation. As you can see, Saint Paul's school is continually making efforts to upgrade and improve the campus and our facilities. We have several other improvements and renovations planned soon so keep your eyes open for these new additions and remember, Saint Paul's "is a great place to grow up".
