Update on addition to the Gene Bennett Sports Complex

A “Kodak” moment in the history of Saint Paul’s took place in the new portion of the Gym Bennett Sports Complex on Monday, August 24th. Brother Alfred Baltz, a long time resident and former faculty member, and Athletic Director of the Saint Paul’s, nailed several floorboards in place on the new basketball court. Brother Alfred has been instrumental in building a number of structures on campus including garden beds, the old gym, and the Horack and Booth Pavilions. He commented on the differences technology and power tools make in the ease of getting the work done. Although technically retired Brother Alfred is still active on campus.

"Help us do God's Will"

The theme of the school year is an executive decision made by Brother Ray and Trevor Watkins. It is always something based on a basic principle of Lasallian pedagogy or values.

Sister Louise was convinced that God had told her to build a shrine at Parmenie in his honor. On the site of an ancient monastery, she enlarged a chapel and built a residence large enough to house a priest, several retreatants, her companion, and herself. After a serious illness at Grenoble, Father de Saleon, who first invited the Brothers to Grenoble, asked De La Salle to visit and enjoy the solitude. Father de Saleon hoping to increase the time of De La Salle's rest asked him to serve as chaplain while he attended to business in Provence. While De La Salle was at Parmenie a letter from the brothers arrived asking him to return to his work because they were in need of his leadership. Sister Louise encouraged this decision and so De La Salle returned and the Christian Brothers continued. Parmenie, and Sister Louise, have earned a special maker in the footsteps of Saint John Baptist De La Salle.

First School Mass

On Thursday, August 13, the school participated in an all school mass celebrating the Solemnity of the Assumption of Mary. Father Matthew Clark, O.S.B. the Saint Paul's Chaplain, said the mass. After the homily, Father Clark recognized and blessed the senior Extraordinary Ministers of Holy Communion who took over this role at the beginning of summer by doing the readings and serving communion at Sunday mass in the Our Lady of Peace Chapel. These eager young men who wanted to serve God have been trained by the Archdiocese of New Orleans. In addition, the liturgical band made their debut under the direction of Jeff Ramon '08 and Brother Ken Boesch, FSC.

Senior Week

This year's Senior Week activities were kicked off by the Senior Barbecue on Tuesday 18. Hosted by a group of senior parents, the evening under the Wolf Dome consisted of food, fun, and friendship for all the seniors. On Thursday, August 20, the Class of 2016 took part in the traditional March Through the Arch ceremony. This symbolic event recreates the day in September 1911 when forty-eight students and three Benedictine priests walked up the same driveway and opened Saint Paul's School. Each senior was recognized and walked up LaSalle Drive to the clapping and cheering of parents, faculty, and fellow students. When all the seniors had gathered at the foot of the statue of Saint La Salle, they sang a loud, proud, and rousing rendition of the traditional Saint Paul's hymn, "Rise Up O Men of God" and the fight song for everyone to hear.

Following the March, the seniors and their parents gathered in the cafeteria and shared breakfast. After the breakfast, the seniors left for their Senior Unity Day. Following a very moving morning, the seniors received their rings that evening at the annual Senior Ring Ceremony in the Briggs Assembly Center. The seniors were asked to make five pledges: each pledge asked if the seniors were willing to uphold the mission of Saint Paul's and to make it a place that follows the principles of Saint John Baptist de La Salle. After responding "Yes, Brother, I will," to each pledge, the seniors sang the traditional school hymn, "O God, Beyond All Praising." Before crossing the stage to receive their rings, the seniors once again affirmed their commitment to the Lasallian mission by singing "Let There Be Peace on Earth." After each senior had received his ring, the ceremony ended with a resounding version of "The Battle Hymn of the Republic." After these exciting few days, the seniors welcomed their Senior Ring Holiday on Friday, August 21.

On Tuesday, August 18, Saint Paul's held the traditional "Get Involved Day" during lunch time. All of the various clubs and organizations, from robotics to band, ROTC to fly fishing, and everything in-between, came out at lunch to encourage their fellow students to get involved on campus.

Brother Ralph's 95th Birthday

Brother Ralph, who turned ninety-five on August 27th, was an honored guest at the President's Assembly. He joined the Christian Brothers at the early age of thirteen, and proudly announced that he has "Not regretted a day that I spent in service to others through my work as a brother." Ralph has been graciously and generously serving others for eighty-two years. He has taught in a number of schools including Lafayette, Denver, Santa Fe, Pittsburg, and Ontario. He also served in an administrative capacity in several schools, and even taught religion at Saint Paul's for a short time before "retiring" here. Like Alfred, Brother Ralph is still active on campus. His advice to the young men gathered in the Gene Bennett Sports Complex was simple, "To find true happiness find time to do service and to help others. There is nothing better." He referred the audience to the last verses of Matthew, "Teach them to carry out everything that I have commanded you. And know that I am with you always until the end of the world."
