Saint Paul's School  
Covington, LA

January 31, 2016

Alumni and friends of Saint Paul's,

I sincerely hope that your start of 2016 has been an exceptional one. We have certainly hit the ground running on Jahncke Avenue, and invite you to join us in being even more active here on campus.

As you will see reflected in this and other editions of "Wolftracks," please send us any noteworthy updates regarding content such as collegiate information, professional status/developments/or advancements, marriage, childbirth, etc., so that we may share your news with other members of the Saint Paul's community. Further, if you have not done so already, please consider completing the Alumni Directory Update. Click [HERE](#).

See the Spring Athletic Schedules below. Also, please take a look at our upcoming Alumni Events and links to more information on page 8.

Finally, I am hopeful that Saint Paul's has lived up to its promise of being "a good place to grow up" for you or for someone very close to your heart. In keeping with the Lasallian mission and spirit, our goal is for Saint Paul's School to remain accessible and affordable to as many young men who desire to have the quality experience which many of us have been so blessed to have.

One of the primary ways to ensure our accessibility is through the Annual Fund which local expert Frank Donaldson calls, "the single most important Development Process that a Catholic institution could ever do." You, the Alumni, are vital to its success. This year's appeal began in August of 2015, and most of you should have received a pledge card in the mail at the end of last year. We are sincerely grateful to those who have contributed thus far, and we have put together a graphic which depicts the up to date gifting per class. Please take a look. You will note substantial success from the initiation of our enhanced effort a few years ago as nearly all classes are now represented, but you will also note significant potential for growth-- a growth which is essential to keeping Saint Paul's School a viable choice of tomorrow for your children and grandchildren.

Should you have any questions about the role of Alumni support in our Annual Fund, please do not hesitate to contact me. If you are interested in supporting at this time, here is a link for your convenience. [LINK](#)

Sincerely, and Saint Paul Our Patron...Pray for Us!

# Alumni Basketball Game

Wednesday, December 30, 2015 was a great night for Saint Paul's Basketball and school pride. The evening saw the return of the Alumni Basketball Game for the second year, the honoring of six legendary 1000 point Scorers, and the final night of the first Gene Bennett Classic held in our new gymnasium. Many fans including our Varsity Wolves were treated to an entertaining Alumni game filled with buckets, boasts, and yes a few blunders, but a great time nonetheless. The favor was reciprocated by our Alumni who remained to watch the Championship game of the tournament which immediately followed. They were not disappointed as the 2015-16 Wolves captured the tournament title by defeating the Destrehan Wildcats 81-68. All former Basketball players were individually recognized at halftime with special recognition and distinction given to the 1000 point scorers in attendance.

Thanks to the alumni and their families who came to support the Wrestling Wolves. The alumni were recognized during the noon break and were given a commemorative Dale Ketelsen Memorial T-shirt, a car magnet and a wrestling program book. This tournament was held in both the newly renovated wrestling gymnasium and the newly built gymnasium with concurrent wrestling matches taking place. # Golf

Freshman Chris Wilson was selected (for the third time!) to compete in the 2015 Allstate Sugar Bowl Tommy Moore Memorial Junior Golf Championship held on December 28-29, 2015. The 36-hole championship was established to invite top-ranked golfers from across the country to compete in front of college coaches each holiday season in New Orleans. The field comprised of eighty-four amateur golfers, both boys and girls ages 13-18, who are not enrolled in college representing eleven states.

Tommy Moore is recognized as the most accomplished junior golfer to ever emerge from the New Orleans area. In 1980, Tommy was ranked No. 1 in the Golf Digest Junior World Rankings and went on to have a decorated collegiate career at Oklahoma State University where he was an All-American, National Champion, and Academic All-American. After playing on the PGA TOUR for three seasons, Tommy Moore's life was cut short at the young age of 35 due to a rare blood disease. In his memory, the [Kelly Gibson Foundation](#) partners with the Allstate Sugar Bowl to host a national tournament that recognizes the impact Tommy made on junior golf.

# AquaWolves

For the first time in school history, the Saint Paul's AquaWolves placed five swimmers and their coach on the New Orleans Advocate's 2015 All Metro Swim Team. Guzan joined relay mates, Harrison Prieto, Kyle Hladky and Jack Cheng to lead the area in the 200 medley relay in another school record of 1:37.23. Myers Morgan, Prieto, Guzan and Cheng were the All Metro 400 freestyle relay team, again setting the school record of 3:16.00. St. Paul's Coach Kris Babylon was selected All Metro Coach of the Year by the New Orleans Advocate.

## Quidditch

On January 2nd, 2016 the Saint Paul's Quidditch Club hosted the first annual Christmas Cup, an intramural tournament among the five houses at Saint Paul's. The cold temperatures were made more bearable by the hot chocolate, pastries, and even butterbeer which was offered at a concession table. Out of the five teams at Saint Paul's (Gryffindor, Ravenclaw, Hufflepuff, Slytherin, and Durmstrang), Hufflepuff emerged as the winner in a *very* close match with Ravenclaw, earning the coveted Christmas Cup for their house.

Faculty moderator and coach Andrew Dart is working with several other faculty members to build the program from the ground up. The school was the sole recipient of this year's national start-up grant given by the United States Quidditch organization, which provided hundreds of dollars in equipment. In addition to the grant, the Quidditch Club was supported by Saint Paul's Renaissance Program. Mr. Dart is hoping other area high schools get involved, so competition can develop outside of Saint Paul's.

## Senior Retreat

The Saint Paul's class of 2016, 171 strong, returned on Friday, January 8 from a three day, two night retreat in Woodworth, Louisiana.

The senior retreat is a moving experience and is considered by many seniors and alumni to be one of the most memorable experiences of their Saint Paul's careers.

The seniors take three days away from their busy personal lives to spend time concentrating on their individual past, present, and future.

"Retreat stood to be the pinnacle of our Saint Paul's careers," said senior Landon Waite.

As always the retreat ended with the presentation of the senior wooden crosses, the ultimate symbol of time well spent at Saint Paul's.

"Throughout my Saint Paul's career, I have heard about what an amazing experience the retreat was, and it certainly lived up to and surpassed those expectations," said senior John Cresson.

Faculty members that served as group leaders for the retreat included: Rachel Peak, Jeff Ramon, Luke Barwick, Jeaneen Schmitt, Liz Brett, Karen Hebert, Paul Scoriels, Brother Ken Boesch, Gina Hall, Al Nastasi, Renee Miller, Andrew Dart, Lee Pierre, and Carol Barcleona.

## Egg Drop

Students put their understanding of the impulse-momentum theorem to the test by designing an apparatus that could not only safely carry an egg from the top of Hunter Stadium, but also withstand three drops without any modifications. The only materials allowed for the apparatus were coffee stirrer straws, popsicle sticks, rubber bands and hot glue.

# MAST Soccer Tournament

On Thursday, January 14, the defending state champion Soccer Wolves travelled to Florida to compete in the Montverde Academy Soccer Tournament (MAST) against some of the top teams in the nation. The Wolves reached the tournament championship, where they fell to Montverde, widely considered to be the top team in the nation, by a score of 5-0.

The Wolves, ranked number one in Louisiana according to MaxPreps, defeated Gulliver Prep (Fla.) 4-2 in penalty kicks after a scoreless regulation to open the tournament.
