July 31, 2014

As the summer draws to a close, we are eagerly anticipating the start of another banner school year on campus. We look forward to having you be a part of it. The annual General Alumni Meeting will be held on Monday, August 25th at 6:30pm in the cafeteria. Brother Ray will address the group regarding the state of affairs of the school as well some short range and strategic planning items.

We will review the alumni calendar as well as vote for members of the Alumni Board. If you are interested in holding one of the positions of President, Vice-President, Secretary or Treasurer, contact me at aln@stpauls.com. I will send out the list of candidates prior to the meeting.

Live Jesus in our Hearts....

Al

60th Anniversary

Members of the Saint Paul's Class of 1954 celebrated the sixtieth anniversary of their high school graduation with a number of social events. Mr. Gordon Bitterwolf hosted a dinner for the group at his home. The group then met Brother Raymond Bulliard, FSC President of Saint Paul's and Mrs. Danielle Lavie of the Development Department for a tour of the campus. Mr. Bitterwolf compiled some interesting statistics about the twenty-four members of the class and their chosen professions. The class included: one CPA, one newspaper editor, one real estate developer, one entrepreneur, one Federal Clerk of Court,

two farmers, two doctors, three lawyers, three engineers, four career military officers, and four corporation managers. The graduates, who attended the event, are pictured in Our Lady of Peace Chapel on Saint Paul's campus, in row one are: Jim Blossman, Blaine MacMahon, Gordon Bitterwolf, and Ross Mulé. In row two are Bob Landry, Floyd Stanga, William Martin, and Ray Cavaliere.

Saint Paul Our Patron...Pray For Us

Alumni News

Scott Healy '90 – Scott is living in the Washington, D.C. area and is employed by the Secret Service. He worked the Presidential Detail for six years, and he is now an instructor for the agency's rescue swimming project in Beltsville, Maryland. He has been married for fifteen years and is the proud father of two daughters, ages 7 and 5.

Andy Cannizaro '97 – Andy has been hired by LSU baseball as the new hitting coach. Read article on Nola.com [here](#).

Scott Florsheim Hodgins '00 – Scott will marry Amanda Russell White of Ponchatoula on January 24th at Trinity Episcopal Church in New Orleans. Scott is a homicide detective with the Baton Rouge Police Department and the co-owner of Boogie Booth Photo Booth. Amanda is a Certified Public Accountant/Senior Auditor with the Louisiana Legislative Auditor's Office in Baton Rouge. Both are graduates of Louisiana State University.

Mark Kessenich '03 – Mark married Courtney Phillips at sunset on Eagle Beach in Aruba and enjoyed an honeymoon in Coco Bay, Antigua.

Chris Bogantes '05 – Chris is recently engaged to Ali Kay.

Michael Legendre '06 – Michael married Kelsey Young on May 17th at the Academy of the Sacred Heart in New Orleans. Michael is the son of Charles and Jane Legendre and the brother of Oneal Legendre '02.

Nick Authement '10 – Nick won an Emmy Award for a student-produced television program for the Southeastern Louisiana University educational access station. Nick's production, The Riddle, a music video produced, directed, shot, and edited by Nick is based on the popular song by the original artist Five for Fighting. The Emmy Awards were presented in the photography category by the national Academy of Television Arts and Sciences Suncoast Region. The video was also awarded Honorable Mention recognition in Editing and Directing. Check it out at this [link](#).

Christian Trent '11 – Christian, who is now playing baseball at Ole Miss, has been drafted by the Los Angeles Dodgers. He is an underclassman and therefore can opt to complete his college education.

Calendar of Events for the 2014-2015 Season

General Alumni Meeting – Monday, August 25th, 6:30pm in the cafeteria

25th Annual Jazz 'N Roll – Saturday, October 4th, 7:00pm in the Briggs Assembly Center. Visit website [here](#).

JAC/Gene Bennett Golf Tournament – Friday, October 17th, Tchefuncte Country Club Estates

Homecoming Game – Friday, October 17th, 7:00pm in Hunter Stadium

Homecoming
2014

Career Day 2015 – Thursday, January 29th, Briggs Assembly Center

Celebrity Waiters' Dinner 2015 – Thursday, March 5th, 7:00pm, Briggs Assembly Center

Crawfish Cook-off 2015 – Saturday, April 18th, 1:00pm, Saint Paul's Campus

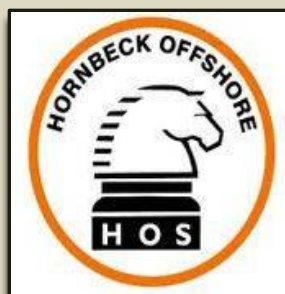

THE FOOTBALL POINT-AFTER CLUB

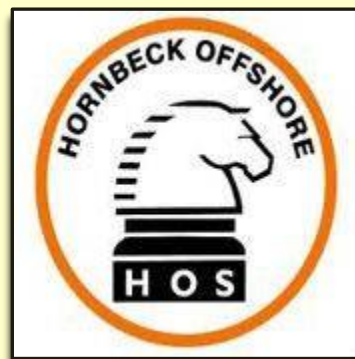

This year begins our inaugural 'Point After Club' with the intention of bringing our alumni football players 'back home'. This club is a way to remain connected and to play a role and support the future of Saint Paul's football program. Thanks to Saint Paul's football family for the support you have given the football program in many different ways. Our players are constantly reminded that the success that we have enjoyed could not have been achieved without the blood, sweat, and WOLFPRIDE of the players who have come before them. This is the legacy and brotherhood that we share. To join the Point After Club, contact Stewart Fresh '97 at 985-237-2922 or spspointafterclub@gmail.com. For more information, visit our football website at <http://www.stpauls.com/athletics/teams/football/>.

by Coach Ken Sears

Thanks to our sponsors, the Jumbotron sign has arrived and been installed on Saint Paul's campus. The sign should be operational for the start of the football season.

School News

Through the generosity of Hornbeck Offshore, we are adding the following Project Lead the Way Programs to our already technology-rich curriculum:

- Gateway to Technology (GTT) program - for all of our pre-freshmen. Here's a description of the program from PLTW: Through topics like robotics, flight and space, and DNA and crime scene analysis, students will find their natural curiosity and imagination engaged in creative problem solving. The GTT program provides a strong foundation for further STEM learning in high school and beyond, challenging students to solve real-world problems like cleaning oil spills and designing sustainable housing solutions. Using the same advanced software and tools as the world's leading companies, students see the application of math, science, technology, and engineering to their everyday lives. This will be the science class for the pre-freshmen. Mr. Mark Richard and Mrs. Julie Beck are being trained this summer to teach the program, robots and computers are being ordered, and two classrooms are being specially furnished to offer our pre-freshmen this exciting and innovative science class.
- Computer Science and Software Engineering – an upper division elective. Here's the description: CSE implements the College Board's 2013 CS Principles framework. Using Python® as a primary tool and incorporating multiple platforms and languages for computation, this course aims to develop computational thinking, generate excitement about career paths that utilize computing, and introduce professional tools that foster creativity and collaboration. CSE helps students develop programming expertise and explore the workings of the Internet. Projects and problems include app development, visualization of data, cybersecurity, robotics, and simulation.

We could not have afforded these new programs without the support of Covington-based Hornbeck Offshore and five of its top executives who have collectively pledged \$500,000 and other in-kind support toward a strategic academic endowment of our elective business and PLTW engineering professional curricula here at Saint Paul's. I am again grateful to Todd & Donna Hornbeck, Jim & Pam Harp, John & Nikki Cook, Tim and Lisa McCarthy and Sam & Jill Giberga.

by Brother Ray Bulliard, FSC

Members of the Saint Paul's Student Council completed a community service project in conjunction with Target to help the Royal Family Kids Camp of Southeastern Louisiana.

Saint Paul's students donated funds, shopped, and wrapped shoes for the kids attending the camp. The Royal Family Kids Camp is an overnight camping experience for young people in the foster care system directed by Julie and John Wondergem. Sam Giberga and Philip James wrap packages for the kids.

Environmental Science

Saint Paul's School Environmental Science Class has built and maintained a number of raised garden beds filled with vegetables and herbs. The produce from the garden is donated to the Covington Food Bank for distribution among the families.

Andrew Aceves, an incoming pre-freshman at Saint Paul's School for the 2014-15 school term, was selected by audition to be part of the international Honors Junior Choir for the 2014 Middle School Honors Performance Series at Carnegie Hall. Andrew traveled to New York for master classes, instruction and the performance at the world renowned concert venue.

The *Honors Performance Series* at Carnegie Hall challenges elite students to perform at their very best. Students rehearse and perform under master conductors and have the opportunity to perform before invited representatives from collegiate and professional music programs. Though much of the students' time is focused on performance preparation, the

week also allows students to experience the best of the sights and the performance arts in New York City.

Andrew's career includes parts in six New Orleans Operas at The Mahalia Jackson Theatre, a soloist on WWL TV Morning Show, Voodoo and Zephyrs games, and appearances in several movies, commercials, and television episodes.

Saint Paul's rising senior, Beau Briggs, son of Travis and Erika Briggs of Madisonville, was selected as one of the fourteen national finalists for the United States Golf Association-American Junior Golf Association President's Leadership Award. Beau finished seventh in the Division I state finals in Shreveport this past season as a member of the Saint Paul's Team, that place second in the Division I tournament in May. The award is given to golfers who demonstrate leadership, character, and community service through their involvement with the Leadership Links program. Beau raised \$10,200 in thirty days and the USGA added \$6,800 to his total. The \$17,000 was given to the ACE Grant, the Kelly Gibson Foundation, and the Covington Food Bank.

by Karen Hebert

Saint Paul's rising junior, Bram Love, son of John and Christa Love of Mandeville, has been selected to attend a leadership training course at the United States Military Academy at West Point. The program centers around two weeks of experiences that are a sample of cadet life. The training includes academic, athletic, military and social experiences. The students will also participate in the Candidate Fitness Assessment which is run by the USMA cadets with an Army Officer Cadre.

by Karen Hebert

Saint Paul's rising senior, Burke Irwin, son of James and Stephanie Irwin of Covington, has been selected to attend the university of Notre Dame's Summer Life Science Scholars Program. The program will take place in the state-of-the-art facility, the [Jordan Hall of Science](#), on campus, with students engaged in two major areas of study: Ecology and Environmental Science and the Molecular Genetics of Disease. Both content areas will foster collaborative problem solving skills and experiential understanding of science by actively involving students in the design, implementation, and analysis of experiments in molecular biology (i.e. cancer biology and molecular genetics) and environmental science (i.e. stream environmental assessment/restoration and lake ecosystem management). Students will improve proficiency and confidence under laboratory conditions and field situations, and directly engage in accurate reading of scholarly journal articles; the structure/function of scientific research papers, posters and seminar presentations and the use of bio-statistical analysis. The students will investigate these topics using a variety of formats, including interactive lectures, laboratory work, collaborative learning, computer and video material, group discussions, and field trips.

by Karen Hebert

Saint Paul's rising senior Jack Dubreuil organized a fund raising event to raise money for the fight against leukemia. His event "Laps for Leukemia" was held at the Tchefuncta Country Club and involved nearly thirty swimmers. Jack's friend was recently diagnosed with a brain tumor and so the cancer fight is close to home. His event over \$4,000.00.

Eric Coston, a rising sophomore at Saint Paul's School, won the Freshman Boys one mile race on at the national New Balance Outdoor Track and Field Championship held at North Carolina A&T University in Greensboro, North Carolina. His winning time was 4:21:55. Eric was the individual state champion in Cross Country 5A for 2013. In the spring he was selected to the All-State Track Team in the 1600 with a time of 4:16:48.

Saint Paul's Student Hosts served at a prayer breakfast sponsored by the Knights of Columbus Council 3061 with the assistance of the Covington Kaycettes, held in the Saint Paul's cafeteria. The Northshore Knights of Columbus Chours, under the direction of Mrs. Jackie Pennington, sang an armed forces medley at the start of the program. Pastor Waylon Bailey addressed the group on "God's Presence in Our Daily Life." Pictured standing at the breakfast are: John Glorioso, Math Instructor, Jacob Broussard, Alex Nunez, Trey Icamina, Ethan Desforjes, and Jean-Paul Juge. Seated are James Varney, Yehia Elkersh, and John Cresson.

Saint Paul's rising senior, Colin Skinner son of Shawn and Dawn Skinner of Mandeville, attended the prestigious Summer Seminar at the United States Air Force Academy in Colorado. This seminar offers a unique opportunity to get the Academy experience first-hand and allows participants to see a realistic slice of cadet life. The program provides solid understanding of the challenges and rewards of life as a cadet, tours of the campus facilities, as well as insights into what it means to serve as an officer in the United States Air Force. During the Summer Seminar program, participants are assigned to an "element" or group, with an upper class cadet as an Element Leader. Colin lived in cadet dormitories and ate at the cadet dining facility. He attended Human Behavior, Astronomy, Mathematics, and English classes taught by Academy faculty members, and participated in the Candidate Fitness Assessment.

By Karen Hebert

Two Saint Paul's students, Shane Strander and William Murphy were selected as winners in the state wide competition of the Louisiana's Twelfth Environmental Awareness Arts and Language Arts Contest sponsored by the Louisiana Environmental Education Commission. Shane, the son of Blaine and Jymme Strander of Covington, won first place in Group Four, Ages 14-18 for his essay, and his classmate, William, son of John and Cheryl Murphy of Covington, won second place in the same division. The winners were invited to attend a reception and awards ceremony at the Governor's Mansion in Baton Rouge. Saint Paul's President, Brother Raymond Bulliard, FSC, is pictured with Shane at the reception.

by Karen Hebert

Members of the Lasallian Youth Leaders from Saint Paul's School attended a leadership conference at Saint Mary's College in Moraga, California to help prepare them for the work as student body leaders during 2014-15. Pictured at the foot of the Statue of Saint LaSalle in row one are: Austin Grashoff and Lane Sumrall. In row two are: moderator, Myrle Wiggins, Ben Hollingsworth, Matt Wallace, Jacob Authement, and Brennan Knepper. In row three are: Nick Oubre, Jack Donham, Patrick Stewart, Adam Schmitt, and moderators Jeaneen Schmitt and Brad Marchese. In row four are Saint Paul's graduates Brian Schmitt, Bobby Bayer, and Andrew Mullet, who are collegians serving as counselors for the week of activities.

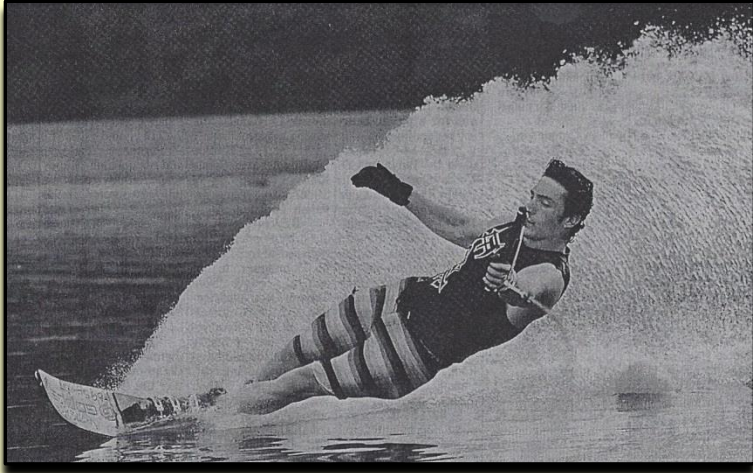

Members of the Lasallian Youth Leaders Executive Board spent an evening training for the new student orientation that they will sponsor on August 4th. Board members include: Burke Irwin, Ross Allbritton, Patrick Stewart, Matt Wallace, Jack Donham, Brennan Knepper, William Saucier, and Adam Schmitt. Brad Marchese, Jeaneen Schmitt and Myrle Wiggins. The new student orientation program will be an evening of fun activities to help new students get acquainted with each other.

by Karen Hebert

Summer Activities - continued

Saint Paul's rising senior, Daniel DiPol, son of David and Claire DiPol of Covington, will defend his age-group championship in August when he competes in the 72nd GOODE Water Ski National Championships at the San Marcos River Ranch in Martindale, Texas. Danny competitively skis for the GOODE Water Ski team and competes in two or three tournaments per summer. He claimed first place in the Boys 3, 18-Under group in the 2013 Water Ski Nationals, held last August in Okechee Park in West Palm Beach, Florida.

Compliments of The St. Tammany Farmer
