### Brother Charles Crouzet, FSC Award

Brother Charles Crouzet was a founding Christian Brother at Saint Paul's School in 1918. He was a consummate educator: gentle, kind, totally committed to his students, innovative in approach and methodology, deeply spiritual and very humble. He was not one to draw attention to himself, but quietly went about his work, always striving to improve things, always working for the good of his students, always reliable and professional.

Brother Richard Kovatch certainly emulates the best qualities of Brother Charles. He spends inordinate amounts of time (including many weekends and holidays) correcting papers and preparing creative and enjoyable lessons, he employs a variety of teaching techniques, he looks for every opportunity to affirm and praise his students, he willingly helps former students with their college English papers, and he wholeheartedly embraces the Lasallian Mission – so much so, that he has devoted his life as a Brother of the Christian Schools.

His long and distinguished career as a Christian Brother has seen him in administrative roles at several of our schools as well as serving the Brothers as an Assistant Provincial. Following his administrative career, he came to Saint Paul's over twelve years ago to teach English – his first love. And over the years, he has done so competently and effectively, earning the respect of his students and admiration of his colleagues. He is a living definition of the term “positive work ethic.” He exemplifies commitment to Saint Paul's School – as did Brother Charles Crouzet.

Brother Rich does not lead by words, but by example. Like Brother Charles Crouzet, he is a real minister of grace, touching the hearts of his students, just as Saint John Baptist de La Salle wanted his teachers to do. His hard work, caring and professionalism have made him a model worthy of imitation by the rest of us. We are privileged to have him on our faculty, and the young men entrusted to his care are blessed to have him as their teacher.
