Alumni and Friends of Saint Paul's School,

As we celebrate this time of year with Thanksgiving, I am certain that many of us have taken the time to reflect on those things for which we are most thankful.

As a proud alumnus of Saint Paul's School, one of the things for which I am most appreciative is the opportunity to have been, and to continue to be, a part of the Saint Paul's experience. I sincerely hope that you, the alumni, share in that gratitude to your alma mater. I am fairly certain that the past, present, and future leaders of this school, reciprocate that sentiment in your allowing Saint Paul's the opportunity to be a "good place to grow up" for you and other young men over the past 104 years and for many years to come.

As we prepare to enter these joyous and also quite eventful Holiday Seasons, I would like to call to mind some upcoming Saint Paul's Alumni events which may be of interest to you. For more detailed information. [CLICK HERE](#)

I sincerely hope to see you at one if not more of these events. If I may ever be of any further assistance, please do not hesitate to contact me.

Wishing you all of the Peace, Joy and Happiness that the remainder of this year can offer!

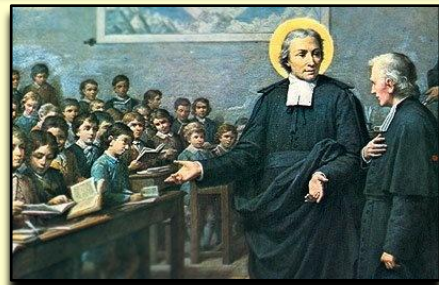

Live Jesus in our hearts.....forever!

For the last few years, the Saint Paul's College Class of 1954 has been getting together for a reunion on an annual basis. 2016 Annual Fund Drive

Saint John Baptist de La Salle's original schools charged no tuition. Rich and poor alike were welcomed, and "charity" of benefactors and the donated services of the Brothers funded the schools. We can no longer offer "free" schools, but Saint Paul's tuition is one of the lowest among Catholic high schools – and a downright bargain compared to the private schools.

Monies from the Annual Fund help provide our students with a quality education including the certified Project Lead the Way (PLTW-see [brochure](#)) and Pre-law curriculums. Faculty compensation, educational conferences, technological improvements, tuition assistance, and capital improvements are also financed with the Annual Fund.

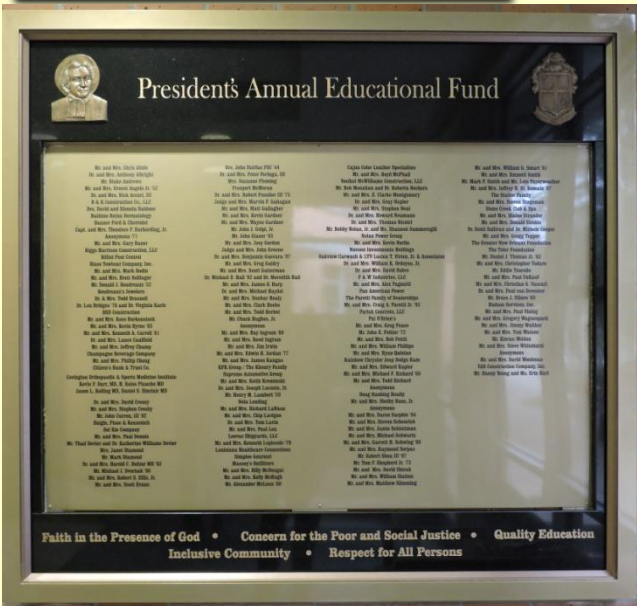

Please assist me in accomplishing a successful annual drive and complete a check to Saint Paul's School, 917 S. Jahncke Ave, Covington, LA 70433 or you may donate online on our [website](#).

I take seriously the faith people place in Saint Paul's for Saint John Baptist de La Salle, founder of the Christian Brothers, insisted that the Brothers look upon their work *"only with the eyes of faith."* Your gift furthers St. La Salle's instructions to the Brothers that *"Christian schools should be in no way inferior to other schools"* and that parents who choose the Christian school should *"not have occasion to regret that their children do not find therein all other educational advantages."*

Lastly, please check with your employer to inquire about company matching funds. This is an easy way to double your contribution!

Sincerely,
 Brother Ray Bulliard, FSC
 17th Christian Brother President of Saint Paul's School

In appreciation of our major donors (\$1,000 and above), the new donor board hangs in the Main School Building.

SPS Basketball Lockers

Physical Education and Basketball are enjoying their surroundings in the new building of the Gene Bennett Sports Complex, but important changes are happening in the older portion of the complex. The small gym has been converted to a new, larger and better equipped weight room for the use of student athletes. The large portion of the "old" gym is now a permanent home to the Wrestling Wolves. These changes allowed renovations to the former weight room. This space now holds an expanded area for the athletic training facilities, and new football locker room. This new locker room can now hold professional "football style" lockers with room for pads and helmets, as well as uniforms and personal items. Anyone interested in sponsoring "football" locker in this renovated area, or a "basketball" locker in the new gym should contact Mrs. Danielle Lavie, Director of Development at development@stpauls.com or [985-892-3200 ext. 1270](tel:985-892-3200). Names plates will indicate donations and the current and future athletes of Saint Paul's School will be grateful for the upgraded facilities.

Saint Paul's School Open House

On Saturday, October 31st, Saint Paul's School welcomed prospective students and their families to campus for the annual Open House. The campus was resplendent with color thanks to the Mothers' Club's Mum Drive, and even with stormy weather the Briggs

Assembly Center was filled with families interested in what Saint Paul's has to offer the young men of the area. The guests were welcomed by the Saint Paul's Brass Band under the direction of Andrew Moran, and their lively tones brightened the gray day. Campus Minister, Jeff Ramon, led the prayer, and the AFROTC provided a color guard for the pledge. Six members of the student body related their experience at Saint Paul's to the mission. Speakers included: John Cresson, Patrick Napier, Yehia Elkersh, William Murphy, Luke Avenel, and Adam Schmitt. Brother Raymond Bulliard, FSC, President of Saint Paul's, and Trevor Watkins, Principal of Saint Paul's gave instructions on the application process, and introduced the small of army of willing and able student hosts who lead the visitors on a tour of the campus. Tour stops included: The Hornbeck Offshore Engineering Labs, The Harry T. Howard Foundation/Touro Infirmary Biomedical Labs, the art studio, Project Lead the Way Gateway to Technology Labs, the Gene Bennett Sports Complex, The Marian Players rehearsal for "The Outsiders", The Eco Car workshop, and Our Lady of Peace Chapel. The visitors finished their day with cookies, and Halloween treats.

At left, members of the Brass Band kneeling are: Noah Savoie, A.J. Latapie and Nick Ashton. Standing L-R are: Brad Anzalone, Miguel Seruntine, Lester Guttuso, Ethan Desforges, Collin McGehee, Ryan Meraux, Dustin Simoneaux, and Cameron Holmes.

On Monday, November 2nd Saint Paul's School held its annual celebration of *Día de los Muertos*. Unlike in years past, however, this year's celebration took place in the context of a Mass, celebrated by Fr. Angel Diaz, O.P. The celebration was organized by the Saint Paul's Spanish Club, led by moderator Liz Brett.

"I think it is important for everyone to be aware of this cultural celebration, and I'm glad that I can help show everyone this amazing tradition," said senior Luke Avenel, a member of the Spanish Club.

Día de los Muertos, which translates to Day of the Dead, is a holiday celebrated on October 31st, and November 1st and 2nd in Latin America and especially in Mexico. During this holiday, which has elements from both the Catholic traditions of the Spanish and the traditions of the Native Americans, people build altars dedicated to their deceased loved ones and visit their graves.

Members of the Spanish Club decorated an altar in the back of the gym where the Mass was held with *Catrin*as (skeletons), skulls, *pan de muertos* (bread of the dead), and candles. Before the Mass began, members of the Spanish Club Luke Avenel, Sam Avenel, Jacob Broussard, Ethan Desforjes, and Kyle Schmitt gave a history of *Día de los Muertos* and explanations of the four elements represented on the altar: earth, wind, fire, and water. Then, the student body and faculty were invited to place pictures of their deceased loved ones or index cards with their deceased loved ones' names on the altar.

On Friday, November 6, the Saint Paul's Spanish Club went to the restaurant El Portal to practice ordering in Spanish and enjoy a Mexican lunch.

Luke Avenel enjoyed the lunch and being able to experience some of what he had learned in Spanish class and as a member of the Spanish Club, "Being able to go to a small, authentic Mexican restaurant for lunch with the Spanish Club has helped show me the culture that I have been learning about in class and through our celebration of *Día de los Muertos*."
