

The President's Hebdomadal *Blue Ribbon* Newsletter

February 20 – March 06, 2017

Welcome to the eighth week of the Third Quarter – and the final week before the Mardi Gras / Beginning of Lent Holidays! I think it is important to note that our holidays next week are really for two reasons: Mardi Gras for two days and the beginning of Lent for three.

The Howlin' Wolf gets festooned with beads!

Recently, General Councilor (and former SPS teacher, coach and athletic director) Brother Tim Coldwell sent me this quotation from Saint La Salle's Conduct of Schools – the faculty handbook for the first Brothers and an incredible guide for us even today: *Holidays may not be given on the Monday and Tuesday immediately preceding the first day of Lent. Furthermore, students will even be required to be more exact in their attendance at school on these days than on any other day in the year.* Tim speculated that things were pretty wild in France in the two days preceding Ash Wednesday, and our Founder wanted the students even more protected from the evil temptations and near occasions of sin of his day.

Well, I hate to ignore our Founder, but I don't think I could get away with having school on the two days prior to Ash Wednesday in our south Louisiana culture! I'd be sitting here by myself! But the temptations that the Founder wanted to protect the students from still abound – and, perhaps, are even magnified – in our current Mardi culture, which is not my favorite holiday of the year.

And while I feel pretty helpless to do much about the harmful temptations, I'll still play YoY o Ma's "Ecstasy of Gold" from The Good, the Bad, and the Ugly at Tuesday's assembly. I'll still exhort the students to embrace the good, shun the bad, and eschew the ugly of Mardi Gras. I'll still encourage them to attend Ash Wednesday services. I'll still praise the Marching Wolves and encourage families to have fun but take precautions and be vigilant. I'll still support families who leave town at Mardi Gras. And I'll still pray for the safety of all of our students. I hope you will join me in all of these, especially prayer.

And then I'll spend a quiet Mardi Gras Day with a good detective novel and prepare for the beginning of Lent.

I wish you a safe and blessed holiday week.

Annual Fund: Many thanks to those who have responded to my request. For clarity, I offer the following:

- Almost **all private schools conduct annual funds**; many are high-pressured; ours is not – but I need your support to keep it from being high-pressured.
- The Annual Fund funds tactical, short term projects, e.g. technology, special programs (e.g. engineering). The Capital Campaign funds large infrastructure projects (the \$4 million La Salle Hall renovation and the \$4.5 million new gym.)
- You may “pledge” your gift and pay later or in installments (monthly, etc.). More and more families are using automatic credit card monthly payments of \$10 or \$20 dollars. **WONDERFUL!**
- While we don’t send requests to grandparents, every year a number of grandparents do donate to the school. **AND WE NEED GRANDPARENT SUPPORT! If you would like to inform your son’s grandparents of the drive, please do so – or provide me with an address and I’ll personally appeal. I’ll send them a nice “thank you” note, too!** Even a small donation (\$5!) is welcome.
- Gifts of stock are welcome.
- **No gift is too small. I repeat: no gift is too small!** What’s important is that everyone participates. Of course, no gift is too large!
- If you are contributing to the Capital Campaign or financially supporting SPS in some other way, I understand! Thank you for your generosity. Can you send \$10 to the Annual Fund so I can show an increase in participation?
- Please consider helping if you have not already done so and are in a position to do so. Many thanks!

Congratulations: We extend our prayer and congratulations to RaeNell Billiot Houston, Ph.D. who will be the next Superintendent of Catholic Schools in the Archdiocese of New Orleans as of July 1. Archbishop Gregory Aymond named Dr Houston to this position last week, succeeding Dr. Jan Lancaster. Dr. Houston has served as Associate Superintendent of Catholic Schools in the archdiocese since 2011. We extend our thanks to Dr. Lancaster for her tireless efforts on behalf of Catholic education and pledge our support and cooperation to Dr. Houston as she guides the 80+ Catholic schools in our Archdiocese in very challenging times.

District Rally: Congrats to the large number of Wolves who represented SPS at Sat’s District Literary Rally at SLU. Thanks to Joe Dickens for coordinating this event.

Admissions: The Admissions Committee has completed its work, having vetted our applicants for next year. On Thursday, March 2, we will mail acceptance letters to next year’s new students – as will all Catholic high schools in the Archdiocese. Both the quality and quantity for SPS are very good! Thanks for spreading the good news about SPS!

Musings on Last Week:

- **Counseling:** Congrats to counselors for successful testing sessions for 8 – 10th grades last week. Students were very cooperative and took the tests seriously. We look forward to great results.
- **Marching Wolves:** the MWs acquitted themselves in exemplary fashion during three parades. And the Band Boosters deserve special kudos for their incredible support system.
- **Golf:** Golfers won their first match last week and are off to a great start! Three of our five guys shot under 40. I don’t know what that means, but I’m told it’s great! And we have two pre-freshmen on varsity!

Rannie and Jimmy explore infectious disease causes in Biomed I

- **Soccer:** Heart-stopping last minute win over St. Amant propelled the Wolves into the semi-finals, where they took on Acadiana and defeated them 3-2 in DOUBLE OVERTIME! Another heart stopper! On to the finals!
- **Tennis:** Wolves are off to a good start, even though rain forced a termination of last week's match at 2-2!
- **Bowling:** Wolves fell to an undefeated Holden team.
- **Basketball:** Great wins over Mandeville & F'Bleau garner another District Championship for SPS! On to the playoffs! Gene is smiling.
- **Baseball:** Meet the Team went well (creative, too, as they had inter-squad scrimmages as well as the usual intros and food and the never-ending

selling of merchandise...)

- **Key Club:** Our Key Clubbers were in action on Sat making Covington a cleaner place. Many thanks!
- **Aqua Wolves swam in the USA Swimming Louisiana State Short Course Championship in Sulphur.**
- **Indoor Track:** In the 2017 Indoor State Championships. SPS finished in third place in Division 1. Eric Coston was the state champion in the 1600 m run and finished second in the 800 m run. The 4 x 800 m relay team of Colin Sullivan, Stephen Schlottman, Evan Hendry, and Eric Coston also finished in first place. Frankie Durio was the alternate on this team and ran in both qualifying races prior to the state meet. Stephen Schlottman finished in fifth place in the 1600 m run. Jonathan Bertucci also finished in fifth place in the 3200 m run. Well done, Indoor Track Wolves!
- **Lacrosse:** Varsity & JVA beat St. Thomas More – a lacrosse powerhouse. Well done, LAX Wolves!

Better Late than Never Dept: Last Monday was the thirty-fifth anniversary of the death of Brother James Miller – and I forgot to include it. As a young Brother, he expressed a deep desire to work in Central America. He loved working with the poor, especially the indigenous of Guatemala. As the army began campaigns of repression and genocide against them, Hermano Santiago remained firm in his commitment to serving them. Asked by his relatives if he was afraid, he quipped in a letter: *“Are you kidding? I never thought I could pray with such fervor when I go to bed.”* A month before his death, he wrote home: *“... the Church is being persecuted because of its option for the poor. Aware of numerous dangers and difficulties, we continue working with faith and hope and trusting in God's Providence.”* While patching a wall outside of the boarding school for indigenous boys (which protected them from being kidnapped into the army), Brother James was shot down by three assassins. The Catholic Church has named him a Servant of God, the step toward sainthood.

Greater Lasallian World Dept: Last week, Mullen High School (the Lasallian school in Denver) posted a YouTube video entitled “What It Means To Be Lasallian.” It's very well done and worth the 5+ minutes it takes to view. And you get some great views of this wonderful Mile High City school – including their INDOOR football/soccer practice facility! Here's the link:

<https://www.youtube.com/watch?v=MzHxuoBJU08&feature=youtu.be>

Alumni News: Four SPS alumni were co-authors of an article published in the Journal of Electronic Imaging arising out of work that they did this past summer during their internship with Innovative Imaging and Research at Stennis Space Center. The title of the article was “Laying the Foundation to use Raspberry Pi 3V2 camera module imagery for scientific and engineering purposes.” I have no idea what all of that means, but it sure sounds impressive! Congrats to 2011 and Washington U graduate Ryan Harlan and 2015 alumni George Cazenavette (LA Tech), James Pagnutti (LA Tech) and Maxwell Gold (Washington & Lee).

Cold Weather: ONLY SPS cold weather wear is accepted. If you cannot afford one, contact me.

Robo-Wolves prepare for competition in last week's tournament.

A SERVE TEN Reminder: Five service hours are due. Students must fill-out and turn in completed "Serve Ten" forms to the Counseling Department in order to get credit for their service hours. We have been advertising MANY service opportunities. Remember that service hours are mandatory, not optional.

SPS Social Media: Want up-to-date news on all of the good things happening at Saint Paul's School? Get event and classroom pictures, latest scores, calendar reminders, and spiritual uplifting by liking our Facebook page <https://www.facebook.com/St.Pauls.School.Covington.Louisiana/> or following us on Twitter @SPSWolfpack. The strength of the Wolf is in the pack! Many thanks to Mimi Montiero for maintaining our social media information.

New Year's Resolutions: Please make the following part of your New Year Resolutions!

- If your son is absent, phone Erin before 9 am at 892-3200, ext. 1280, & **SEND A NOTE when he returns.**
- Have your son check Lost & Found which contains: coats, sweaters, shirts, lunch boxes, belts, etc.

Courteous Driving: PLEASE!

School Zone Cell Phone Ban: It is illegal to use a cell phone in a school zone while driving. I see some students and parents driving in the morning and using a cell phone. This sets a bad example – and is illegal. Please do not drive on campus during school zone hours while using a cell phone. .

Cash Back Programs: Keep the following in mind when you shop:

- Office Depot: We received a \$250 store credit last week. We receive a store credit for each of your purchases. Give SPS name or number at the checkout. Our number is officially 70041640 but saying Saint Paul's will do. This will help a lot.

- **Amazon Smile:** This website, operated by Amazon, lets customers enjoy the same benefits of shopping on Amazon.com. The difference is that when using AmazonSmile, the AmazonSmile Foundation will donate 0.5% of the price of eligible purchases to the charitable organization of your choice – which we hope will be Saint Paul’s School! Click here to shop on AmazonSmile: <https://smile.amazon.com/ch/58-1638895>.
- **Box Tops for Education:** Each top is worth 10 cents – which adds up quickly. Thanks to the Math Department for promoting this painless way to help SPS financially..

And Speaking of Edline: Please check Edline regularly for important info about your son’s grade and SPS life. *Call Mike Holmes, Edline administrator, at 892-3200, ext. 1044 if you need assistance.*

Tutoring: The National Honor Society offers tutoring each Tue and Thu during ALL of Lunch in LaSalle Hall Room 205 and each Wed and Thu from 7:15AM in LaSalle Hall Room 212. It’s easier to be tutored early in the than to wait until later in the quarter. Get a jump on exam study by visiting our NHS tutors! The tutors and friendly and helpful! To borrow a line from a popular commercial “put these men to work!”

I Felt Sorry For This Parent: A parent approached me and said that his son lost two sweatshirts and did I have any idea of where they might be? I started naming places where I had seen sweatshirts: gym locker rooms (old and new), school offices, coaches’ offices, Horack Pavilion, La Salle Hall lobby – and then I pointed to a sweatshirt that someone had thrown on the rafter of our new gym! I’m amazed how many sweatshirts (and every other item of clothing imaginable) has accumulated all over campus – with NO NAMES written in them! And don’t even get me started on the accumulation of lunch boxes, flash drives, pencil cases, etc. I will start giving away unmarked things to those who want them. Parents: please put your son’s name on things and **stress with your son the need to be responsible with his belongings.**

Lacrosse: Please join SPS Lacrosse on Saturday March 11 as senior players and their parents are honored for their commitment and dedication to the SPS Lacrosse program. The presentation will begin at 6:30pm in Hunter Stadium followed by a 7:00pm varsity game against the Ocean Springs Greyhounds. A 5:00pm JV game will precede the event. Come out and support our LAX Wolf teams and their families!

Mothers’ Club Bookstore: The Mothers’ Club will open the bookstore at lunch on Friday, February 24, 2017 from 11:00 – 12:30, even though students do not have school. Also, the bookstore will be open on Saturday, March 4, 2017 from 10:00 – 12:00. Thanks to the MC for their devotion to the bookstore – the proceeds directly benefit the students of Saint Paul’

HOSA Request: Our newly formed club of future medical professionals makes the following request: Please consider joining the marrow donor registry if you are **between the ages of 18 and 44**. One online registration followed by four cheek swabs could match you to save a life. For an intro to joining the bone marrow registry, feel free to watch this 3-minute video! <https://www.youtube.com/watch?v=PR42e6IxjKo>

Want a detailed description of what is involved in signing up for Be The Match? Visit the SPS HOSA website! : <https://sites.google.com/stpauls.com/hosa/be-the-match-donor-drive?authuser=0>

One of the most common myths is that all bone marrow donation involves surgery. However, the majority don’t. Most are done without surgery, using a procedure called peripheral blood stem cell (PBSC) donation. The second way to donate is marrow donation, and that’s surgical. Whichever way you donate, you’d typically go home the same day.

And even though it's 2017, I will still close with a paraphrase from one of my favorite NPR radio shows (which I'm listening to now as I write and LOLing): well, it's happened again – you've squandered perfectly good time reading my ramblings!

Thanks for being part of Saint Paul's School! I wish you a blessed week!

Answer to Feb 24 Trivia Question: On Dec 19, 1998, President Bill Clinton was impeached by the House of Representatives. He, too, was later acquitted by the Senate. But you knew that!
