

MEET THE WOLVES

(Week 15)

It's now week 15 for "Meet the Wolves," and this week we are introducing **Wayne Galloway**. Wayne is a 16-year old sophomore from Covington, Louisiana who plays as forward for the Wolves. He is the son of Melinda and Ricky and the brother of Rebecca. Wayne brings another physical presence on the court being that he is also a member of the St. Paul's varsity football team. We also wish Wayne a speedy recovery as he is currently out after having a surgical procedure. To get to know a little more about Wayne, he was asked the following questions:

What is it about basketball that made you want to play in high school?

Wayne stated that he has loved playing basketball since he was a kid. He loves the energy and excitement that comes from basketball games.

What is your favorite or funniest SPS basketball memory so far?

As of right now, Wayne doesn't have many basketball memories due to his injury, but he stated that he is looking forward to making many great memories in the future with this program! His favorite St. Paul's memories right now come from the Friday night football games he's played in.

What are you looking forward to the most for this season? Any goals?

Wayne is focused on getting himself healthy so that he can play again and help the Wolves win a state championship.

How do you want your teammates to remember you?

When it comes to how he would like to be remembered, Wayne wants his teammates to remember him as a team player first, somebody that will do whatever it takes to win, and somebody that they can always count on, on and off the court.

If you could create a signature shoe, what would it be called?

Wayne stated he would partner with Nike for his signature shoe. The shoe would be called the “WG’s,” and they would have extra ankle support to eliminate the frequent ankle injuries that plague our Wolves. Good to see Wayne looking out for his teammates with this shoe!

Are you more of a round earth guy, or do you agree with Kyrie Irving that the Earth is flat?

Another week down and another round Earth debater. Wayne agrees that the Earth is round due to there being too much current evidence that says that the Earth is round. He feels there is not much out there to convince him otherwise.

Who is your favorite member of the Ball family and why? (Lavar, LaMelo, LiAngelo, Lonzo)

Wayne stated he is mostly a fan of the oldest brother, Lonzo because he is the most fun to watch play.

Do you have any plans after high school?

After high-school, Wayne plans to continue his football career in college. Although not narrowed down to where yet, Wayne does have the interest to study physical therapy or kinesiology as possible majors.
