Some of the Saint Paul's School Marian Players theater students recently took a whirlwind theater trip to New York City. The four-day jaunt included attending the Broadway shows "In the Heights," "The Lion King" and "Shrek, the Musical" and the off-Broadway show "Stomp." The theater tour also included a private musicaltheater workshop with a Broadway music and choreography team, a private seminar with a cast-member from the newest Tony Award-winning show "In the Heights," and a tour of Radio City Music Hall.

## SOUTHSHORE ALUMNI CHAPTER CHOOSE A PRESIDENT

Robert Ruel, President  
Class of '77

### *Comments from the President:*

As is the case with many Alumni, I lost touch with St. Paul's after graduation in 1977. Recently, I attended an Alumni Association Meeting and had the opportunity to spend time with many classmates that I had not seen in years. The meeting rekindled the many fond memories of my years at St. Paul's and prompted me to volunteer to assist with forming the South Shore Chapter of the Alumni Association. I look forward to working with the association to create a strong and functional chapter.

## Celebrity Waiters Dinner

On March 19, 2009, the Student Center will be transformed into a "Mardi Gras" gala. Who will win the prestigious "TOP WAITER" award or become the King & Queen of Mardi Gras?

This year's Honoree will be Tom Benson, owner of the New Orleans Saints. The annual event is sponsored by the St. Paul's Renaissance Board. The board is comprised of sixteen local business professionals who seek to develop a strong business/education partnership between St. Paul's and the local community.

Proceeds from this event fund the annual college tour, support for Habitat for Humanity, recognition luncheons for students, financial assistance for students, sponsorship of faculty members to professional conferences and workshops, financial support for student organizations, student seminars at area businesses, campus ministry projects, life skills workshops, and partial fulfillment of the budget to administer the Renaissance program.

Space is limited and tables are filling up quickly. For more info, please contact the Development Office at (985) 892-3200 ext. 1270.
