Mr. Kevin Moore, the sophomore level Chairperson, suggested several years ago that the sophomores should spend a day serving in the community in order to help others and to instill the value of service within his students. After the first service day was held three years ago, students, parent volunteers and those whom the sophomores served all expressed that they gained much from the day. This year's Sophomore Service Day was held on Friday, April 23rd with the help of faculty and over twenty parent volunteers. As in previous years, the students both enjoyed and took much from the day. The sites where the students served are as follows: Alpha House, Alton Elementary, City of Covington (The Cemetery and Bogue Falaya Park), Covington Elementary, Covington Fire Department, Fontainebleau State Park, Forest Manor Nursing Home, Habitat Restore, Heritage Manor, Lyon Elementary, New Heights Therapeutic Riding Center and Windsor Senior Living Center.

Over the Easter Holidays the Saint Paul's Marching Wolves and Concert Band competed at Disneyworld in Orlando. This is the first time they have competed in a major music competition. They received a rating of Excellent in both competitions. The comments received from the judges indicate that our music programs under the direction of Andrew Moran and his assistant James Brinkman are headed in the right direction.

On April 26th a concert was held at Saint Paul's under the direction of Andrew Moran and James Brinkman. The concert opened with the Saxophone Quartet playing the Star Spangled Banner and two other pieces. The Saxophone quartet was put together by sophomore Justin Dardenne.

This performance was followed by Mr. Moran's Percussion Class who played an original composition by Mr. Moran. This piece was performed on African drums.

James "Jimmy" Brinkman then lead the Jazz Band for a very entertaining performance of three songs. The Jazz band also sang Oye Como Va during their performance. Mr. Moran's Guitar Class came next with a mixed group of classical and electric guitars performing Samba No. 1. Sophomore Justin DiCharia then played a trumpet solo for the audience.

The Concert Band under the direction of Mr. Moran wrapped up the evening with an outstanding performance of five different numbers. During the Concert Band performance the band played and sang "O God Beyond All Praising" which has become the band's unofficial theme song. The evening was wrapped up with an impromptu performance of the Saint Paul's Fight Song.

To quote Brother Ray, "I can't say enough positive things about the Saint Paul's Bands Spring Concert. It was the best concert we've had in my 23 years as principal. ...The future of music at SPS is bright!"

Matt Mouton, Ethan Mizell, Scott Brewster, Christian Bergeron, Ryan Durr, Trey Weiss, and Collin O'Leary, had an outstanding fourth place finish at the LHSA 5A State Meet.

Matt Mouton was the District Champion, and others earning All District honors were Ethan Mizell, Scott Brewster, Ryan Durr, and Evan Bergeron. Matt Mouton went on to win the Metro Championship, with All Metro honors going to Ethan Mizell, and Scott Brewster. The Wolves had two All State performers, Ethan Mizell and Matt Mouton, with Matt as the 5A State runner up.

Matt and Ethan finish their high school cross country careers running into the Saint Paul's school record books with Matt having the fourth fastest time ever over a three mile course, and Ethan running the ninth fastest time ever. The future looks bright for the Wolves with a pack of talented junior high runners. The Junior High won the Northshore Metro championship title, with 8th grader Kraemer Jackson running the junior high two mile course in 10:40, faster then anyone in school history!

Matt Mouton qualified for State in the 3200, placing third, with a time of 9:55. Ethan Mizell finished fourth in the 1600, with a personal record of 4:36. The tables were turned, and the "servers" became the "served" during the school's annual Volunteer Appreciation Night. Faculty members donned waiter's uniforms and bow ties to serve the many members of the community who generously donated their time and talents for the benefit of countless school-related activities and events throughout year. Parents, alumni, grandparents, and other friends of Saint Paul's were treated to a delicious jambalaya dinner while enjoying selected live performances from the Marian Players' recent production of *Godspell*.
