The first moderator was Mary Pierson, mother of Chris Ashbey '01. Coach Luke Barwick moderated the team from 2003—2008 until he became the coach of Saint Paul's Golf Team. This team has become the backbone of the North Shore League, and is housed at the state of the art hockey rink on Deer Cross in Madisonville. Local competition includes Fontainebleau and Mandeville and South Shore teams include Jesuit, Brother Martin, Rummel and Ben Franklin. The 2009 team is coached by Lou Luzynski and Mike Stevens, father of Mike Stevens '11. The team manager is Nicholas Sibley, brother of Alexander Sibley '11. They play South Shore and Mississippi Gulf Coast teams to promote the sport throughout the region. Twelve teams competed weekly from January through March and the Hockey Wolves took second place in their division. This season's special recognitions went to: Amos Bartlett, Most Valuable Player, Michael Naccari '11, Most Improved; Team Player, Garrett Ollister '11; and Defensive Player, Michael Stevens '11. Recognizing Our Alumni Veterans

Our oldest living grad, Harry Friedman, Class of 1933, suggested that we recognize our graduates who have served in the military. Ken Breaux, Class of 1961, has volunteered to chair this project.

To accomplish this goal, we need your email response to the following questions; alumni@stpauls.com :

- ✦ Your name
- ✦ Branch of service in which you served
- ✦ The highest rank or rate attained
- ✦ Any decorations obtained while in the military

If you are aware of a classmate or friend who has served in the military, please send us any information you may have so that we may pursue contacting this Veteran.

This project is expected to be a permanent memorial placed on the Saint Paul's campus. This will be an ongoing effort for us to give proper recognition to all who have served and all who will serve our country. Thanks to Harry and Ken for the idea and work to date on this project.

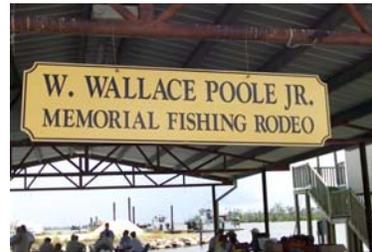

Golden Achievement Award

Saint Paul's School has once again been awarded the Louisiana State University "Golden Achievement Award" based on the spring testing performance of the class of 2009.
