A Message from Karen Whiteside, Special Events Coordinator

Jazz 'N Roll 2008 was a huge success. We had perfect weather and a very large attendance. One woman went home with a new addition to her family – the beautiful golden retriever and another family drove home in a new Mazda 6. What a night! A very special thanks to the faculty and staff of SPS, Ms. Wiggins and Ms. Hebert and all the Student hosts who were unbelievable this year. The band and the cheerleaders were fantastic. Also, to everyone that contributed to this event in any way - the parents, auction donors, restaurants, sponsors and attendees – each of you contributed in your own way and made this event special and so successful. Every single contribution attests to the dedication and support

of this school and its programs. I truly hope that everyone enjoyed themselves this year and realize how much our children do and learn from this family we call SPS. We hope to see you again next year and promise to provide extra surprises to make this event even more spectacular than this year. May God Bless you in all you do!

Covington Mayor Candace Watkins, Rusty Read '64 and his wife Cookie enjoy Jazz 'n Roll in the Student Center.

Junior Chris Barr, along with all of the Marching Wolves, entertained the crowd under the Wolf Dome.
