October 31, 2011

Gentlemen,

First, let me thank all of the committee member volunteers that were involved in the events in October, especially Homecoming and The Joseph A. Champagne/Gene Bennett Golf Tournament. What a fun filled and exciting month! Without your help, we would not have had such a rewarding and successful month.

We enter November with two of our sports teams, Football and Cross Country ranked number one in the state, so get ready for plenty of stiff competition on our way to the State Championships. Let's get out there and support our Wolves!

With so many events this past month, it was impossible to include everything in this issue. I hope you enjoy! GO WOLVES!

### *Archbishop Philip Matthew Hannan*

We thank God for the life of beloved Archbishop Hannan -- a good friend of the Christian Brothers. Archbishop Hannan graduated from Saint John's High School, a Christian Brothers high school, in Washington D.C. He was so devoted to Catholic education that the New Orleans Archdiocese named its last Catholic high school after him. While Archbishop, he visited every senior class in Catholic high schools and attended many Catholic high school graduations. He was a friend and leader. He lived and taught social justice. May his life continue to be a source of inspiration to us all! Archbishop Hannan! Pray for us!

# HOMECOMING

**Revelry was in the air recently as Saint Paul's students celebrated Homecoming Week beginning on Monday, October 17. To promote school spirit, the Student Council once again sponsored Dress-Down Days, where students could wear clothes and accessories to match a theme for that particular day: Monday was Pajama Day, with both students and teachers enjoying the comfort of their pajamas! Tuesday was Pink Day, which allowed students to wear pink clothing in support of Breast Cancer Awareness. In addition, during the morning's Pack Time gatherings, students learned about and discussed issues pertaining to the menacing disease. On Wednesday, students were encouraged to wear any types of Crazy Accessories they had, ranging from hats and ties to socks and belts. To brace for the cold that arrived on Thursday, students were allowed to wear any Ugly Sweater they owned. The fun culminated on Friday, which was an all-out Blue and Gold Day to help excite everyone for the Homecoming Game later that night.**

**In addition to a convincing 52-24 win over the Ponchatoula Green Wave, Saint Paul's had many other things over which to rejoice on Friday night. Foremost, as is the intent of any homecoming, the school welcomed back alumni dating as far back as the 1940s to as recently as last year, yet focused mainly on the Class of 1987, which celebrated their twenty-fifth Anniversary. To begin halftime, the Marching Wolves and Alumni Marching Wolves made a presentation to the Mouton family instituting a scholarship in honor of the late Mr. Roy Mouton. Mr. Mouton attended Southern University before becoming the band director at Saint Paul's, where he instituted the iconic "Southern Style" of playing and dancing that the Marching Wolves are known for. Following the presentation was the recognition of the Homecoming Court. For their performances, the Marching Wolves were joined by the alumni band members while alumni Golden Blues danced alongside the current Golden Blues. To conclude the weeks' activities, students in 10th, 11th, and 12th grades danced the night away with their dates on Saturday, October 22, at the annual Homecoming Dance.**
