

The President's Newsletter for May 4 - 10, 2015

Alleluia! He is risen

I shared the following with our faculty this week. The words are from a recent talk given by Pope Francis to a group of Italian teachers. The words could have been written by St. John Baptist de La Salle, as the Pope's view of the role of the teacher is exactly what our Founder had in mind. I pray that Saint Paul's remains faithful to the following words:

In a society that struggles to find points of reference, it is necessary that young people find a positive reference in the school. It can do so or become so if it has within itself teachers that are capable of giving meaning to the school, to study and to culture, without reducing everything only to the transmission of technical knowledge, but aiming to build an educational relation with each one of the students, who must feel accepted and loved for who he is, with all his limitations and potentiality....You must teach not only the contents of a subject, but also the values of life and habits of life. ...To learn the content, a computer is sufficient, but to understand how one loves, to understand what the values and habits are that create harmony in society, a good teacher is necessary.

Mon, May 4 (Assembly; C D E F)

- **Star Wars Day:** This is a day for *Star Wars* fans to celebrate the franchise's films series culture. The date was chosen as "May the 4th" due to its sounding similar to the series' phrase "May the Force be with you!" Who knew?
- **World Laughter Day:** Have a good laugh today! Laugh at me if you want! Or read the H of the W below.
- **International Firefighters Day:** We honor the unsung heroes and thank them for protecting our lives and property. Wear a blue and red ribbon today, symbolic of elements firefighters work with – red for fire and blue for water.
- **"Melanoma Monday"** (aka National Skin Self-Examination Day.) Check for skin cancer signs! Use sun bloc! As one who had a bout with skin cancer, I encourage all to get checked regularly. Thanks, again, to Dr. Baldone for doing screenings for us in the fall along with our wellness program.
- **National Hoagie and Oyster Day:** Enjoy either or both of these treats!
- **President's Assembly:** We are moving this to today in order to accommodate the AP seniors who would have missed their last assembly if we had it tomorrow.
- **Golf:** State Tournament through Tuesday. **Geaux Wolves!**

Tue, May 5 (Regular; G A B C)

- **TDIH:** Today, known as Cinco de Mayo, commemorates the victory of the Mexican Army over the French at the Battle of Puebla in 1862. The Mexican army was defeated, but the "Batalla de Puebla" came to represent a symbol of Mexican patriotism.
- **Student Host Recognition Luncheon:** Today at a pizza lunch in the BAC, we honor our Student Hosts -- an incredible group of young men who do so much for us. There's no way we can repay them. If you see a Student Host today, thank him for the year. And thanks to the Hosts' great moderator, Karen Hebert, too!

Wed, May 6 (Regular; Senior Final Exams Begin; D E F G)

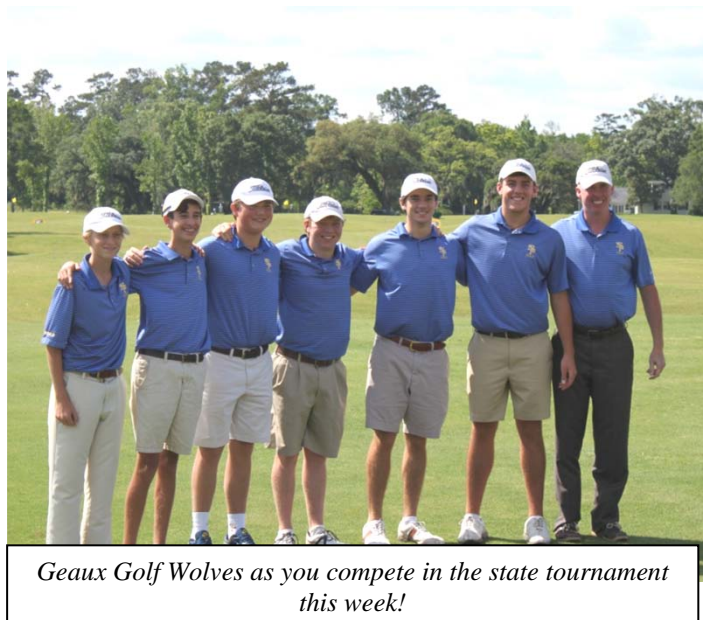

- **TDIH:** 1937, the German airship *Hindenburg*, the largest dirigible ever built, explodes as it arrives in NJ.
- **TDIH II:** Two years ago, representatives from Project Lead the Way came to campus to evaluate our implementation of their Biomedical and Engineering curricula. This led to Saint Paul's being the first accredited PLTW school in the state – a credential that is facilitating our students earning college credit for their work in these electives. That we are

achieved this after only three years is highly unusual and speaks volumes about Trevor's vision, the instructors' dedication, and the community's support. Since then, we have been on the "poster children" for PLTW!

- **National Nurses Day:** We honor all of those in the nursing profession day! Thank you!
- **No Homework Day:** SPS will NOT celebrate No Homework Day – do homework tonight!
- **Senior Final Exams (Math & Civics) / Graduation Practice with senior dismissal after practice**

Thu, May 7 (Regular; Senior Final Exams; A B C D)

- **TDIH:** 1915, a German submarine torpedoed without warning British ocean liner *Lusitania*, bringing the United States closer to entry in World War I.
- **National Day of Prayer** (First Thu of May): At SPS, every day is a day of prayer, but be extra prayerful today!
- **Senior Final Exams (Physics & Religion / Graduation practice with dismissal of seniors following practice)**

Fri, May 8 (Regular; Last Day for Seniors; E F G A)

- **TDIH:** In 1945, Great Britain and the US celebrate Victory in Europe Day. Cities in both nations, as well as formerly occupied cities in Western Europe, put out flags and banners, rejoicing in the defeat of Nazi Germany.
- **National No Socks Day:** OK with me if you celebrate today! Yes, I'm serious! Students are excused from wearing socks today – but I'm not announcing it. If they read their weekly newsletter, they'll know about it.
- **Senior Final Exam (English) / graduation practice.** Practice will last no later than 11. We will distribute caps & gowns and grad tickets. **We will withhold these if a senior has ANY obligation to the school.**
- **Sophomore Service Day:** Our sophs will spend today making our area a better place.
- **Pie Bowl:** Spring Football concludes today with the traditional Pie Bowl game.

Sat, May 9

- **TDIH:** The House of Representatives Judiciary Committee opens impeachment hearings against President Richard Nixon. They will ultimately vote to impeach him on July 30.
- **National Children's Mental Health Awareness Day:** Today is designed to raise awareness about the importance of children's mental health and that positive mental health is essential to a child's healthy development from birth.
- **Free Athletic Physicals** on campus this morning for our student athletes.
- **State Track Meet** – good luck, Wolves!
- **Memorial Service** for the mother of SPS alum Robin Rideau '83 will take place in chapel today at 10:30.
- **Band Concert:** Good luck to Andrew Moran, Jimmy Brinkman, and all of our musicians who will be performing this afternoon at 3. Try and attend. Our musical wolves are excellent and the concert does not last a very long time. The boys would love to see a packed BAC.

Sun, May 10 -- Happy Mother's Day to All Saint Paul's Moms! Honor mom by inviting her to church today!

- **TDIH:** In 1869, the first transcontinental railroad is completed.
- **Lupus Awareness Day:** Lupus is a debilitating, potentially fatal autoimmune disease capable of damaging virtually any part of the body, including the skin, heart, lungs, kidneys, and brain.
- **Fintastic Friday: Giving Sharks a Voice Day:** Who knew that sharks need help? Apparently as many as 100 million sharks are killed each year for their fins. Shark populations have plummeted 75% to 90% in many ecosystems. Worldwide, sharks have little or no protection. Don't kill any sharks today!

Mary's Month: May is traditionally devoted by Catholics to Mary, the Mother of God. How did this come to be? In many ancient cultures, May 1 was a day for spring festivals to celebrate the beginning of new life. For instance, the Greeks dedicated May to Artemis, goddess of fertility. The Romans dedicated May to Flora, goddess of springtime and flowers. To counter these pagan celebrations, the Church eventually came to celebrate May as the month of May. And know you know!

From the SPS Cafeteria: As per Archdiocesan Food Service policy, no checks will be accepted in May. Only cash will be accepted for student accounts. For students with a balance at the end of the year, the money will "roll over" to next year unless you specifically request a refund. Seniors with balances should request their refunds from the cafeteria. Remember that SPS does not administer the lunch program – that's done by the Archdiocesan Food Service.

Josh and parents enjoy final Honor Roll Breakfast of his SPS career!

Musings on Last Week:

- **Honor Roll Breakfasts:** Thanks for your cooperation. They were a treat. As many of you know, I usually use the HR breakfast to teach new vocabulary words and tie them into life lessons. For the last senior breakfast, I have the seniors do the same thing – only they have to choose the words. This year, they were so good that I had the boys deliver their words to ALL of the level breakfasts. Congratulate **Jack Dubreuil, Alex Harp, Connor Lu & Burke Irwin** who made outstanding presentations. Jack encouraged the HR students to be *altitudinarians* (those with lofty ideals) and not to *defenestrate* (through things out the window like good study habits). Alex enjoined his senior brothers to consider *quid pro quos* in life (the what for whats) such as studying gives good grades. He also asked the group to consider the *fait accomplis* in life – and to not wait for things to happen without having the opportunity to help shape things. Connor Lu taught us *boline* (a meteor that enters

earth's atmosphere) and *serendipitous* (come upon or found by accident; fortuitous) and spoke about the many positive serendipitous experiences he has had at SPS; finally, Burke Irwin contrasted *resume with eulogy* – and reminded all of us, that our eulogy won't concentrate of what we accomplished in life (a resume) but how we lived our lives as human beings who exhibited the right values as spouses and parents and people of good character. The boys spoke eloquently and convincingly – and seemed to enjoy themselves, too. I couldn't have been prouder. My work with them is done.

- **Pre-freshmen Retreat:** I've heard only positive things from students and staff, so congrats to all!
- **Level Officer Elections** were held last week. Congrats to the following class officers for 2015-16:
 - Senior President- Chris Barnett
 - Senior Vice-President- John Cresson
 - Junior President- Oliver Sibley
 - Junior Vice-President- Morgan Kinch
 - Sophomore President- Ashton Van Deventer
 - Sophomore Vice-President- Carson Caulfield
 - Freshman President- Josh Devier
 - Freshman Vice-President- Daniel Weisineck
 - Pre-freshmen will elect their officers at the beginning of the year in August
- **Baseball:** The 2015 season ended last week with a tough 5-4 playoff loss. We are proud of our District Champion Baseball Wolves!

- **Prom:** Thanks to all who helped make the Junior-Senior Prom a successful one. Joanna and the Student Council deserve kudos. I am appreciative to all who chaperoned.
- **Wolftracks:** Congrats to Danielle for another great Wolftracks – in both quality and quantity of pages!
- **Final Wolf Packs of the Year!** Thanks to Kevin and Gina for ALL the Wolf Pack activities this year.
- **Basketball:** the Wolves were on “The Lake” (94.7) radio last week and acquitted themselves in an exemplary way.
- **Golf:** A 3rd place finish in regional propels us into state this week!
- **Exchange Club Student of the Year Breakfast** was very inspiring. Nine outstanding St. Tammany Parish seniors were honored, including our own Maxwell Jefferson Gold.
- **End of Season Banquets** for Soccer, Lacrosse, Rugby and ROTC all went well! Lots of celebration last week!
- **The Maelstrom:** Congrats to Brad and the creative writing/artistic Wolves for another fine edition. Pick up a copy, read, explore, and enjoy.
- **Gymnastics:** No team championship this year, but Colin Skinner won 5 of 6 events to be named MVP of the meet. See Colin in action at:
<http://highschoolsports.nola.com/news/article/1119252128583079748/st-pauls-colin-skinner-talks-about-winning-boys-gymnastic-overall-points-video/> This is worth viewing!
- **First Friday Devotions:** All went well and were flexible with Friday’s funeral. Thanks, Religion Department.
- **Wolf Jam:** Thanks to Casey Fitzmaurice and Lane Sumrall for reviving this event and making it a success. Thanks to all who chaperoned. The net proceeds will be used to assist San Miguel High School in Tucson.
- **Stuff the Bus:** Thanks for your cooperation and support. We made a difference.
- **Key Club:** Our boys did two projects on Sat: served at the Kiwanis Terrific Kids Pancake Breakfast and cleaned up litter on 8th Ave. Well done, Key Club!
- **Teaching:** And in the midst of all of the activity, teaching and learning were taking place last week.

The Good Dept: Last week we received a \$25,000 grant from the Harry T. Howard Foundation to support our Biomedical Science Program. We would be hard pressed to have this program without this assistance. This is the final payment of a \$115,000 four year pledge on the part of the Foundation. We are most grateful. **We now must look for a sponsor for the program as we go forward. Pray that we find one – or let me know if you are interested!**

The Bad Dept: On April 29, the National Center for Education Statistics (NCES) released *The Nation’s Report Card: 2014 U.S. History, Geography, and Civics*, and the findings were bleak. Less than 30 percent of U.S. eighth graders managed to score proficient or higher on any of the assessments. Twenty-seven percent reached that level in geography; 23 percent did so in civics, and only 18 percent in history. The state of social studies education is bad.

Want to see some of the questions asked or take the tests yourself? Use the following website. Questions are searchable by subject, grade, year, and content area. Not only can you review, download, and print the questions, but you can also use the tool to create a student roster, make customized tests based on your own lessons, and measure student progress. Students can take the tests online, and teachers can analyze the results. The tool is available at
<https://nces.ed.gov/NationsReportCard/nqt/>

The Ugly Dept: The Centers for Disease Control reported last week that teen use of e-cigarettes TRIPLED last year, with over 13% of teen reporting using those devices – including some of our students. How sad! Read the CDC's report at <http://www.cdc.gov/media/releases/2015/p0416-e-cigarette-use.html>

Alum News:

- **Alejandro Otero '10** will graduate May 10 with a Bachelor of Chemical Engineering degree “summa cum laude” from Auburn University.
- **Ryan John Harlan '11** will graduate on May 15 with a Bachelor of Science in Chemical Engineering from Washington University in St. Louis.
- **Craig Henry '11** will graduate from The University of Mississippi with a Bachelor of Business Administration.
- **Harrison Richard '11** will graduate on May 10 with a BS in Economics from Duke University
- **Connor Rougelot '11** was named to the elite group called The Tiger Twelve at LSU. Being nominated is quite an honor but being selected as one of the twelve is quite an accomplishment. Heartiest congratulations to Connor Rougelot, SPS Class of 2011, for being named to the Tiger Twelve for 2015! The award should come as no surprise to those of us who remember Connor and his outstanding SPS career!

22nd Judicial District Judge Martin Coady presides over Law Studies Mock Trial last week.

Post Easter Holidays (NOT spring break!) Grooming and Dress Issues: Our guys are starting to look shabby. It's not summer yet and we will continue to enforce our rules until the end of school. Parents: please help by trimming hair, making sure he shaves (if applicable), check his uniform before he leaves and encourage good hygiene. Help us by insisting your son conforms to policy. And, no, I don't think hair regulation is more important than drug and alcohol regulations, but I'm not willing to ignore the less important rules that we have.

Senior Graduation Information:

- Monday and Tuesday, May 4 & 5: regular schedules for seniors; full days of school; elective exams in class.
- Wed-Fri: exempt seniors report for practice only.
- Wed, May 6: two exams in the morning; graduation practice in the afternoon; dismissal following practice. If all goes well, seniors will be dismissed well before 3.
- Thu, May 7: two exams in the morning; graduation practice in the afternoon; dismissal following practice. Again, if all goes well, seniors will be dismissed well before 3.
- Fri, May 8: one exam in the morning followed by short graduation practice and distribution of caps, gowns, and graduation ceremony tickets. **Each senior will be issued EIGHT (8) tickets. EXTRA TICKETS ARE NOT AVAILABLE. The tickets are handed directly to the senior on this day. We are not responsible for lost tickets and they will not be replaced. Tickets and caps/gowns will NOT be issued to any student who still has an obligation to the school. Seniors will be dismissed by 11 at the latest.**
- Mon – Thu, May 11-14: seniors **do not** report to school unless they are coming for an awards ceremony.
- Fri, May 15: Mandatory attendance at morning awards ceremony followed by final graduation practice.
- Sat, May 16: the 104th commencement exercises of The Saint Paul's School; 4 pm in the Briggs Assembly Center. Doors will open at 3 and **admission is by ticket only**. The beautiful ceremony, within the context of a Catholic mass, lasts about two hours.

- Note: Everything seniors need to know for graduation will be part of a printed set of instructions given to them on Friday, May 8th. I'll also email a copy to senior parents.

SENIOR PARENTS: From the Senior Class Moms: *Senior Grad night is quickly approaching us. On Wednesday, May 13th the Class of 2015 will be Celebrating together for the last time as a SPS Senior. We want to make it a very memorable time for them. If you have not sent in your donation for the afternoon of fun and fellowship, please do so by this Friday (May 8th). Our goal is for every student that attends to leave with a very generous prize!! Please send in your checks (made out to SPS Mother's club), gift cards or items to Mrs. Janet. You can even mail your checks or gift cards to Keri Peace (keripeace@charter.net). We are also in need of a few more sponsors for the food. Please contact Joel Juge at irjuge@gmail.com if you would like to send in a SAM's gift card. Thanking all of you in advance for your participation.*

From the Mothers Club:

- Our 3rd Annual Sidewalk Sale will be on Friday, May 15th from 9:00-4:00. Come take advantage of huge savings and great bargains with pre-owned uniforms, clearance items, and overstock sales! If you have any St. Paul's clothing items that you would like to donate, please drop them off in the bookstore (weekdays 7:15-8:00, 11:00-12:30, and 2:15-3:15) anytime between now and May 15th! Any unclaimed items in Lost and Found will be donated to the Sidewalk sale, so please ask your son to check for any missing clothing!
- The Cyberbullying Parenting the Pack presentation scheduled for May has been postponed until the fall. There are just too many activities going on in May!

The Subjunctive Mood and the Annual Fund: Last year, a parent sent me a NY Times article on the disappearance of the subjunctive mood in English (the "what" you are asking?) The subjunctive mood (the bane of English students everywhere!) is used express a wishful notion or a proposition contrary to fact: *If the man were rich, he could retire* (not

was rich, because he's not, and he needs the salary). The parent then wrote that I should use the subjunctive in my Annual Fund pleas:

If someone were to donate a million dollars to Saint Paul's, Brother Ray could stop begging for donations to the Annual Fund!

And I'll add this one: *If everyone were to donate even a small amount, Brother Ray could stop begging for donations to the Annual Fund!*

No gift is too small. I repeat: no gift is too small! What's important is that everyone participates. If you are contributing to the Capital Campaign or financially supporting SPS in some other way, I understand! Thanks. Can you send \$10 to Annual Fund so I can show an increase in participation?

And WE NEED GRANDPARENT SUPPORT! Thanks to those of you who are involving grandparents, whom I hate to ask personally unless you give me permission to do so.

Study finds brain changes in young marijuana users: Young adults who occasionally smoke marijuana show abnormalities in two key areas of their brain related to emotion, motivation, and decision making, raising concerns that they could be damaging their developing minds at a critical time, according to a new study by Boston researchers which was published during Holy Week in the Journal of Neuroscience, the official publication of the Society for Neuroscience. Here's a link to the full story: <http://www.bostonglobe.com/lifestyle/health-wellness/2014/04/15/casual-marijuana-use-creates-brain-changes-new-report-shows/X1cN8A7h5pOVJkeYkXTXIJ/story.html>

2015-16 Calendar: St. Tammany Parish Public Schools has published next year's calendar. They will begin on Fri, Aug 7. Accordingly, I have completed our calendar, which follows their calendar when possible. We must schedule 178 days per archdiocesan policy. **We therefore will start on Thursday, August 6 WITH A FULL DAY OF INSTRUCTION and NO book day – which corresponds to what we did this year. Please plan vacations accordingly.**

Paper Wolf Update: Read The Paper Wolf on line (www.thepaperwolf.com). Great stories this week on:

Important Driver's License Requirement: A new requirement was added to the driver's license issuance process for all minor applicants. All minor applicants must produce proof the applicant has either received a diploma or is currently enrolled in a high school program. This is done through a school attendance form from his or her high school prior to applying for a driver's license. These forms can be obtained in the administration building or the counseling center.

Several students went for licenses over the holidays and were turned away because they didn't have the form – in some cases they waited several hours before being turned away!

Free Money: Recently we received checks from Target and Office Depot representing rebates on purchases: Target gives a 1% cash rebate and Office Depot gives a 5% store credit. PLEASE: anytime you purchase at Target or Office Depot, indicate that your rebate go to Saint Paul's School! This is FREE money! You're not being charged extra.

H of the W:

- *How many of you believe in psycho-kinesis? Raise my hand.*

- *OK, so what's the speed of dark?*
- *When everything is coming your way, you're in the wrong lane.*
- *Hard work pays off in the future. Laziness pays off now.*
- *How much deeper would the ocean be without sponges?*
- *Eagles may soar, but weasels don't get sucked into jet engines.*
- *What happens if you get scared half to death, twice?*
- *Why do psychics have to ask you your name?*
- *Inside every older person is a younger person wondering, 'What the heck happened?'*
- *Just remember -- if the world didn't suck, we would all fall off.*
- *Light travels faster than sound. That's why some people appear bright until you hear them speak.*

Greater Lasallian World Dept: Louisiana educator Marc Milano has been named principal of Archbishop Rummel High School in Metairie, LA, beginning with the 2015-16 academic year. The announcement was made by the Archdiocese of New Orleans and Archbishop Rummel president Brother Gale Condit, FSC. Milano is a 1990 graduate of Archbishop Rummel and currently is the principal of Marie B. Riviere Elementary School, also in Metairie. He replaces Michael Scalco, who will conclude 14 years of administrative service when he retires at the end of June. Welcome, Marc, to the Lasallian world.

And even though it's now May of 2015, I will still close with a paraphrase from one of my favorite NPR radio shows (which I'm listening to now as I write and LOLing): well, it's happened again – you've squandered perfectly good time reading my ramblings!

Again, please let me know if there's an issue you would like me to address in my newsletters or a question you think applies to others. Know of my prayer for you and your family, especially as we march forward through 2015! Hard to believe we only have four more weeks in the school year! Again, thanks for being part of the 2014-15 edition of SPS!
