

The President's Hebdomadal *Blue Ribbon* Newsletter January 18 – 24, 2016 in the Year of Mercy

I hope your three day weekend is a pleasant one. Here's my annual Martin Luther King message:

In thinking about Dr. Martin Luther King, I annually remember one of his statements that has become a favorite of mine: *If a man is called to be a street sweeper, he should sweep streets even as Michelangelo painted, or Beethoven composed or Shakespeare wrote. He should sweep streets so well that all the hosts of heaven and earth will pause to say, here lived a great street sweeper who did his job well.*

Saint John Baptist de La Salle wrote a similar thought to the first Brothers -- and thus to us today. In his last *Meditation for the Time of Retreat*, Saint La Salle tells the brothers: *Oh! What glory there will be for those persons who have instructed youth, when their zeal and devotion to procure the salvation of children will be made public before all people! All heaven will resound with thanksgiving! Act, then, in such a way by your good and wise guidance of those who are entrusted to you, that you will procure all these blessings and all this glory for yourself!*

Just think if each of us did our job so well that *all the hosts of heaven and earth* paused to recognize our efforts! This must be our daily goal! I wish you a great week!

- **Day of Penance & Prayer:** The Bishops of the US have declared today, the anniversary of Roe v. Wade, as a Day of Penance and Prayer: penance for the

- **National Belly Laugh Day:** Celebrate the gift of laughter today!
- **National Compliment Day:** Let's all give each other compliments today – deserved or not!
- **National Peanut Butter Day:** Indulge!

Errata: In last week's newsletter, an omission and an error occurred – which the newsletter regrets:

- Senior Parker Layman was omitted from the review of the Jan 5 assembly. Parker gave a stirring oration to the student body as a senior entering his final semester. He exhorted all of the students, level by level, to make the most of their time here. He was inspiring.
- And the newsletter misspelled the name of sophomore Hanzala Hussain, who helped with the placement testing for next year's applicants. Sorry, Hanzala!

Life and Dignity of the Human Person: As we approach anniversary of the Roe v. Wade decision, it's most appropriate to remember the Church social teaching on the Life and Dignity of the Human Person. From the US Catholic Bishops Web Site: *In a world warped by materialism and declining respect for human life, the Catholic Church proclaims that human life is sacred and that the dignity of the human person is the foundation of a moral vision for society. Our belief in the sanctity of human life and the inherent dignity of the human person is the foundation of all the principles of our social teaching. In our society, human life is under direct attack from abortion and assisted suicide. The value of human life is being threatened by increasing use of the death penalty. The dignity of life is undermined when the creation of human life is reduced to the manufacture of a product, as in human cloning or proposals for genetic engineering to create "perfect" human beings. We believe that every person is precious, that people are more important than things, and that the measure of every institution is whether it threatens or enhances the life and dignity of the human person.*

Right to Life March: A number of Wolves will travel to Washington, DC this week with other students from the Archdiocese of NO to participate in this annual event. Their absences

Juniors prepare to leave for WW II Museum field trip, where they represented SPS exemplarily – and learned some history, too!

are excused. Encourage them in their “right to life” stance and assist them in making up any missed work. I thank the following for their willingness to participate: Quinn Arnold, Gavin Sabathier, Patrick Stewart, Addison Nick, Kyle Shiell, Christian Flick, Colin Hoy, Nicholas Oubre, Andrew Aceves and Mr. Tommy Lahey (chaperone). I apologize if I omitted someone!

PLAN Test: On Wednesday, all freshmen will take the PLAN test – which is a pre-cursor to the ACT and gives students (and us, too) an idea of how they will do on the ACT college admission test. Parents – please encourage your sons to take this test seriously; it will pay dividends in the future by identifying any weaknesses now, while there is still time to remediate.

Carline Patience: Please be patient in morning carline. I know everyone’s in a hurry, but a few cars have come too close for my comfort to students who are getting out of their vehicles. Thank you! Let’s pray for patience!

Report Cards & Honor Roll Breakfasts:

- **Report Cards** were emailed. Let me know if you did not receive a report card. Parent-teacher conferences are Feb 1, so email any concerns to teachers.
- **Honor Roll Breakfasts:** Here’s the schedule for the second quarter HR breakfast schedule:
 - **Tue, Jan 26** – Grade 12
 - **Wed, Jan 27** – Grade 11
 - **Thu, Jan 28** – Grade 10
 - **Fri, Jan 29** – Grade 09
 - **Wed, Feb 03** – Grade 08

Mass with Archbishop Aymond: The Archbishop has graciously accepted our invitation to celebrate an all-school mass **at 9:15 on Mon, Jan 25** – Feast of the Conversion of Saint Paul. **This will be a DRESS UNIFORM day. We have room for parents, so feel free to come if you wish.** We intend to make this very special and memorable!

Letters of Application: More unedited excerpts:

- *Whenever I walk around the campus or go to a football game at the school, I feel at home. It seems stress free.*
- From a parent letter:
Everyone we know has said that it’s the best decision they ever made.
- *The campus is so beautiful that I would love to be walking to each class admiring the beauty of the school.*
- *I am ready to see why everyone says St. Paul’s is a good place to grow up.*
- *I really hope St. Paul’s excepts me. [Well, we will have to work on his spelling!]*
- *I want to get away from girls, too. They get annoying and can be a distraction. They cause a lot of drama and trouble at my school. They always say that you like someone even though you don’t.*

Team Schech! Parish & District Champion Wrestler Team dedicated their wins to injured teammate Kyle Schech.

- *Although the sports programs at St. Paul's are wonderful, I am more interested in engineering and robotics.*
[This guy's in!]

Musings on Last Week:

- **Wolf Packs:** The students watched video clips of Dr. King's famous "I Have a Dream" speech – powerful rhetoric proclaiming powerful ideas. Discussion followed. This speech is always worth viewing and remembering!
- **Sudden Impact:** More sophomores experienced this powerful program.
- **WW II Museum Field Trip:** Another meaningful trip as our juniors study WW II.
- **Bowling:** In case you weren't aware, SPS joined the LHSAA Bowling competition this year. In prior years, we were just a north shore league bowling group. Now we are in full competition. Our keglers participated in a jamboree last week and are off to a good start. While they lost to Chalmette, they beat Holy Rosary. Our Coach is Peter Bertucci, father of freshman Peter and teacher/coach at SSA. Team members are Garrett Grass, Peter Bertucci, Jonathan Wellmeyer, Joseph Brown, Jared Kreeger, Jackson Cretin, Beren Perry & Matthew Aupied.
- **Soccer:** District win over Hammond, 8-0 (mercy rule invoked!) and trip to Orlando was great! SPS finished in second place in one of the top tournaments in the country. We are proud! Cathedral High of Los Angeles, another Lasallian school, was also in the tournament!
- **Wrestling:** Wolves acquitted themselves exemplarily, finishing in 2nd place at the prestigious LA Classic! Cole Houser was an individual champion. Geaux Wrestling Wolves!
- **Basketball:** Big district win over Covington with Harrison hitting the 1000 point milestone! Wanna see the 1000 point shot? Here's the link: <http://www.theneworleansadvocate.com/sports/p/14547341-123/st-pauls-wins-19th-straight-game-as-harrison-prieto-reaches-1000-point-mark>

Pre-freshman Fighting Math Wolves return from competition laden with ribbons and trophies! Geaux FMWs!

And the team also beat Ponchatoula on Friday and acquitted itself in an exemplary manner on 94.7 radio last Thu night!

- **Student Council:** Thanks to Joanna Case, Audrey Pool and SC Wolves for representing us well at the LASC convention this weekend. The group traveled to Pineville.
- **Lacrosse:** Proud of the lacrosse wolves for starting their season with a retreat over the weekend! Wonderful!
- **Fighting Math Wolves** were up and at 'em early Sat morn, heading to Bro Martin & returning with trophies and ribbons. Geaux Fighting Math Wolves!
- **Blood Drive:** Once again, wolves gave the gift of life; 29 pints were donated.
- **Homerun Club:** Lots of dads, coaches and baseball players worked on Heap Field, getting ready for the season.
- **Robotics:** Robo Wolves headed to Holy Cross on Sat for competition and returned with FIRST PLACE! Geaux Robo Wolves!
- **Rugby:** SPS 41; Mississippi 14. Wow. Geaux Rugby Wolves!

The Ugly Dept: Last Friday, a third Destrehan High School teacher was arrested on charges of having sex with a student. And also last week, two families sued Jefferson Parish Public School administrators saying they ignored bullying so extreme that it led to injuries for one student and a suicide attempt by the other. I'm astounded. Please know that we regularly review our safe environment policies (both legal and moral) with our faculty and staff. And we take bullying very seriously. Report any incidents immediately. We will act.

Humor of the Week: *Sniglets* this week – words that aren't in the dictionary but ought to be:

- **Toastaphobia:** *The fear of sticking a fork in a toaster even when it's unplugged*
- **Anniversorry:** *The act of buying presents make up for a forgotten anniversary.*
- **Pre-autoistic McConsumption:** *The tendency to start eating your French fries in the car on your way home.*
- **Idiot Box:** *The part of an envelope that tells where to place the stamp when you can't figure it out for yourself*
- **Ancinematation:** *The curious act of waiting in line to see a movie and watching exiting movie goers' reactions to see if they liked the movie or not*
- **Downpause:** *The split second interruption of rain as you drive your car under a bridge*
- **Lactomangulation:** *Manhandling the "open here" spout on a milk carton so badly that one has to resort to using the "illegal" side*
- **Cinemuck:** *The sticky substance on the floor of a movie theater.*
- **Doork:** *A person who tries to enter through a door clearly marked 'Exit'*
- **Magnacarta:** *The lonely car in lot that always attracts shopping carts*
- **Idiolocation:** *The spot on the map marked "You are here."*
- **Icealanche:** *The avalanche of ice that occurs when a glass or cup is tipped up to drink the last of the liquid*

Humbling Donation: Last week, we received a \$1000 donation from the estate of Mr. Alfred Eugene Sporn, who was a student here in the 1940s and who died recently. Mr. Sporn never graduated from Saint Paul's College, as it was known then, but apparently had fond memories of the three years he spent here. Thank you, Mr. Sporn! Rest in peace! We are grateful and pray that more grateful alums (and others, too!) remember us in their estate planning.

LHSAA: The drama continues! Friday's surprise announcement concerning the select-non-select football playoff system caught everyone by surprise. The drama will continue as the annual convention draws close. Stay tuned! I must admit, I don't miss dealing with the LHSAA one bit. It's Trevor's problem, now!

Student Writing: Senior Landon Waite paid our English department a compliment recently by telling me how easy it was for him to write his college essays. I thanked him and asked to read them. Here is his response to the following college application question: **Write on why you want to be a physician in 200 words or less.** 200 words are not a lot, but here's what Landon wrote in 189 words: *Galatians 5:13 says, "You, my brothers, were called to be free. But do not use your freedom to indulge the sinful nature; rather, serve one another." As people*

of God, we all are called to service. Each and every one of us has our own vocation; and through our vocation, we find our means of grasping the joy of living. My vocation, in this life, happens to be medicine. From my first Biomedical Science class freshman year, to my latest doctor's appointment, I have remained certain that the only way for me to discover fulfillment in this world is through spending my life helping to save theirs. The thought of any other profession poisons my happiness. I want to love the life I live; and medicine saves me from the plague of mere existence. I want to be a physician because I want to spend my life serving others and medicine is the only opportunity I see logical and instinctive. I know with every

fiber of my being this is my calling, God's will for me; and it is my duty to answer the call. Powerful, Landon!
Thank you!

New Year's Resolutions: Please make the following part of your New Year Resolutions!

- If your son is absent, phone Erin before 9 am at 892-3200, ext. 1280, & **SEND A NOTE when he returns.**
- Have your son check Lost & Found which contains: coats, sweaters, shirts, lunch boxes, belts, etc.

Important Driver's License Requirement: A new requirement was added to the driver's license issuance process for all minor applicants. All minor applicants must produce proof the applicant has either received a diploma or is currently enrolled in a high school program. This is done through a school attendance form from his or her high school prior to applying for a driver's license. These forms can be obtained in the administration building or the counseling center.

Sweatshirts & Cold Weather: **If your son needs one and you can't afford it right now, just have him come see me. This will be done confidentially.** ONLY SPS cold weather wear is accepted.

2016 - 17 Registration: Please note the following:

- **Current 8th graders:** registration information will be emailed during the week of January 25. **Current 8th graders planning to return for 2016 - 17 will have until Feb 05 (two weeks) to re-register.** Unregistered spots will be offered to new 9th grade applicants during February. I need to know your intentions about next year so I know how many new 9th graders we can accept.
- **Current 9th – 11th grades:** registration will take place in February, as soon as we return from Mardi Gras/Lenten Holidays. You don't need to do anything now
- **Current 12th grade:** You don't need to register for SPS for 2016 - 17! Rejoice!
- **Registration will involve the payment of the \$300 registration fee.**

Annual Fund: Many thanks to those who have responded to my request. For clarity, I offer the following:

- Almost **all private schools conduct annual funds**; many are high pressured; ours is not – but I need your support to keep it from being high pressured.
- The Annual Fund funds tactical, short term projects, e.g. technology, special programs (e.g. engineering). The Capital Campaign funds large infrastructure projects (the \$4 million La Salle Hall renovation and the \$4.5 million new gym.)

- You may “pledge” your gift and pay later or in installments (monthly, etc.). More and more families are using automatic credit card monthly payments of \$10 or \$20 dollars. **WONDERFUL!**

- While we don't send requests to grandparents, every year a number of grandparents do donate to the school. **AND WE NEED GRANDPARENT SUPPORT! If you would like to inform your son's grandparents of the drive, please do so – or provide me with an address and I'll personally appeal. I'll send them a nice "thank you" note, too!** Even a small donation (\$5!) is welcome.
- Gifts of stock are welcome.
- **No gift is too small. I repeat: no gift is too small!** What's important is that everyone participates.
- If you are contributing to the Capital Campaign or financially supporting SPS in some other way, I understand! Thank you for your generosity. Can you send \$10 to the Annual Fund so I can show an increase in participation?
- Please consider helping if you have not already done so and are in a position to do so. Many thanks!

Slytherin dunks in Quiddich game (no, that's not the name of the student! Ask your son if you need an explanation!)

PLEASE – SAFE DRIVING: Parents –let's start 2016 with a resolution for safe driving! Set an example for the students! Students – the neighbors are watching (and filming!) and we will take action! This applies at all times: after school, after practice, on weekends, at games, etc. Please obey the traffic laws: speed limit, no tailgating, no texting while driving, no cell phone use during school zone hours, buckle up, etc. Thank you!

School Zone Cell Phone Ban: It is illegal to use a cell phone in a school zone while driving. I see some students and parents driving in the morning and using a cell phone. This sets a bad example –

and is illegal. Please do not drive on campus during school zone hours while using a cell phone.

Cash Back Programs: Please keep the following in mind when you shop:

- Amazon Smile: This website, operated by Amazon, lets customers enjoy the same benefits of shopping on Amazon.com. The difference is that when using AmazonSmile, the AmazonSmile Foundation will donate 0.5% of the price of eligible purchases to the charitable organization of your choice – which we hope will be Saint Paul’s School! Click here to shop on AmazonSmile: <https://smile.amazon.com/ch/58-1638895>.
- Office Depot: Last week we received a \$500 store credit from customers who gave SPS ID at the checkout. Our number is officially 70041640 but saying Saint Paul’s will do. This will help a lot.
- Box Tops for Education: Each top is worth 10 cents – which adds up quickly. Thanks to the Math Department for promoting this painless way to help SPS financially..

And Speaking of

Edline: Please check Edline regularly for important info about your son’s grade and SPS life. Call Mike Holmes, Edline administrator, at 892-3200, ext. 1044 if you need assistance.

Tutoring: The National Honor Society offers tutoring each Tue and Thu during ALL of Lunch in LaSalle Hall Room 205 and each Wed and Thu from

7:15AM in LaSalle Hall Room 212. It’s easier to be tutored early in the than to wait until later in the quarter. Get a jump on exam study by visiting our NHS tutors! The tutors are friendly and helpful! To borrow a line from a popular commercial “put these men to work!”

Lost and Found: The accumulation continues. Sweatshirts, pants, belts, uniform shirts, many, many lunch boxes, books, art supplies, pencil cases, folders, flash drives, you name, it’s probably in our lost and found. Please put your son’s name on things and stress with your son the need to be responsible with his belongings.

The tournament is Feb 19 - 21. Deadline to register is Feb 13; sign up by Jan 22 for chance for your team to win two pair of tennis shoes, compliments of The Tennis Shop in Mandeville. Archdiocese of New Orleans Family Life Apostolate's FATHER-SON HUMAN SEXUALITY PROGRAM:

This program is Sun, Feb 28, from 5-8 pm at St. Peter Church in Covington. Fathers and their 12 – 14 year old sons are invited to grow together in God's special gift of human fertility and the wonder of growing up and becoming a man. Topics include: the changes in a young man's body as it prepares for fatherhood; the functions of the male and female reproductive systems; the sacredness of human life; appreciation and reverence for our sexuality and the virtue of chastity; and a confidential question and answer segment. The program is based on the teachings of Pope John Paul II's "Theology of the Body". The program, presented in an atmosphere of love and learning, explores the important topic of growing into manhood and establishes a foundation for continued communication between parent and child. Closing Quotations: It’s appropriate to close with a few additional MLK quotes:

- *A man who won't die for something is not fit to live.*
- *Our scientific power has outrun our spiritual power. We have guided missiles and misguided men.*
- *In the end, we will remember not the words of our enemies, but the silence of our friends.*
- *He who is devoid of the power to forgive is devoid of the power to love. There is some good in the worst of us and some evil in the best of us. When we discover this, we are less prone to hate our enemies.*
- *We must learn to live together as brothers or perish together as fools.*
- *Injustice anywhere is a threat to justice everywhere.*
- *The time is always right to do what is right.*
- *Darkness cannot drive out darkness; only light can do that. Hate cannot drive out hate; only love can do that.*

Now let’s go out there this week to be light and love to the children entrusted to our care, either as parents or teachers.

And even though it’s 2016, I will still close with a paraphrase from one of my favorite NPR radio shows (which I’m listening to now as I write and LOLing): well, it’s happened again – you’ve squandered perfectly good time reading my ramblings!

Thanking God Daily for the Privilege of Being the 17th Christian Brother President of Saint Paul's School

Quality education, inclusive community, respect for all, concern for poor & social justice, faith in God's presence – our mantras this week, throughout 2016, and always!

As Christmas 2015 fades into history, let us not forget the inspiration provided by the Student Council on luminaria night: *Ad Sum – God is here!*
