

Lasallian
Christian Brothers
FOUNDATION

Lasallian Christian Brothers Foundation

The primary purpose of the LCBF is to work with compassionate and committed donors to raise funds for the long-term health care and retirement needs of the senior Brothers in the south and southwestern areas of the SFNO District. The present average age of the forty eight Brothers is seventy seven years of age.

These Christian Brothers have given their lives to help give a Human and Christian education to the youth confided to their care.

Heading the local initiative is Brother Gale Condit, FSC, a former vice principal for development at St. Paul's High School who recently completed a four year appointment as president of Archbishop Rummel High School. He is now the director of the LCBF and primary liaison to the southwestern and southern areas of the District of San Francisco New Orleans. Interested parties may assist the Christian Brothers via individual gifts, planned giving or endowments. If interested please contact Brother Gale at bgale@lcbfoundation.org for more information.
