

We rejoiced this week over Michael's visit to campus. We continue to offer prayer and support as we prepare for his return to classes in a few weeks. Thanks to all who went to the airport to greet him and accommodated his visit on Friday. May all our Christian Brother saints intercede with Almighty God on Michael's behalf!

February 13 – 19, 2017

This Saturday, February 18, is the death anniversary, in 1564, of Michelangelo -- artist, architect, and sculptor. Commissioned by Pope Julius III to paint the Sistine Chapel ceiling, Michelangelo was also architect of part of the massive church of St. Peter in Rome, and he designed its great dome.

Michelangelo, however, thought of himself mainly as a sculptor. Two of his most famous sculptures are "David" in Florence and the "Pieta" in St. Peter. Michelangelo often saw potential in things other people did not see. On one occasion he was seen studying carefully what others saw as simply a large block of marble. Someone asked him what he was doing. He said "I can see an angel imprisoned in this marble and I must set it free." He then began the long and skilled job of carving a beautiful angel out of that marble.

Although Michelangelo lived one hundred years before St. John Baptist de La Salle, our Founder also saw potential in things that other people did not see. He saw the children of the "artisans and the poor" who were "far from salvation." While others did not care about these children, he knew they had potential. He founded the Christian school to develop that potential and change those "blocks of marble" into "beautiful angels." As Lasallians, we are called to do this work, to adopt the eye of Michelangelo in looking at our students. Who knows what potential is "imprisoned" in each of them?

In a Lasallian school, everyone is important; no one is insignificant. May we be the sculptors who, with God's help, release the beauty and potential of the young men of Saint Paul's School!

- **This Day In History:** In 1945, a series of Allied firebombing raids begins against the German city of Dresden, reducing the "Florence of the Elbe" to rubble and flames, and killing as many as 135,000 people. It was the single most destructive bombing of the war—including Hiroshima and Nagasaki—and all the more horrendous because little, if anything, was accomplished strategically, since the Germans were already on the verge of surrender. It inspires novelist Kurt Vonnegut to write his classic novel, *Slaughterhouse Five*.
- **TDIH:** In 1965, President Lyndon Johnson authorizes Operation Rolling Thunder, a sustained bombing of North Vietnam that he and his advisers had been contemplating for a year.
- **Basketball:** 9th, JV & Varsity at Mandeville (game was moved to Mon to accommodate parades on Friday)

- **Happy Valentine's Day!** Today we honor the life of St. Valentine – a saint shrouded in mystery. The Church recognizes at least three saints named Valentine, all of whom were martyred. One legend contends that Valentine was a priest in third century Rome. When Emperor Claudius decided single men made better soldiers than those with wives and families, he outlawed marriage. Valentine, realizing the injustice of the decree, defied Claudius and continued to perform marriages in secret. When Valentine's actions were discovered, Claudius ordered that he be put to death. Other stories suggest that Valentine may have been killed for attempting to help Christians escape Roman prisons. According to legend, Valentine sent the first 'valentine' greeting himself. While in prison, it is believed that Valentine fell in love with a young girl -- who may have been his jailor's daughter -- who visited him. Before his death, it is alleged that he wrote her a letter, signed 'From your Valentine,' an expression still used today. Although the truth is murky, the stories emphasize his appeal as a sympathetic, heroic, and, most importantly, romantic figure. In any event, celebrate those who you love today!

Eternal rest grant unto Abbot Patrick, O Lord, and let perpetual light shine upon him. Annual Fund: Many thanks to those who have responded to my request. For clarity, I offer the following:

- Almost **all private schools conduct annual funds**; many are high-pressured; ours is not – but I need your support to keep it from being high-pressured.
- The Annual Fund funds tactical, short term projects, e.g. technology, special programs (e.g. engineering). The Capital Campaign funds large infrastructure projects (the \$4 million La Salle Hall renovation and the \$4.5 million new gym.)
- You may “pledge” your gift and pay later or in installments (monthly, etc.). More and more families are using automatic credit card monthly payments of \$10 or \$20 dollars. **WONDERFUL!**
- While we don’t send requests to grandparents, every year a number of grandparents do donate to the school. **AND WE NEED GRANDPARENT SUPPORT! If you would like to inform your son’s grandparents of the drive, please do so – or provide me with an address and I’ll personally appeal. I’ll send them a nice “thank you” note, too!** Even a small donation (\$5!) is welcome.
- Gifts of stock are welcome.
- **No gift is too small. I repeat: no gift is too small!** What’s important is that everyone participates. Of course, no gift is too large!
- If you are contributing to the Capital Campaign or financially supporting SPS in some other way, I understand! Thank you for your generosity. Can you send \$10 to the Annual Fund so I can show an increase in participation?
- Please consider helping if you have not already done so and are in a position to do so. Many thanks!

Good News Dept: Last week we received \$12,400 from the Richard M. Krannawitter Trust. Mr. Krannawitter was a very successful attorney /businessman in New Mexico and brother-in-law of a Christian Brother. Upon his death, his estate established a Trust to pay the "tuition, education expenses and living expenses of youth" in Lasallian schools in the New Orleans-Santa Fe Province. Each Jan or Feb, Saint Paul's and our other province schools receive a check for this purpose. Join me in prayers of thanksgiving for this benefactor, who never stepped foot on our campus, but believed passionately in Lasallian education. Our work matters. Let’s not let Mr. Krannawitter down! **And let’s hope that other Mr. Krannawitters are out there ready to do their part in insuring that our Mission survives and is available to the financially less fortunate.**

Musings on Last Week:

- **Parent-Teacher Conferences:** I hope the time was positive for those who attended.
- **Tornado Emergency:** Our procedures worked well. We offer prayers of thanksgiving that we were spared and offer prayers for recovery for those who were not.
- **Speaker Series:** I missed the talk by Mr. Chip Levigne but heard he was excellent with the students.
- **Bowling:** SPS beat Hannan on Monday; Geaux Kegler Wolves!
- **Basketball:** Big win over Ponchy and tough losses to Chalmette and Slidell propel the Wolves into the final week of the regular season – where wins will still garner a district championship.

*Ian, Matthew & Deuce enjoy mangos in Spanish class.
Ole!*

- **Soccer:** A mercy rule win over Byrd lands the Wolves in the quarterfinals.
- **Human Trafficking Day:** I appreciate those who supported this day by going silent on social media, educating students in class, participating in the prayer service or just raising your own awareness. I congratulate and thank senior **Patrick Napier** for encouraging me to promote this day in school.
- **Mighty Michael:** Again, thanks to all who welcomed him!
- **Robo-Wolves:** 27 Teams in the BAC celebrating robotics. And the SPS Robo Wolves finished in FRIST place! Great job, Robo-Wolves!

- **Student Debates:** Congrats to Kim Gardner's Speech III class for their structured debates last week. I had the pleasure of watching them debate.
- **Mangos in Española!** Liz Brett's Spanish classes learned about this exotic fruit – and ate their lessons!
- **Baseball** played Jesuit on Sat and battled to a 2-2 tie. Season prospects look good!
- **Lacrosse:** Rumor has it we did well at Millsaps on Sat but I have no confirmed results. I need a lacrosse fan to send me scores so I don't get accused of ignoring our LAX wolves!
- **Wrestling:** Another strong showing – 4th in state! Connor Oviedo was 4th, Brandon Stein and Grant Hughes placed 3rd and STATE CHAMPIONS Jared Thieler, Shane Ulfers, and Cole Houser made us proud!

Power of the Positive Educator (and Parent): Here's the fourth of seven points that motivational expert Jon Gordon says all teachers should adopt in order to be effective which I am sharing with the faculty. I respectfully submit that they apply to parenting, too.

So far, we have had “Be Positively Contagious” and “Take a Daily Thank You Walk” and “Celebrate Success.” This week, it's “Expect to Make a Difference”:

When positive educators walk into their classroom, they expect to make a difference in their student's lives. In fact, making a difference is the very reason why they became a teacher in the first place and this purpose continues to fuel them and their teaching. They come to school each day thinking of ways they can make a difference and expecting that their actions and lessons will lead to positive outcomes for their students. They win in their mind first and then they win in the hearts and minds of their students.

Feb 08 Assembly: I hope the students enjoyed our Feb 08 assembly. Here's some of what we did:

- Entered the gym listening to a recording of the Saint Scholastica Choir singing a beautiful arrangement of “Amazing Grace” set to the music of Pachelbel's Canon in D. I told the students I was playing that song in honor of Saint Scholastica's feast day on Feb 10. I reminded them at SSA is our older sister, having been founded in 1903 versus our founding in 1911. I reminded them that Saint Scholastica was the twin sister of Saint Benedict, and both founded religious congregations that are over 1500 years old. I reminded the students that the Benedictine Sisters founded by Saint Scholastica are responsible for the start of Catholic education on the northshore, having provided faculties for SSA, St. Peter and Our Lady of the Lake. I encourage the boys to wish our sister school a Happy Feast Day on Feb 10 and thank them for continuing to be an educational force on the northshore. While the music was playing, **junior Jack Manifold** lit the candle to remind us of God's presence among us. We also prayed for the following who have left this earth recently to begin life in God's Kingdom: **Mrs. Kathy Powers., grandmother of sophomore Hunter LeBlanc, Mr. Tracy Davis, grandfather of senior Nick Davis, Mr. Marshall Piper, grandfather of sophomore Blake Ramsey, & Mr. Gregory Slaton, uncle of senior Steven Slaton and pre-freshman Spencer Slaton.**
- **We also prayer for Graham Thomas Jordan, SPS graduate of the Class of 2014. I told the students about the incredible outpouring of love and brotherhood for Graham and his family by his classmates. I projected part of an email I received from a former SPS parent about the funeral: *Resonating from the mass was the strong showing from the SPS community; past teammates, former class members etc. I watched my own two boys and so many others find strength and share sorrow in the singing of the songs familiar to them from SPS (Oh God Beyond All Praising and Rise Up Oh Men of God). This show of support and fraternal brotherhood is a direct by product of what you and your faculty have built at SPS. While I am so appreciative of the Catholic education my parents provided me, I still marvel at what I see from your (our) school. We will continue to support the Jordan family with our prayers and wishes. As you approach the next week, I hope that in some way you can balance the sorrows of Graham's loss with some measure of joy from seeing the behavior and support provided by the young men St. Paul's has guided.***
- And, of course, we prayed for Michael.

Cole Houser named The New Orleans Advocates Wrestler of the Week!

And even though it’s 2017, I will still close with a paraphrase from one of my favorite NPR radio shows (which I’m listening to now as I write and LOLing): well, it’s happened again – you’ve squandered perfectly good time reading my ramblings!

Thanks for being part of Saint Paul’s School! I wish you a blessed week!
