Saint Paul's School
Covington, LA

August 31, 2019

Alumni and Friends of Saint Paul's School,

As I am openly nostalgic by nature, it is no surprise that Senior Week was quite moving especially as a parent involved in the process. Box checked on the first born, but perhaps just as powerful as my personal experience was the interaction with other alumni who attended these events. Not just fathers, and grandfathers, but uncles and family friends were equally as touched by these moments which resurrected their past while celebrating the present and future of those close to them – truly an affirmation of the quality of the Saint Paul's experience.

I sincerely hope this finds you well, in the spirit of the Wolf, and eager to return home and check out the Saint Paul's of 2019. Please take a moment to look at some of the opportunities and upcoming events listed below.

Since 1911, thousands of young men have been blessed to call Saint Paul's School home. As we continue to celebrate the ownership of Saint Paul's by The Christian Brothers since 1918, we once again will host a monthly Alumni Profile. Beginning in February 2018, we introduced some of the many faces which have been woven into the alumni fabric that has helped make Saint Paul's a good place to grow up. For the previous alumni selected, [check our website](#).

George P. Naquin, Jr. '55

What is your favorite memory at Saint Paul's? I have many wonderful memories of my years at Saint Paul's and picking only one as my best is impossible. Sports meant a great deal to me, and although I didn't excel in any particular one, I enjoyed playing them all. The camaraderie of being on the team, the bus trips, etc, was exciting and good fun. Swimming in the old pool during summer vacation and lending a helping hand in building the gym with the Brothers are some memories that come immediately to mind.

Family: Married to high school sweetheart, D'Wana Marcotte. We have 4 children, 15 grandchildren, and 16 great-grandchildren!

What do you value most about your Saint Paul's education & experience? Most valuable to me was the solidification of my Catholic Faith while at Saint Paul's, which became most recognizable later on when I had some life experience under my belt. Saint Paul's College taught me to be a better Catholic as well as a better person.

Occupation: Retired Sales Manager of National Building Products Manufacture; Entrepreneur / Owner-Operator of several small start-up companies.

Who was your favorite most impactful teacher? Many including, Br. Alex, Br. Cassian, Br. Conrad, Br. Ephrem, Br. Harold, Br. Mark, Br. Ignatious, to name a few, but all of the Christian Brothers were important to me during my St Paul's years.

Is there anything you would do differently with your Saint Paul's experience if given the opportunity to go back in time? I would apply myself more seriously to the academics offered me and strive to excel in all my endeavors early in life.

What would you describe as your greatest takeaway from Saint Paul's? My academic standing was never of a stellar nature, so I was most surprised when Brother Ignatius asked me to enter a reading contest my sophomore year. He suggested I read The Celebrated Jumping Frog of Calaveras County and worked with me for several weeks in preparation. A minor miracle occurred when I won the contest. By my senior year, I was able to attain Honor Roll status. This one small success prompted me to become a voracious lifetime reader, which helped educate me beyond my formal schooling.

What advice would you give to current students or young alumni? Be Prepared! Learn and do your duty! Persevere! Pray Often and always! God's Will be Done!

Why would you encourage young men to consider attending Saint Paul's? I believe it is important to learn to become a moral man and that requires some proper guidance especially at a young age. The Saint Paul's experience provides this guidance abundantly.

Alumni Trivia Night

On the heels of our yearbook distribution evening to the Class of '19, a battle of the brainiacs ensued between our most recent graduates and a medley of slightly more seasoned alumni. Family ties, both biological and figurative in our fraternal sense, permeated the event which may or may not have been graced with the presence of a Mensa scout or two.

Many thanks to host Andrew Dart '03 for his command of trivia in all aspects, to Barrett Baumgartner '06 for his assistance, and to those contestants who braved the intellectual battleground. When the smoke finally dissipated from the neurons firing, we were able to identify the following winners:

First Place: Anthony Pennison '19, Stephen Millet, Jr. '19, Stephen Millet, Sr. '86, Cray Pennison '16

Second Place: Lenny Carrollo '19, Ben Seiden '19, Blake Ramsey '19

Third Place: Ben Toups '15, Matthew Baldone '15, Max Gold '15, Dave Gold

Alumni Board

108th Year of Existence!

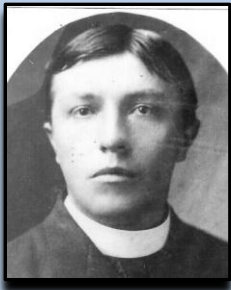

Over 100 years of Lasallian Education

The Brothers of the Christian Schools

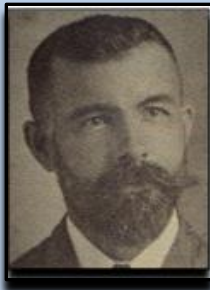

In 1911, Dixon Academy was purchased by The Benedictines of Saint Joseph Abbey and renamed to Saint Paul's College in honor of the patron of the Abbot of Saint Joseph's monastery. Father Augustine was named the first principal and on September 10th, Fathers Augustine, Adelbert, and Aemilian moved onto campus. As time went by, the Benedictines decided to concentrate their efforts at The Abbey and leased, with an agreement to purchase, Saint Paul's to the Brothers of the Christian Schools.

Nineteen French Brothers, previously living in exile, arrived in Covington during the summer of 1918. They were forced out of France due to government persecution of the Catholic Church in the early 1900's and moved to Mexico to start schools. During the Carranza Revolution in Mexico in 1914, the Brothers barely escaped with their lives and were scattered around the United States. When the Christian Brothers decided to purchase Dixon Academy, these nineteen Brothers were sent to Covington, LA. Br. Nilammon was appointed as the first Christian Brother President.

These pioneer Brothers worked long hours, not only teaching and guiding their students, but also staffing the school as carpenters, painters, plumbers, electricians, and yardmen. Inspired by the zeal of the founding Brothers, Saint Paul's has prospered. Saint Paul's has maintained its reputation for educational excellence established by the Benedictines and the founding Brothers. For a look at all of the Founding Brothers, click [HERE](#).

The Alumni Memorial Theater

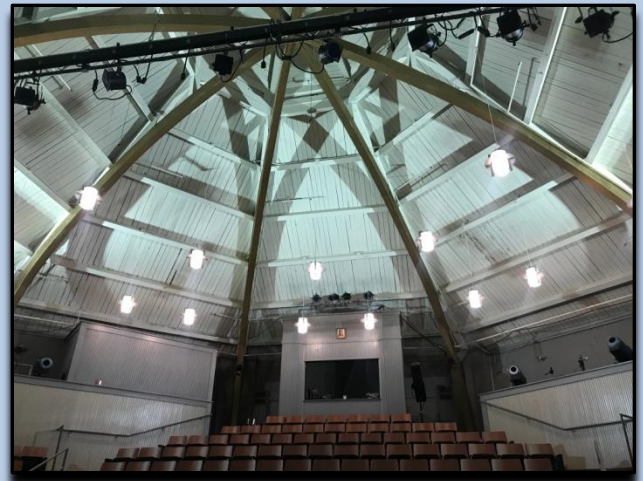

On Tuesday, May 7, The Greater New Orleans Foundation held their one day giving event, GiveNola. Saint Paul's School participated in this day in order to raise funds for improvements to the Alumni Memorial Theater. Over 110 partners contributed raising \$14,830. During the summer break, our electricians were busy with the upgrade and these funds made a difference!

New LEDs were installed on every column, so that the rotunda could be lit for pre-show and show time, with a variety of colors. A work light was installed over the stage and two side work lights were replaced with stronger LEDs so the students will have increased visibility during class. In addition, the bulbs over the seats were replaced to give the area a warmer look and feel.

This work could not be accomplished without the help of our supporters!
THANK YOU for your investment in Saint Paul's School!!

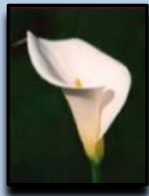

On the first day of school, lighting is much brighter for the students.

Seat lighting gives the area a new warmer look and feel.

"Help us Live Courageously!"

The theme of the school year is an executive decision made by President Brother Ray Bulliard, Principal Trevor Watkins, and Assistant Principal Joe Dickens. It is always something based on a basic principle of Lasallian pedagogy or values. "Blessed Brother James Milles, help us live courageously!" was chosen this year. On December 7, 2019, Br. James will be the first De La Salle Christian Brother from the United States to be beatified.

At the age of 37, Brother James (Santiago) Miller, was an American missionary in Guatemala. On February 13th, 1982, while repairing a wall for the Brother's school for Mayan Indian boys, three men approached Br. James and shot him, each emptying their guns to make sure he was dead. A few days after his death the De La Salle Brothers Regional Superior in Guatemala, Brother Paul, released the following statement to the press: "I want to state very clearly that Brother's death was no accident, Brother Santiago died for what he was and for what he stood for – A Christian educator, and apostle of the poor and underprivileged, a worker for justice and of social change."

Every other Tuesday, Brother Ray Bulliard, FSC conducts his assembly in the gymnasium for the student body. These assemblies recognize students for their accomplishments, but more importantly, always carry a spiritual message for all in attendance. The first assembly of the year is particularly special as the entire school welcomes the new pre-freshmen students with a standing ovation. In addition, the Student Council president and vice president bless all those in attendance and the faculty recites the oath of a Saint Paul's teacher.

On Thursday, August 15, the school participated in an all school mass celebrating the Solemnity of the Assumption of the Blessed Virgin Mary. Father Matthew Clark, O.S.B. Saint Paul's Chaplain, said the mass. After the homily, Father Clark recognized and blessed the senior

Extraordinary Ministers of Holy Communion who took over this role at the beginning of summer by doing the readings and serving communion at Sunday mass in the Our Lady of Peace Chapel. These eager young men who wanted to serve God have been trained by the Archdiocese of New Orleans. Briggs Cooper provided the music on the keyboard and Brady Meibaum served as the cantor.

Brother Ray's Annual Fund Appreciation Dinner

Saint Paul's School celebrated the generosity of the major donors to the 2019 Annual Fund with a gourmet meal on Wednesday, August 28th in the Briggs Assembly Center. Donors gathered for wine and hors d'oeuvres before taking their places at tables which were decorated with floral centerpieces filled with floating candles. Student Hosts served the gourmet meal provided by Benedict's Plantation including a salad wedge with blue cheese dressing, grilled fish served over crawfish rice, fresh asparagus and a medley of bite sized desserts. Members of the development and administrative teams welcomed the guests and served red and white wine. Brother Raymond Bulliard, FSC, President of Saint Paul's thanked the donors for their contributions while members of the Student Host organization supported Brother's comments on the Lasallian Core Principles with personal experiences from their time at school. Senior Week

Senior Week kicked off with the Senior Barbeque on Tuesday, August 20. The Mothers' Club planned and organized the evening under the Wolf Dome which consisted of food, fun, and friendship for all the seniors. Not only was the "BBQ" a chance to eat, the dinner was also a great opportunity for the seniors to come closer as a class.

On Thursday, August 22, the seniors, under a bright blue sky, symbolically strode up La Salle Drive in a ceremony our community refers to as the March through the Arch. Brother Ray Bulliard, President of Saint Paul's, explained how this ceremony commemorates the founding Benedictine Fathers and Christian Brothers that courageously started our school 108 years ago, and each and every student and faculty member that has graced the campus and left a mark on the legacy that is our school. Assistant Principal, Joe Dickens, then called out each senior, and the senior then proceeded through the arch and up the street while the entire student body watched. The seniors' passage underneath the arch marked the seniors' official acceptance of their role in Saint Paul's history.

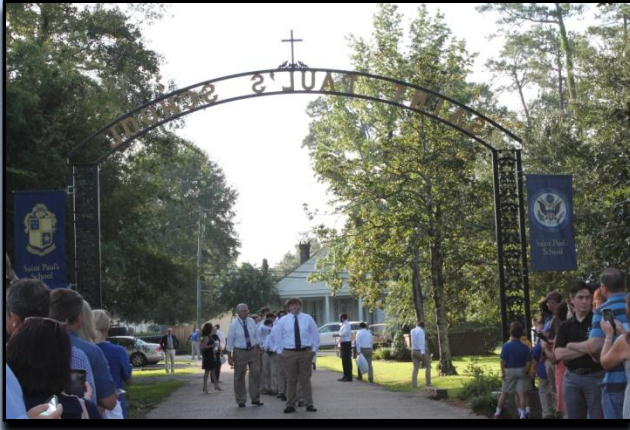

Later that Thursday night, the seniors assembled in the Briggs Assembly Center for the ring ceremony. After ordering their rings four months ago, the class of 2020 finally gained its trademark accessory: the senior ring. These rings linked the seniors with the school and with each other forever.

Get Involved Day

Inclusive
Community

Saint Paul's School held its annual "Get Involved Day" to help students find the perfect extracurricular activity. Clubs and sports teams lined the oak tree shaded walk from the main school building to the cafeteria during lunch. All of the various clubs and organizations, from robotics to band to Quidditch, and everything in-between, came out at lunch to encourage their fellow students to get involved on campus.

Students have the opportunity to ask questions and sign up for the various activities.

Brothers Alfred and Ralph

Brothers Alfred and Ralph are long time residents of the Retired Brothers Community, and biological brothers as well.

Brother Ralph turned ninety-nine on August 27th. He joined the Christian Brothers at the early age of thirteen, and proudly says that he has "Not regretted a day that I spent in service to others through my work as a brother." Ralph has been graciously and generously serving others for eighty-five years. He has taught in a number of schools including Lafayette, Denver, Santa Fe, Pittsburg, and Ontario. He also served in an administrative capacity in several schools, and even taught religion at Saint Paul's for a short time before "retiring" here.

Brother Alfred took simple vows when he was sixteen years old, and professed solemn vows at twenty-five. He has spent half of his career on this campus, as a teacher and a "retired brother." Brother Alfred turns ninety-six in September. He speaks with admiration about the founders of Saint Paul's, both the Benedictines and French Christian Brothers, "They put God first, even before the five core principles were articulated."

The student body received popsicles in front of the Retired Brothers Residence in celebration of the birthdays. Brother Ralph is seated in the back on the left. Brother Alfred is seated on the right.

Saint Paul's "CORE" Pack

One of the Lasallian Five Core Principles advocates "Inclusive Community". Beginning in the 2017-2018 school year, this pilot program was introduced in order to include children with developmental disabilities whose parents want them to have a Catholic education. It creates a program within a Catholic high school that meets the needs of those children who would not normally qualify for admission to a college preparatory school. "CORE" is an acronym for "Catholic Opportunity for a Responsive Education," while "Pack" is a nod to Saint Paul's wolf mascot.

The school day of the CORE Pack students, whose challenges include cerebral palsy, autism, Down Syndrome, fragile X syndrome and other genetic conditions, is tailored to the unique needs and interests of each boy. Each child has his own needs, so some students spend several periods in the CORE room, where they receive individual instruction in reading and math while others spend most of their day in regular classes, and simply go to the CORE room for additional support.

A key to the program's success is the large number of Saint Paul's students who have stepped up to volunteer as peer mentors. [See complete article.](#)
