Our cover artist for October is sophomore Beau Barré. In honor of Homecoming, a painting of a wolf seems very fitting. Beau keeps active with his studies and extra curricular activities. He is a mid-fielder for the JV Lacrosse team with hopes to make Varsity. He volunteers for both Saint Paul's Key Club and Student Hosts. In his free time, he enjoys fishing and boating. Beau would like to attend LSU and go to dental school to become an orthodontist.

# Veterans Plaque

In 2012, at the bequest and generosity of the estate of Mr. Harry G. Friedman Class of 1933, a memorial plaque was designed and hung in the Eastern hallway in the lobby of LaSalle Hall. It was dedicated to the Memory of Mr. Harry Friedman and that of his brother, USA Lt. Col. Joseph Bernard Friedman, Saint Paul's College 1935. Additional language on the plaque is as follows: *"Honoring the memory of all the Saint Paul's Alumni who practiced the values learned at Saint Paul's by their patriotic service in the United States Military."*

Nearly 200 Alumni are presently represented on the plaque which resides in the hallway of La Salle Hall adjacent to our former ROTC classroom. As Veterans Day approaches, we would like to once again petition our Alumni base to identify any additional veterans and give proper recognition to all who have served our country.

If you are a veteran and would like to be recognized on the plaque, please email your response to the following to [aln@stpauls.com](mailto:aln@stpauls.com) :

- Your name
- Branch of service in which you served
- The highest rank or rate attained
- Your year of graduation or years spent at Saint Paul's

Further, if you are aware of a classmate or friend who served, please send us any information you have regarding that person including contact information. Any active military, please let us know when your service ends, or upon retirement, in order to ensure that the accurate rank is denoted on the plaque.

Many thanks to the Friedman family and for our Alumni who have so bravely served the greatest country the world has ever known.

NOTE: The plaque will be updated annually, and the deadline for this year's submission is Veterans Day, Monday, November 11, 2019. The goal is to have the updated names available for display by our return to school the first week in January 2020.

If you are not sure whether your name is on the plaque at this time, or for any additional questions, please do not hesitate to contact Al Nastasi at [aln@stpauls.com](mailto:aln@stpauls.com) or 985 892-3200 ext 1971.

# Grandparents Day

Inclusive  
Community

Saint Paul's annual celebration of Grandparents Day was held on Friday, October 11. The celebration is meant to bring families together and share the tradition and values of Saint Paul's School. Hundreds of students gathered in the Briggs Assembly Center with their grandparents following an early school dismissal.

School President Bro. Ray Bulliard, FSC provided opening remarks for the celebration and welcomed Blake Bollinger and his brother, Brady, to lead everyone in an opening prayer. The event included a performance by the Liturgical Band and JROTC Cadets. The Mother's Club provided food and drinks, music, and decorations. As always, Bro. Ray spoke with great eloquence to students and their grandparents. Bro. Ray challenged students to share the important and remarkable aspects of student life at Saint Paul's with their families, especially their grandparents.

On September 25-26, the Speech and Debate Wolves, briefly known as the Lupine Interlocutors, competed in the Holy Cross Tournament in New Orleans, a tournament featuring teams from multiple states. Over the course of two days, Ian Kramer, Cameron Dougherty, Johnathon Sheffield, and Hal Fox took on all

comers over whether or not the European Union should join China's Belt and Road Initiative.

Despite the stiff competition and the fact that the team was competing in their first tournament of the year, the S&D Wolves shook off the rust and posted a combined record of 7-5. Hal Fox and Johnathon Sheffield advanced to the round of eight before withdrawing so that they could make it for Homecoming on Saturday night. While vanquishing foes in the fine art of disputation is important, Homecoming is even more so. Saint Paul's School received a grant from [Bentley Systems](#) for supplies needed to enhance the Project Lead The Way classes. These items included tablets for the Computer Science curriculum, supplies for VEX robotics, and design kits for the pre-freshmen students to complete the activities and projects contained within the Gateway Design & Modeling curriculum. The grant was presented to Saint Paul's President, Brother Ray Bulliard, FSC by Mr. Dustin Parkman, a representative of Bentley Systems and parent of 9<sup>th</sup> grade student Kye Parkman.

Bentley Systems is a software development company that supports the professional needs of those responsible for creating and managing the world's infrastructure, including roadways, bridges, airports, skyscrapers, industrial and power plants as well as utility networks. Bentley delivers solutions for the entire lifecycle of the infrastructure asset, tailored to the needs of the various professions – the engineers, architects, geospatial professionals, planners, contractors, fabricators, IT managers, operators and maintenance engineers – who will work on and work with that asset over its lifetime. Comprised of integrated applications and services built on an open platform, each solution is designed to ensure that information flows between workflow processes and project team members to enable interoperability and collaboration.

# A Few Good Men

*A Few Good Men* continued a tradition of theater that has lasted for 32 years thanks to the Marian Players, a group dedicated to Saint Paul's that sets up two productions every year. The play showcased on: Thursday, Oct. 17 at 7 p.m., Friday, Oct. 18 at 7 p.m., Saturday, Oct. 19 at both 2 p.m. and 7 p.m.; Wednesday, Oct. 23 at 7 p.m., Thursday, Oct. 24 at 7 p.m., and Saturday, Oct. 26 at both 2 p.m. and 7 p.m.

It was directed by Gordon Carmadelle and is based on the 1989 Broadway play written by Aaron Sorkin that was later made into a 1992 legal drama film.

The play is the story of a court-martial of two United States Marines charged with the murder of another Marine and the hardships of their lawyers as they prepare a case to defend their suspects. Carmadelle said that he picked the play because of the solid material,

challenge for the actors, and ability to entertain it has to offer. With a plethora of talented actors from which to choose, Carmadelle said that he had to make some tough calls but believes the actors and actresses are well suited and have great character. Cast members included: Jake Holincheck as Lt. J.G. Daniel Kaffee, Elizabeth Knight as Lt. Cmdr. Joanne Galloway, and Ethan King as Col. Nathan R. Jessep. Other members of the cast are: Clayton Cockfield, Ryan Daly, Gavin Dominique, Cooper Estrade, Reece Grimley, Trey Harkans, Bennett Hayes, Davis Lagarde, Dylan Martin, Brendan McNeil, Brady Meibaum, Sean Noel, Nicholas Reardon, Gabe Simpson, Elias Simpson, Joseph Thompson, Zachary Van Zandt, and Brock Zornes. Members of the crew included: Callan Danenhower, Kason Gorney, Michael Lucio, Kalean Novak, Daniel Nunez, Noah Soule, and Daniel Whalen. *A Few Good Men* was directed by Gordon Carmadelle with assistance from Barrett Baumgartner.

# Journalism Conference

On the walls of the Saint Paul's media room, where the *Conifer* yearbook, *Guerilla Wolves* sketch team, and *The Paper Wolf* student news clack away at keyboards, prizes awarded at journalism conferences held in places ranging from LSU to Loyola to Columbia University in New York fill the space, leaving room only for windows and a cabinet containing even more trophies.

Founded in Aug. 2012, *The Paper Wolf* online newspaper has racked up journalism awards since its first year. "Our journalism staff puts out an excellent paper. *The Paper Wolf* has been recognized by the Columbia Press Association and has received numerous awards from the Journalism Education Association," said Kim Gardner, faculty adviser of *The Paper Wolf*.

The journalism program at Saint Paul's helps students to sound out whether or not they would like to pursue writing as a career. "I've always enjoyed writing, and writing for a paper is such an interesting and unique experience. Putting your work out and informing people on what's going on in the world around them, be it national or right at the school, is so gratifying. I'm seriously considering going into a career in journalism because of my experiences writing for *The Paper Wolf*," said senior and staff writer Luke Vargas.

Of course, *The Paper Wolf* is not the only accomplished part of the Saint Paul's media program. The *Conifer* yearbook has also won many awards in recent years at journalism conferences. The *Conifer* yearbook and *The Paper Wolf* attended the Loyola JEA Journalism conference on Sept. 26, where senior Sam Glynn won first place for news writing, and Jaxon Beck was awarded second place for news writing. Graduate John Paul Boyer won first for student life spread and news photography, Landon Rees won second for news photography. Jordan Eberts, 2019, won first for sports photography, while Sam Glynn, class of 2020 won second for feature photography. The *Conifer* also won second-place awards for news writing, news photography, and feature photography. Nicholas Briggs, class of 2019, won second place for his art that served as end pages for the yearbook with the comment, *Lovely original artwork with a great theme and tie-in to school mascot. Took time and dedication.* The judges at JEA wrote, "The yearbook really tells the story of the school with writing that conveys the experience of attending."

*Conifer* faculty adviser Mimi Monteiro and *The Paper Wolf* faculty adviser Kim Gardner are committed to making the yearbook and school paper a learning experience that gives students hands-on experience with journalism and writing.

# The Saint Paul's Story

To celebrate the anniversary of 100 years of Lasallian Education at Saint Paul's School, a historical account of those years has been written. Volume I was originally written in 1968 to celebrate fifty years and Volume II continues the story to 2018. From Br. Nilammon Laurent, FSC, the first Christian Brother President, to the seventeenth Christian Brother President, Br. Ray Bulliard, FSC, this story chronicles the history of the school. From fifty-seven students to over 850 students, from the first newspaper, the *St. Paul's Paper* to the current student news, *The Paper Wolf*, and from a school with four sports teams, basketball, baseball, football, and track, to a school with over fifteen teams, Saint Paul's remains to be a "good place to grow up"!
