

Saint Paul's School  
Covington, LA

August 31, 2020

Alumni and Friends of Saint Paul's School,

What a blessing to be back on campus with the students and have the 2020-21 school year underway! While some things are "different", our Lasallian traditions, values, and principles continue to light the way. Thank you for your

unwavering prayer, support and brotherhood. Although you will not see a complete calendar of events just yet, we continue to work diligently on alumni affairs, look forward to hosting you at our conventional activities when possible, always welcome hearing from you, and are immensely excited

to host our annual Joseph A. Champagne, Jr. / Gene Bennett Memorial Golf Tournament on Friday, October 9, 2020 at Tchefuncta Country Club.

Entries have been rolling in but there are a few teams still available. Please do not hesitate to contact me regarding the remaining availability, sponsorship opportunity, or if you would like to attend as a social guest. For additional information, [visit our website](#).

Reunion planning for the class years ending in a 5 or 0 took quite a turn in the spring and continues to be evaluated on a class by class basis. Additional information will be forthcoming when appropriate. Many thanks for all efforts and patience involved. Further, this year will also celebrate the 6 and 1 years. Preliminary planning is underway.

As always, should you have any questions or wish to be of any assistance, please do not hesitate to contact me at [aln@stpauls.com](mailto:aln@stpauls.com) or by phone at 985 892-3200 ext 1971.

Since 1911, thousands of young men have been blessed to call Saint Paul's School home. As we continue to celebrate the ownership of Saint Paul's by The Christian Brothers since 1918, we once again will host a monthly Alumni Profile. Beginning in February 2018, we introduced some of the many faces which have been woven into the alumni fabric that has helped make Saint Paul's a good place to grow up. For the previous alumni selected, [check our website](#).

## Keith Frentz '96

**What advice would you give to current students or young alumni?** Slow down your life, if possible, while attending Saint Paul's. Your time at school will fly by before you even know it. Cherish it as much as you can. Be involved as much as possible, whether sports, the band, student council or whatever floats your boat!! Saint Paul's memories will last FOREVER!!

**What do you value most about your Saint Paul's education and experience?** Saint Paul's gave me the fundamentals and tools to be successful in college and thereafter. Challenging teachers and classes helped prepare me for college professors & strict culinary chefs! I have had lasting friendships with students, teachers & brothers since graduating in 1996. Saint Paul's helped shape the person I am today.

**Education:** Associates degree in Culinary Arts from Johnson & Wales University; Bachelors degree in Hospitality Management from Southern Mississippi University.

**In what ways do you continue to be involved with Saint Paul's at this phase of your life?** Since owning LOLA Restaurant, not far from campus, I am often called upon to help cater various school/alumni events. I have become close to Al, and love helping out whenever possible whether catering homecoming events, alumni dinner meetings or even judging the annual crawfish boil. Also, we tend to hire a lot of current or past Saint Paul's students at LOLA.

**Do you have any other current family members attending Saint Paul's?** Not currently, but I CANNOT wait for my son Holden to attend. He and I have been talking about it for years, and he's only 7.

**Family:** Married to Nealy Frentz; one daughter, Ella, and one son, Holden.

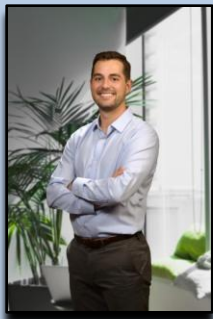

**Is there anything different you would do with your Saint Paul's experience?** The answer is YES. I would go back in time and start Saint Paul's in the 8th grade. My parents enrolled me in the 10th grade as they thought I was not getting the proper high school education. They were absolutely correct in switching me over. I could not thank them enough!

**Occupation:** Co-owner and Chef of Lola Restaurant in Covington.

**Why would you encourage young men to consider attending Saint Paul's?** Number one reason, EDUCATION AND STUDENT LIFE! Saint Paul's is constantly raising the bar on education, sports, band and extracurriculars. Saint Paul's is a place where you start as a young boy and graduate into a young man--a place where you can be yourself. Whomever you are, you will be accepted. Saint Paul's will lay the groundwork and give you the foundation for a successful transition into college or whatever career path you may choose. Saint Paul's is a no brainer when it comes to choosing a high school to attend! Oh yeah, if you play soccer, we are the BEST in the state!

**What is your favorite memory at Saint Paul's?** It is kind of hard to pinpoint one memory while at Saint Paul's. For starters, hanging with all my friends before, during and after school -- playing soccer for Coach Watkins and cutting up in his Spanish class ---constantly laughing and sometimes crying with fellow students, teachers and brothers. But probably the funniest & most memorable moment was 10th grade PE with Coach Brennan. We were stretching before class & someone scuffed his tape. He must have said "WHO SCUFFED MY TAPE" a thousand times that class. He made us run laps in the old gym for the entire class till someone confessed. Finally, someone did & made him run to the office with his mini Saint Paul's football shirt on. Oh dear!

**Dr. Tyler Mesa '08** - After completing his pediatric dentistry residency at Children's National Hospital in Washington, D.C., Dr. Tyler Mesa '08 has recently joined the practice of Dr. Todd Brasuell. Dr. Brasuell is a long time friend of Saint Paul's whose son Reid '20 just graduated and is embarking on his collegiate career at LSU

**Nick Ashton '17** - Saint Paul's alumnus and current LSU mass media student, Nick Ashton, recently returned to campus to offer some insight to the current staff members of The Conifer and [The Paper Wolf](#) on the benefits of studying journalism. Nick served as editor of both student publications while attending Saint Paul's School and shared his experience as a journalist with our students.

**Our newest alumni**, the class of 2020, earned over twenty-three million dollars in scholarships to 122 colleges nationwide. Check out the list of colleges [here](#).

**Danny Fields '01** – Danny has created a consulting firm that serves local and national clients with philanthropy advising, business development, public affairs and corporate social responsibility practice. [See complete article.](#)

**Kirk Bodenheimer '07** – Kirk and his wife, Jolie, welcomed their first son, Kirk III, who joined his older sisters, Brooklyn (4) and Brynn (2) on August 24, 2020.

**Clay Harvin '07** - Clay and his wife, Gabrielle, were wed on August 15th, 2020 at the White Magnolia in Kentwood, Louisiana.

**Brandon Pierce '13** – Brandon Pierce recently won the Emerald Coast Tour event at Marcus Pointe in Pensacola, FL. It was his second win in less than a month as he won the Rocky Bayou Classic last month.

# 110 Years of Existence!

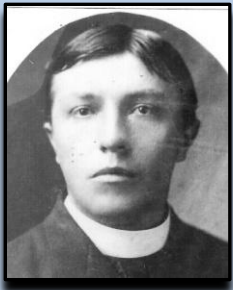

## Over 100 years of Lasallian Education

### The Brothers of the Christian Schools

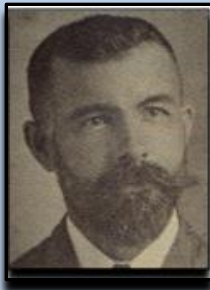

In 1911, Dixon Academy was purchased by The Benedictines of Saint Joseph Abbey and renamed to Saint Paul's College in honor of the patron of the Abbot of Saint Joseph's monastery. Father Augustine was named the first principal and on September 10<sup>th</sup>, Fathers Augustine, Adelbert, and Aemilian moved onto campus. As time went by, the Benedictines decided to concentrate their efforts at The Abbey and leased, with an agreement to purchase, Saint Paul's to the Brothers of the Christian Schools.

Nineteen French Brothers, previously living in exile, arrived in Covington during the summer of 1918. They were forced out of France due to government persecution of the Catholic Church in the early 1900's and moved to Mexico to start schools. During the Carranza Revolution in Mexico in 1914, the Brothers barely escaped with their lives and were scattered around the United States. When the Christian Brothers decided to purchase Saint Paul's College, these nineteen Brothers were sent to Covington, LA. Br. Nilammon was appointed as the first Christian Brother President.

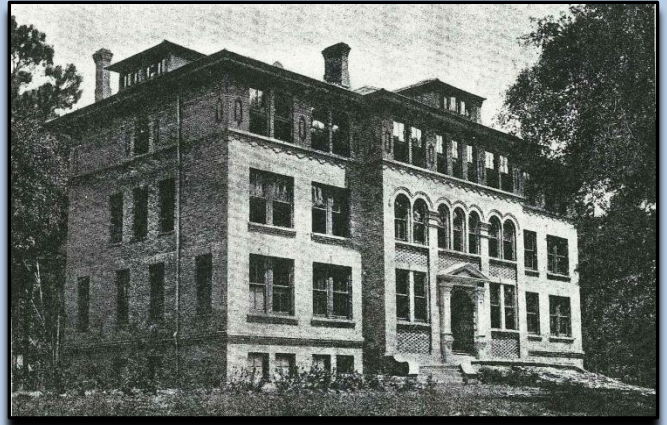

These pioneer Brothers worked long hours, not only teaching and guiding their students, but also staffing the school as carpenters, painters, plumbers, electricians, and yardmen. Inspired by the zeal of the founding Brothers, Saint Paul's has prospered. Saint Paul's has maintained its reputation for educational excellence established by the Benedictines and the founding Brothers. For a look at all of the Founding Brothers, click [HERE](#).

Originally, The Greater New Orleans Foundation scheduled their one day giving event, GiveNola, on Tuesday, May 5. Due to the impact of COVID-19 on the Greater New Orleans area at the time, the decision was made to postpone the event to Tuesday, June 2. Saint Paul's School participated in this day in order to raise funds for Tuition Assistance.

Because of the pandemic, many families are facing hard financial decisions about providing a Catholic education to their sons. At Saint Paul's School, we

believe students will benefit from a faith-based education more now than ever. Over seventy-five partners contributed raising \$13,285. These funds help ensure the young men entrusted to our care will continue to receive a quality Lasallian Catholic education. This work could not be accomplished without the help of our supporters! THANK YOU for your investment in Saint Paul's School!

# School Opens!

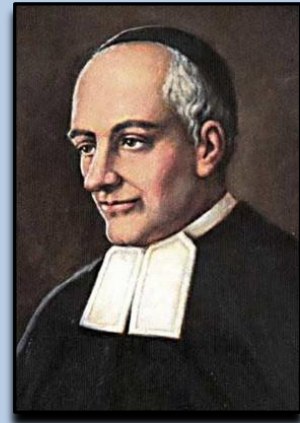

## *"Help us Respect All People!"*

The theme of the school year is an executive decision made by President Brother Ray Bulliard, Principal Trevor Watkins, and Assistant Principal Joe Dickens. It is always something based on a basic principle of Lasallian pedagogy or values. "Blessed Brother Scubilion, help us respect all people!" was chosen this year. Pope Saint John Paul II beatified Bro. Scubilion in 1989.

After ten years in elementary schools throughout France, Brother Scubilion left France in 1833 to dedicate the remaining thirty-four years of his life to the enslaved natives on the island of Reunion in the Indian Ocean. Remembered as the "catechist of the slaves," he inaugurated evening classes for them, which were well attended, even after a long day of exhausting labor. He devised special programs and techniques, suited to their needs and abilities, in order to teach the essentials of Christian doctrine and morality, and prepare them to receive the sacraments. He won them over by his kindly manner and his respect for them.

After the emancipation of the slaves in 1848, he continued to care for them and to help them adapt to their new life of freedom and responsibility. In the last years of his life, despite failing health, he assisted the local pastor in visiting the sick, winning over sinners, encouraging vocations, and even effecting what seemed to be miraculous cures. At his death he was venerated everywhere on the island as a saint.

## New Student Orientation

Pre-freshmen department chair, Mr. Matt Pinero, checks the temperature of a new student before he can participate in orientation.

surrounding life at Saint Paul's. While on the tour, leaders shared stories about their own first days at Saint Paul's while providing helpful tips and tricks they wish they'd known on their first days of school. Student Council Treasurer, Marco Vargas, said about the evening "It was an amazing opportunity to be able to lead so many new students around the campus. Even though things were a little different, it was the same experience that we all have had before them." We look forward to welcoming the Class of 2026 next August!

On the evening of August 4th, our newest Wolves gathered together on campus for New Student Orientation to begin their Saint Paul's journey. Accompanied by faculty, staff, and student leaders, new students were given the opportunity to tour campus, find their classrooms, and meet their teachers in anticipation of the first day of school. Over the years, this experience has proved crucial to the early stages of a new student's experience at Saint Paul's. By providing the opportunity for students to acclimate to new surroundings, the day one jitters of trying to locate classrooms are all but totally relieved. As the new students travelled around campus, the student leaders accompanied and engaged all new students in meaningful conversation

# First Day of School

In preparation for the opening of school on August 6th, Saint Paul's has sought the advice of members of the local medical community, partnered with Children's Hospital in New Orleans, and closely monitored the directives of the Louisiana Department of Health, the Louisiana Department of Education, and the Archdiocese Office of Catholic Schools in establishing a safe return to school plan. School reopened with half of the student population on Thursday, August 6th and half on Friday, August 7th.

Saint Paul's safe return to school plan focuses on three general areas: facilities, procedures, and education. The summer was spent preparing the campus, training teachers and staff in new protocols, and reviewing policies and procedures. Summer preparations also included building on the success of virtual online program instituted last school year; students and teachers will be prepared to seamlessly move from in-person learning to virtual, and then back to campus again as needed.

# New Members of Saint Paul's School

Welcome!

Saint Paul's School welcomed several new members to the faculty and staff for the 2020-21 school term. Pictured at left front row L-R are: Gabriel Emerson '12 (Math), Amanda Duplantier (Counseling), and Alex Lacour (Math). Middle row L-R are: Travis Smith (English), Christian Bobak (Religion), and Brother Javier Hansen, FSC (Religion). Back row is Chase Hawthorne (Math and Science).

Saint Paul's is pleased to announce the selection of John Meibaum as the new lacrosse head coach. Meibaum has been with the lacrosse program for 12 seasons and served as head coach from 2016-2018. He led the Wolves to 43 wins including three final four appearances and a state championship in 2017, and as defensive coordinator, he helped the Wolves win a second state championship in 2019. Meibaum has been twice awarded assistant coach of the year by the Louisiana High School Lacrosse League (LHSL). He is a level two certified coach, and he is also certified in strength and conditioning by the National Federation of State High School Associations (NFHS). He and his family have worked diligently on and off the field to further the sport and the team experience for Saint Paul's.

One of Meibaum's goals returning as head of the lacrosse program is to ensure there are enough coaches on staff so that all players at every level receive quality instruction. The following coaches are committed to joining the Saint Paul's lacrosse staff for the year: Gerald Ancar (faculty moderator); Drake Arnold (former Saint Paul's player, Saint Paul's Coach, and LSU Coach); Paul Stapp (former Jesuit and LSU player); Lane Sumrall (former Saint Paul's player, LSU Player, and LSU Coach); Ryan Flood (former Saint Paul's and Belmont Abbey player); and Michael Donohue (10 years experience as a youth coach in Maryland and Louisiana).

Athletic Director Craig Ketelsen states: "I am excited to see the number of Saint Paul's alumni interested in giving back to the program. I am satisfied that this lacrosse staff will uphold the core principles of Saint Paul's School as well as put a competitive team on the field."

# Brother Ray's Annual Fund Appreciation Dinner

Every August, Saint Paul's School celebrates the generosity of major donors to Brother Ray's Annual Fund with a gourmet meal and refreshments. Representatives of our student body participate in the program and communicate the various ways in which they live out the 5 Core Principles of our Lasallian Mission every day. Because of the pandemic, this annual event was canceled.

During these uncertain times, the Annual Fund becomes more important than ever to keep Saint Paul's School financially healthy. With the cancellation of major events, such as the fall fundraiser, Jazz 'N Roll, funds normally raised that assist with the operation of the school will not be realized. Additionally, as athletic events are potentially postponed or held without spectators, the income from entrance, program, and concession sales are not collected.

If able, please consider [supporting our Annual Fund](#). Your contribution, in any amount, is greatly appreciated. For more information about ways to assist Saint Paul's in its mission, click [here](#).

## *March Through the Arch*

The Saint Paul's Class of 2021 kicked off its senior year with two time-honored traditions: March through the Arch and the distribution of class rings. Unique to this class of seniors, a ceremony combining these two events took place on the evening of August 20th. Adhering to COVID-19 protocol, families lined De La Salle Drive to watch the seniors proudly take their place in Saint Paul's history as they marched through the arch, experiencing a tradition like many young men who have gone before and many who will come after them.

The ceremony began with Brother Ray highlighting the rich history of March through the Arch, explaining how the Benedictines in 1911 and subsequently the Christian Brothers in 1918, walked this same path as they opened Saint Paul's School over 100 years ago.

As Assistant Principal Joe Dickens read the names of the members of the Class of 2021, each senior proceeded underneath the arch, continued up De La Salle Drive, and stopped in Founder's Circle to receive his class ring from Principal Trevor Watkins. The event culminated in a spirit of brotherhood as the seniors gathered around the statue of St. John Baptist de La Salle to sing the fight song and other traditional Saint Paul's songs.

Uniting these two Saint Paul's traditions created an indelible reminder commemorating the seniors' first steps into their final year at Saint Paul's. Congratulations Class of 2021! Saint Paul's Forevermore! Student intern, junior Zachary Van Zandt, created a [video](#) to commemorate this occasion.

- St. John Baptist de La Salle to the first Christian Brothers

One of the Lasallian Five Core Principles advocates "Inclusive Community". Beginning in the 2017-2018 school year, this pilot program was introduced in order to include children with developmental disabilities whose parents want them to have a Catholic education. It creates a program within a Catholic high school that meets the needs of those children who would not normally qualify for admission to a college preparatory school. "CORE" is an acronym for "Catholic Opportunity for a Responsive Education," while "Pack" is a nod to Saint Paul's wolf mascot.

The school day of the CORE Pack students, whose challenges include cerebral palsy, autism, Down Syndrome, fragile X syndrome and other genetic conditions, is tailored to the unique needs and interests of each boy. Each child has his own needs, so some students spend several periods in the CORE room, where they receive individual instruction in reading and math while others spend most of their day in regular classes, and simply go to the CORE room for additional support.

A key to the program's success is the large number of Saint Paul's students who have stepped up to volunteer as peer mentors. [See complete article.](#)

# Hurricane Laura

Saint Paul's alumnus, Carter Simoneaux '12, was able to take a moment during a break in his Hurricane Laura coverage to FaceTime with Saint Paul's School Journalism students on Wednesday, August 26. They discussed the latest information on the approaching storm, as well as the challenges of field reporting. He also shared some great tips on news coverage, researching stories, and interview techniques. During the virtual visit, he stressed to the students the importance of covering stories that impact their audience, regardless of their interest in the topic, and getting both sides of a story. "You need to leave your biases at the door", Carter said. Carter is a morning news anchor and reporter for News 15 in Lafayette, LA.

## Saint Paul's Golf Team

Members of the Saint Paul's Golf Team were invited to compete in the prestigious 2020 High School Golf National Invitational held at Pinehurst Resort in North Carolina from August 3<sup>rd</sup>-5<sup>th</sup>. The Wolves had a spectacular first round ending in first place. The team was excited to play on the course at Pinehurst, where three U. S. Open Championships, three Amateur Championships, one PGA Championship, and one Ryder Cup have taken place. Members of the team participating included L-R: Gil Ward, Griffin Dorr, Cooper Brennan, Riley Hnatyshyn, Josh Achord, and Kason Shaw. The team finished tenth in the overall competition. Luke Barwick is the Saint Paul's golf coach.

## New Parent Video

Annually, Saint Paul's School welcomes the parents of the newly enrolled students to the Lasallian family with a New Parent Reception held in the Briggs Assembly Center. This year we provided something a little different. The Administration, faculty, and staff members created individual videos to introduce themselves to the new families. Senior Adam Philippe and junior Zachary Van Zandt, compiled, edited, and added the picture overlays to create a smoothly flowing presentation. The 2020-21 Student Council president Davis Lagarde, starts the video with a prayer and the Executive Officers, Lagarde, Alvin Marks, Walker Dubreuil, Marco Vargas, recite the Pledge of Allegiance. Key school leaders include: Mr. Trevor Watkins, Principal; Mr. Joe Dickens, Assistant Principal; Mr. Ken Sears, Dean of Students; Mr. Craig Ketelsen, Athletic Director; Mr. Jeff Ramon, Director of Lasallian Formation; Mrs. Gina Hall, eighth and ninth grade counselor; Mrs. Danielle Lavie, Director for Development, Mrs. Tracewell Hanrahan, President of the Mothers' Club, and Mr. Shea Duet, President of the Dad's Club. Marching Wolves senior Drum Major, Thomas Bitterwolf, speaks about the importance of involvement for high school students. Finally, Brother Ray Bulliard, FSC President of Saint Paul's School, expresses the importance of parental involvement with the student and the school and how working together, their sons will become accomplished young men. ## Senior Portraits

Kicking off their final year at Saint Paul's, seniors were among the first students to arrive back on campus in early August in order to take their official senior portraits. Following COVID-19 protocol, seniors donned their PPE (before and after their photo session) and were given staggered appointment times over a two-day period to accommodate the Class of 2021. The boys were able to efficiently move through their scheduled photo session with the assistance of senior moms from the Saint Paul's Mother's Club who helped fit the boys with tuxedos and caps and gown for the formal portraits. Thank you, Mother's Club, for your help with this milestone moment in the lives of our seniors!
