Google Classroom Help for Students

Requirements

You should have been given a Google classroom access code on the first day of school (be sure to add each class--- steps for adding classes are below if you haven't done so).

Google Classroom will be our required online platform when you are out. Continue to check plus portals for lesson plans, etc.

All teachers will be live streaming classes via Google meet.

Setup Google Classroom

Click the Google waffle and select Classroom. (you may need to sign into your account)

To add a new class click on the "+" .

	 Use an authorized account Use a class code with 5-7 letters or numbers, and no spaces or sy 	mbols
	If you have trouble joining the class, go to the Help Center article	

The class will be added and now you can join your virtual classroom by clicking on the class. (there will a list of all of the classes you have added here)

Once you have entered the class you can find the link for the virtual streaming via Google meet. The link should be located in one of these locations. Click on the link.
