# Joseph A. Champagne, Jr. / Gene Bennett Memorial Golf Tournament

Friday, October 9, 2020 would have marked our first large scale alumni hosted event in quite some time. Hurricane Delta had other plans. Fortunately, we have rescheduled the Joseph A. Champagne Jr./ Gene Bennett Memorial Golf Tournament to Friday, December 4, 2020 at Tchefuncta Country Club. We remain most grateful for the continued support and enthusiasm surrounding this event and hope to make December's version even better than the originally scheduled venue. While there are no player spots currently available, and all other sponsorship levels are satisfied, we are still accepting White (Hole) Sponsorships. If you have an interest in promoting your business while supporting the tournament, please contact me at [aln@stpauls.com](mailto:aln@stpauls.com). [Check out the Golf Website!](#)

**What is your favorite memory at Saint Paul's?** On Senior Day we all gathered in the Alumni Theatre, and Brother Ray instructed us to sing one of our many Lasallian songs. Within 20 seconds, we were all locked in arms, swaying back and forth, and singing as loudly as we could. It was an unplanned special moment that I will forever remember. Other than that, it was the time with friends before, during, and after school.

**What do you value most about your Saint Paul's education and experience?** The relationships developed during a Saint Paul's tenure are special. I think the teachers and staff play a huge role in guiding students into an environment where they are able to socially and educationally prosper.

**Do you have any other family members currently attending or who have attended Saint Paul's?** Yes. Many generations have attended and are to be followed by generations to come. My father, Chris Keller '78, my brother Trip '07, my uncles: John '80, Dan '85, Scott '87, Roger '89, and Greg '97 Keller, and Brian Birotte '84. My alumni cousins are: Kegan '08, Mac '10, Ryan '15, Ruston '17, and Joey '20 Keller. Cousins Ferris '05 and Jeremy Walkenford '13 are all Saint Paul's alumni and Jack Keller '23 is currently a student.

**Who was your favorite or most impactful teacher?** While I had many favorite classes, if I had to choose one it would be Coach Pierre's Biology class. Apart from his ability to teach in a way that was engaging and impactful, his mentorship amongst his students really stood out. He seemed to always have interest in our personal well-being, which I quickly realized was a trend amongst most of the Saint Paul's staff. Coach Pierre was available anytime for advice or general guidance for any issue we brought up. For years, I stayed in touch with Coach Pierre and still consider him to be a good friend to this day.

**What advice would you give to current students or young alumni?** Students, get involved, join at least 3 extracurricular activities, and pay attention in class. As far as young alumni, reach out to Al and help out where needed. We can always use more volunteers and involvement.

**Why do you continue to support the Saint Paul's mission?** The Saint Paul's experience had a massive positive impact on my life, and I hope to help other students have that experience as well. Most of my friends to this day are Saint Paul's graduates.

**Is there anything you would do differently with your Saint Paul's experience if given the opportunity to go back in time?** Not at all. I am sure there were mistakes made but I wouldn't change any of it.

# Veterans Plaque

In 1912, at the bequest and generosity of the estate of Mr. Harry G. Friedman, Class of 1933, a memorial plaque was designed and hung in the Eastern hallway in the lobby of LaSalle Hall. It was dedicated to the Memory of Mr. Harry Friedman and that of his brother, USA Lt. Col. Joseph Bernard Friedman, Saint Paul's College 1935. Additional language on the plaque is as follows: *"Honoring the memory of all the Saint Paul's Alumni who practiced the values learned at Saint Paul's by their patriotic service in the United States Military."*

Over 200 Alumni are presently represented on the plaque which resides in the hallway of La Salle Hall adjacent to our former ROTC classroom. As Veterans Day approaches, we would like to once again petition our alumni base to identify any additional veterans and give proper recognition to all who have served our country.

If you are a veteran and would like to be recognized on the plaque, please email your response to the following to [aln@stpauls.com](mailto:aln@stpauls.com) :

- Your name
- Branch of service in which you served
- The highest rank or rate attained
- Your year of graduation or years spent at Saint Paul's

Further, if you are aware of a classmate or friend who served, please send us any information you have regarding that person including contact information. Any active military, please let us know when your service ends, or upon retirement, in order to ensure that the accurate rank is denoted on the plaque.

Many thanks to the Friedman family and for our Alumni who have so bravely served the greatest country the world has ever known.

NOTE: The plaque will be updated annually, and the deadline for this year's submission is Veterans Day, Wednesday, November 11, 2020. The goal is to have the updated names available for display by our return to school the first week in January 2021.

If you are not sure whether your name is on the plaque at this time, or for any additional questions, please do not hesitate to contact Al Nastasi at [aln@stpauls.com](mailto:aln@stpauls.com) or 985 892-3200 ext 1971.

## We're Creating a New Music Facility!

In the summer of 1966, the school constructed a new “recreation center” exclusively dedicated to the recreational needs of the students living in La Salle Hall dormitory. At a cost of \$15,000, a building was constructed to provide for ping pong, pool, table games and TV for the boarders. Eventually, arcade-type games and a snack bar were added. In addition, a nine-hole miniature golf (putt-putt) course was built in front of the building, complete with lighting for nighttime use. [Read the entire story.](#)

# Etiquette Class

Saint Paul's pre-freshmen and new freshmen students had the opportunity to refine their dining skills with a course sponsored by the Saint Paul's Renaissance Program. The students were divided into groups and the training took place during lunch over a period of five days. The lunches were held in the Briggs Assembly Center on October 16, 19, 21, 22, and 23 and were catered by Bosco's Italian Café in Mandeville. Owner, Tony Bosco, with the help of his staff, presented a program on dining etiquette which included tips on: setting the table, using the correct utensils, taking and passing food, appropriate dinner conversation, ordering, and treating and tipping wait staff. Parent volunteers assisted with serving the students their meals. The students enjoyed the lessons and improved their manners, but the best part of the class was the delicious lunch of corn bisque, Caesar salad, chicken and pasta Alfredo, and bread pudding. The students returned to class for the rest of the afternoon, well-mannered and well-fed.

## National Merit Hispanic Recognition Program

The National Hispanic Recognition Program announced that senior Jake Holincheck is to be recognized as a Scholar. The Program selects the 2.5% top students among Hispanic and Latino PSAT/NMSQT test takers in our region. Last month, Jake was recognized as a semi-finalist in the National Merit Scholarship Program, too.

On the morning of October 8th, the Saint Paul's community held their first all-school liturgy of the academic year. Given COVID-19 guidance, Saint Paul's opted for a virtual liturgy that was broadcast to the school community. Saint Paul's chaplain, Fr. Matthew Clark, OSB, presided over the liturgy from Our Lady of Peace Chapel. In conjunction with the International Lasallian Days for Peace, the liturgy focused on the ILDP theme of "I Choose Peace!" In attendance in the chapel space were the newly commissioned Extraordinary Ministers of Holy Communion and a group of faculty members. Brother Ken Boesch, FSC musician in residence at Saint Paul's and longtime fixture of the Saint Paul's community, provided musical accompaniment throughout the liturgy. The sounds of "Rise Up O Men of God" and "O God Beyond All Praising" were one small but beautiful step to a sense of normalcy among the community! When the time came for the distribution of communion, the Extraordinary Ministers of Holy Communion were each assigned a set of classrooms to administer the Blessed Sacrament to the student body. After the liturgy, students and faculty were renewed and felt a peace in themselves which many had longed. Saint Paul's looks to hold their next all-school virtual liturgy in the season of Advent as we await the birth of our Lord! Extraordinary Ministers of Holy Communion are: Justin Baham, Luke Beckendorf, Ian Bertrand, Thomas Bitterwolf, Thomas Blackburn, Ryan Bolton, William Blossman, Patrick Brown, Adam Cazayoux, Christopher Franke, Philip Garcia, Quinn Garcia, Evan Greene, Jacob Harris, Grant Harrison, Jake Holincheck, Christian Kramer, Caleb Nicotri, Jacob Pichon, Devin Power, Charles Sandoz, Mitchell Schruoff, Michael Slimming, Harrison Weisinger, and Scott Woodard.

## New Club

Members of the Mountain Bike Club get ready to test the trail.

The Mountain Biking Club Team is the newest addition to Saint Paul's outdoor activities. This group has started out of a pure passion for riding and enjoying the great outdoors. We have come a long way in the past couple of weeks, and have built a ½ mile practice trail in a green space at school. This will be the place where we practice and scrimmage. At this time, the program is definitely more club focused; however as our riders progress, we will start to compete more at races and events, and treat this more like an actual sport. The creation of this program has been a great experience, and I can not wait to see where it leads.

## Key Club

On Friday, October 2, the Saint Paul's Key Club worked with the Keep Covington Beautiful (KCB) organization along with board member and Saint Paul's science teacher Mr. Mark Richards. On their day off, the Key Club was up early and ready to help with the annual KCB river sweep. Eleven members of the club met at The Chimes restaurant in Covington where they loaded canoes and flatboats to clean beaches along the Bogue Falaya River as they picked up enough trash to fill roughly twenty bags. There to help were members Evan Abraham, brothers Brady and Beau Barre, and their father, Mr. Maruice Barre, Cager Bloom, Braedan Couvillion, Chris Franke, Sam Gold, Andrew Hightower, Zach Nichols, Kyle Ogea, and Alexander Tepper.

On Friday, October 2<sup>nd</sup> the Saint Paul's Wolves Football team took the field for the first time in nearly a year against the defending 5A Runner Up, Destrehan High School. The Wolves, coming off of a 6-6 season and Quarterfinal appearance in 2019, were able to defeat the Wildcats of Destrehan 22-14 after being down 14-3 at the half. Returning a majority of their players from last year, Saint Paul's was able to fend off a feisty Destrehan team. [See Nola.com article.](#) The following Thursday night, the Wolves continued their second half success with a comeback victory over the defending 6-5A champs, Slidell High School, 35-32. After being down 32-20 with 4 minutes remaining, a defensive stop and a last second TD grab by junior Brody Reina from QB Grant Billson sealed the victory for the Wolves.

The Wolves (2-0) hosted Hammond High School on Friday, October 16<sup>th</sup> for Homecoming. [See Paper Wolf article.](#) The Wolves' early success is surely a testament to the players hard work during the offseason and ability to fight through all of the adversity going on throughout the world today. The players and coaching staff sincerely thank the Wolf Nation for their continued support. Looking forward to continuing the success! Go Wolves!

The Habitat for Humanity Club has been hard at work creating better homes for those in need. Because of Covid restrictions, a minimal number of boys are allowed to participate and all the work is done outdoors. The students move a lot of mulch for the flower beds, put down grass sod, build yard fences, and assemble walls. Pictured at right are the students in front of a Habitat house during the August workday. Seated L-R are Jacob Pichon, Wesley Coles, Walker Dubreuil, Mr. Richard Pichon, moderator, and Ian Bertrand. # The Saint Paul's Story

To celebrate the anniversary of 100 years of Lasallian Education at Saint Paul's School, a historical account of those years has been written. Volume I was originally written in 1968 to celebrate fifty years and Volume II continues the story to 2018. From Br. Nilammon Laurent, FSC, the first Christian Brother President, to the seventeenth Christian Brother President, Br. Ray Bulliard, FSC, this story chronicles the history of the school. From fifty-seven students to over 850 students, from the first newspaper, the *St. Paul's Paper* to the current student news, *The Paper Wolf*, and from a school with four sports teams, basketball, baseball, football, and track, to a school with over fifteen teams, Saint Paul's remains to be a "good place to grow up"!
