Dear Parents,

The Free Application for Federal Student Aid (FAFSA) for 2021-2022 is now available online. While some of you have experienced completing this financial aid document, many of you will be doing so for the first time. To further accommodate your needs and to answer some of your questions, I have gathered the following information to help you better understand the purpose of the FAFSA and to help you maximize your son's opportunities for financial aid. If, however, you need further assistance, do not hesitate to call or email me. I can be reached at (985) 892-3200 x1947 or reeneep@stpauls.com.

What is the FAFSA?

- The FAFSA asks for your family's financial aid information to determine your son's eligibility for financial aid. The document will determine your eligibility for grants (typically Pell Grants), student loans, and Federal Work-Study. **This document also serves as your son's application for TOPS funding.** Visit www.finaid.org OR www.studentaid.ed.gov for an in-depth look at your child's financial aid options.

What information will I need when I am ready to complete the FAFSA?

- FSA ID—this will serve as your electronic signature (FSA—one for parent and one for student) [Create FSA ID](#)
- Your social security card and driver's license
- Your son's social security card and driver's license
- Alien Identification number if you are not a US citizen
- All W-2 forms
- 2019 income tax return
- Records of other untaxed income received such as Social Security benefits, Temporary Assistance for Needy Families (TANF), or veteran's benefits
- Current bank statements and any records of stocks, bonds, and investments
- Business or farm records, if applicable

What if I just want to apply for TOPS? Do I need to complete the FAFSA?

- No. While I strongly encourage you to apply for other financial aid opportunities, you only need to complete the **TOPS application (available on-line only)** if your family will not qualify for federal grant aid. To make that determination, use the **Finaid's Financial Estimator Calculator** available on the web at www.finaid.org/calculators
- The TOPS on-line application can be found at the following website:
 - [TOPS online application 2020-2021](#)

When is the deadline for completing the FAFSA for TOPS?

- You may apply as early as October 1, 2020
- St. Paul's STRONGLY recommends completing the FAFSA by February of your son's senior year if he is planning to attend college during the 2021-2022 academic year.
- **For additional TOPS filing deadlines, please refer to this link: <https://mylosfa.la.gov/>**
- ANY FAFSA RECEIVED after October 29, 2021, WILL BE INELIGIBLE FOR TOPS (no semesters awarded).
- **YOU NEED TO VERIFY THE AID DEADLINE FOR THE INSTITUTION YOUR SON PLANS TO ATTEND. THE SCHOOL DEADLINE MAY BE MUCH EARLIER THAN THE DEADLINE FOR TOPS!**

****Please note: If your son has not yet met the ACT/SAT requirement for TOPS, he must do so by the April 17, 2021, (ACT) or March 13, 2021, (SAT) test date. If an initial qualifying ACT score is earned on the June 12, 2021, National Test date or an initial qualifying SAT score earned on the May 8, 2021, or June 12, 2021, exams it will be accepted, but your son will be penalized one semester (two quarters) of eligibility. Special tests taken before July 17, 2021, for students with disabilities will be accepted!****

Can I complete the document on the web?

- Benefits include:
 - Faster processing
 - Fewer errors
 - Immediate EFC (estimated family contribution) estimate
