

We look forward to hosting your son at our placement testing day this Saturday, January 9th. Due to COVID 19 protocols, we have implemented some changes to our usual procedures.

To provide a safe, COVID-resistant testing facility, please note the following:

- All testing facilities will have been sanitized prior to testing.
- All rooms are equipped with CASPR air disinfecting HVAC units.
- Sufficient testing rooms will be utilized to allow for proper social distancing.
- Students will be assigned to testing rooms with students from their current schools.
- All testing personnel will wear masks and undergo temperature checks.
- Hand-sanitizing gels will be available in all of the classrooms.

The following students should NOT report for testing:

- Students currently in quarantine or isolation
- Students recently exposed to COVID positive people
- Students who are feeling ill on Saturday morning, especially if they have fever
- Students who fall into these categories will **not** be penalized in the admissions process.

In addition, we ask the following of you:

- Parents please remain in your vehicle when dropping off your son. We will have staff to direct the boys once they arrive.
- All students must wear masks for the duration of the testing.
- Students will be temperature checked prior to testing.

To facilitate drop off and social distancing, please note the following:

- Students who attend St. Peter, Our Lady of the Lake, and Christ Episcopal will test in La Salle Hall – the two-story building located at the intersection of Jefferson and 11th Avenues. Parents should drive into Parking Lot #4 at the corner of Jefferson and 12th Avenues and arrange for pick up at the same location.
- Students from all other schools will test in the main school building. Parents should enter campus from the main entrance on Jahncke Avenue, drop off and pick up your son at Founders Circle (where the two flag poles are located), and proceed to exit campus.

Reminders:

- The test begins promptly at 8:00AM. Students should arrive by 7:45AM.
- The test will end at approximately 11:30AM.
- We will have pencils for them.
- We will provide a snack and bottled water during the test.
- A \$30 testing fee is charged, payable by check to Saint Paul's or by EXACT cash as we cannot make change. Please send the fee in an envelope with your son's name on it. This fee is by mandate of the Department of Catholic Schools and Faith Formation of the Archdiocese of New Orleans.

Thank you for your cooperation in helping us provide a safe venue for testing and for your interest in Saint Paul's School for the 2021-22 school year.
