Alumni News

Gentlemen and members of the Saint Paul's community,

We have had quite a month on campus with some extraordinary student and athletic accomplishments, some inklings and optimism of a return to pre-pandemic status in the near future, some beautiful weather, and quite a bit of rain. Yes, I cannot help but take comfort in that April 17 and the weekdays leading up to it were far from the ideal conditions we desire for our Cook- Off --- all the more reason, next year's will be the best one yet.

As I have continued to state, your investment and partnership in the future of Saint Paul's School is greatly appreciated and invaluable, especially in light of our current limitations in the ability to host fundraising events.

Here are a few ways to support at the moment.

The Annual Fund Appeal continues through July 31, 2021. If you are interested in supporting at this time, here is a link for your convenience. [Donate Here](#)

Give Nola- [GiveNOLA Day](#), a 24-hour event, is scheduled for Tuesday, May 4th. All proceeds will go toward our faculty and staff, our campus heroes! Our faculty and staff have been IN PERSON beginning August 6 to provide our students the quality education that ALL our alumni have received. [Join us in supporting our teachers!!](#) [#CampusHeroesCare](#)

Band Hall Project- The structure is up! Construction of new band facility is progressing on schedule! For pictures and possible naming considerations, please check out our [website](#). [#GetOnTheBandwagon!](#)

Please note.: Tax incentives brought about by the CARES Act for 2020 have been extended to the 2021 tax year. For those making cash donations to charity, this is an "above-the-line" *deduction of up to \$300 for individuals (\$600 for those filing jointly)* — who do not itemize and will take the standard deduction on their tax returns. Be sure to discuss all strategies with your tax and financial advisor.

As always, if I may be of any further assistance, please do not hesitate to contact me at aln@stpauls.com or 985-892-3200 ext 1971.

Chris Freret '91

What is your favorite memory of Saint Paul's? Growing up with Saint Paul's in my backyard, there are so many memories to consider. As a child, some of my fondest memories are the annual bonfire and homecoming parade. I recall so well listening to the Marching Wolves practice "Celebration" by Kool and the Gang every afternoon of football season while trying to do my homework. We spent Friday Night Lights playing our own version of 3 flies where the overflow stadium seating is now.

What do you value most about your Saint Paul's education and experience? The brotherhood and friendships made both during my time at school and after graduation.

What advice would you give to current students or young alumni? Set goals and follow your passion in life.

In what ways do you continue to be involved with Saint Paul's at this phase of your life? I try to attend as many alumni events as possible. My favorite of course is the Crawfish Cook-Off. I utilize and support as many SPS graduates and their family's businesses as I can in both a professional and social capacity, and I am now involved as an SPS Dad.

Why would you encourage young men to consider attending Saint Paul's? While I appreciate the fine academics, athletics, arts, extra curricular programs, excellent teaching staff and exceptional relationships Saint Paul's offers, the single reason I would encourage any young man to attend Saint Paul's is for the Christ Centered environment. Building a relationship with Christ and being surrounded by other like minded young men lays the foundation for a successful and happy life.

What would you describe as your greatest takeaway from Saint Paul's? My greatest take away from Saint Paul's is the importance of service. Serving others, using your talents and time to serve individuals and your community is something I learned at Saint Paul's and have carried with me always.

Is there anything you would do differently with your Saint Paul's experience if given the opportunity to go back in time? Every error I made makes a good story today. Every loss made me stronger and better prepared for adulthood, and every mistake made me prepared for the ones my boys will make... so no, no regrets.

Legacy Lunch

On Friday, April 16, 2021, we were both blessed and honored to host our second annual Legacy Lunch. Nearly 150 legacies comprised of students, fathers and grandfathers enjoyed lunch together as well as with their brothers from many other generations of Wolves. What a special bond to share with one another and the Saint Paul's community! In the further spirit of Legacy and Wolf Pride, there was one young man who stopped by even though his father was unable to attend; however, he was proudly wearing his father's class ring which doubled as his own for the year.

We look forward to continuing this special tradition for years to come! Many thanks to all involved and to Keith Frentz '96 of LOLA for the catering.

Saint Paul's continued a very special tradition on Holy Thursday morning, although this ceremony did not look like ones in the past. The traditional Mandatum, or feet washing, was prerecorded to meet with the Covid protocols. Davis Lagarde, President of the Student Council, and Alvin Marks, Vice-President of the Student Council, washed the feet of student and faculty volunteers. This ceremony recalls many traditions of the past: travelers wore sandals so their feet were dirty and often blistered; upon arriving at the location, a servant usually washed the feet of visitors. It was a compliment of great proportion when the master of the house came to wash the feet of his visitors. When Jesus washed the feet of his Apostles, he demonstrated that leaders served their people and gave the new commandment "to love one another as he loved us." So in that tradition, Davis and Alvin washed the feet of: Isaiah Ayo, Ben Barousse, Aiden Barrios, Mr. Barrett Baumgartner, Eddie d'Hemecourt, Mr. Gabe Emerson, Aiden Freret, Charles Gahagen, Jonathan Hammer, Jacob Strecker, and Will Whatley, and who represented the student body and faculty. This year the ceremony took place at the Bragg Fountain and was filmed by Zachary Van Zandt for broadcast over Wolf TV as the traditional Holy Thursday prayer service.

Announcement

Saint Paul's School announces Craig Ketelsen, the school's Athletic Director, has decided to retire effective June 30, 2021.

Ketelsen has served as Athletic Director since 2002, and during his tenure has established a solid, competitive athletic program at Saint Paul's School. He successfully coordinated the transition of the athletic programs from the 4A level to 5A level overseeing 40 teams in sixteen sports at four age levels (Pre-Freshmen, Freshmen, Junior Varsity, Varsity). Under his leadership, Saint Paul's teams captured 22 state titles in 10 different sports. Currently, in addition to his duties as Athletic Director, he serves as head junior high wrestling coach and world geography instructor.

For the majority of his Saint Paul's career, nearly 30 years, Ketelsen served as head wrestling coach, and during that time he led his team to two state championships, twenty parish titles, ten district titles, and was twice named Louisiana State Coach of the Year. He has coached 20 individual state champions and five All-Americans during his career. Additionally, Ketelsen has served as an assistant coach in numerous sports while at Saint Paul's and since 2016, he has overseen the school's highly successful summer sports camp program.

Among his many accolades, Ketelsen has been selected St. Tammany Parish Coach of the Year 20 times and District Coach of the year 10 times. He also has taken on key leadership roles in the state wrestling community serving for the past six years as a representative on the Louisiana High School Coaches' Association Board of Directors and nine years as the LHSAA Weight Certification Director for the Northshore. He is currently recognized as President Emeritus of the Louisiana Wrestling Coaches' Association having served a combined five terms as president and vice president of the association.

"We can't thank Craig enough for his dedication to SPS, especially the athletic program. He has been a trusted and valued employee, upon whom I have called many times for his insight, wisdom, and dedication. We wish him only good things and are not a bit surprised that he is being courted with other offers," stated Brother Raymond Bulliard, FSC, Saint Paul's School President.

Succeeding Ketelsen in the position of Athletic Director is Sam Francis who has served at Saint Paul's as both teacher and coach for the past 14 years. He currently teaches world geography, serves as an assistant head coach in football, and moderates the bowling team. He has taught in the Archdiocese of New Orleans since 2005 and has coached for nearly 20 years. Prior to arriving at Saint Paul's, Francis was on the faculty at Pope John Paul II High School and taught history, health and physical education, and coached in the football and track programs.

Francis earned his bachelor degree from the University of New Orleans and completed a Masters of Arts in Lasallian Leadership from Saint Mary's University in Minnesota. Brother Ray noted, "Sam is an enthusiastic, positive leader who motivates young people to perform beyond what they may think is their best -- all within the context of the Mission of Saint Paul's School. He will continue the great work done by [Craig Ketelsen](#) and insure that Saint Paul's athletics remains one of the premier programs in the state. I look forward to even greater athletic accomplishments under Sam's leadership."

Senior Retreat & Life Skills

The senior retreat has long stood as a testament to the brotherhood, connections, and history of Saint Paul's School. In order to preserve the freshness of the experience for subsequent classes, current seniors and graduates, who almost unanimously identify the retreat as a highlight of the senior year, avoid giving details of the activities of the three day experience, thus adding an aura of mystery to the experience. Typically in January, the seniors and teachers from a wide range of departments load onto buses for the retreat. Due to COVID restrictions, several things changed. The retreat was postponed to April and the seniors were divided in half to minimize contact.

The very core of the retreat is the small group setting. Randomly selected and extending across various clubs, classes, and sports, these groups are a real smattering of the culture and diversity of Saint Paul's. Teachers and faculty that have been instrumental in the seniors' journey through the school and have been with them for almost all five years lead the student groups. While the retreat explores the seniors' relationship to God, as is expected in Catholic retreats, Saint Paul's Senior Retreat also offers extensive opportunities for seniors to look inward. In addition, students spend time exploring their history and legacy at Saint Paul's as well as their personal lives and plans.

Senior Retreat & Life Skills

While half the seniors were on retreat, the other half participated in Life Skills Day, which was organized by the Development Office and held throughout the campus in classrooms and the outdoors. The workshop lasted all day and covered areas that are essential for seniors living on their own. The students were separated into small groups and rotated to the different discussions: "Debt Management and Identity Theft"; "Awareness, Actions and Consequences"; "Basic Mechanics"; "Cash Management"; and "Household Chores." Featured volunteer speakers were Chris Brown, Ed d'Hemecourt, Eric Dunavant, Sergeant Stephen Hammons '01, LA State Police, David Lauterbach, and Brian Olivier.

Additionally, the seniors were presented a group session which included college age alumni, Nick Ashton '17 and Andrew Moore '19. The college students gave words of advice in transitioning to college life and opened the floor for questions and answers.

The seniors were treated to a delicious lunch of shrimp pasta, steamed green beans, fresh salad and bread, provided by Pat's Seafood in Covington. Senior moms graciously served the meal and provided dessert and snacks for the students.

Gift cards were awarded as door prizes throughout the day with random drawings.

Grade Level Retreats

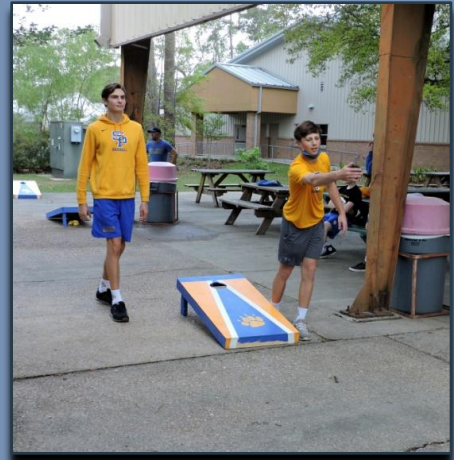

In our Lasallian Catholic tradition, retreat days serve a vital role in the spiritual maturation process of each Saint Paul's student. Over the last month, each grade level participated in their level retreat day. On March 24th, our Pre-Freshmen spent the day on campus growing closer to Almighty God and closer to one another (physically distanced of course!). The day was filled with prayer and song in the chapel with Brother Ken, a trip to the Northshore Food Bank, fun games, and time for meaningful reflection as their best years at Saint Paul's are on the horizon. On March 31st, our Freshman similarly enjoyed an on-campus retreat day. Much like their younger brother Wolves, their day was filled with a trip to the Northshore Food bank, games, planning for the years ahead, and the opportunity to encounter God through one another using the story of Christ appearing to the Disciples on the road to Emmaus. After the Easter Holidays, our Sophomore class embarked to the Solomon Episcopal Conference Center on Tuesday, April 13th. While the rain threatened from the onset, the Sophomore students were still able to enjoy being together as a class reflecting on the Five Core Principles of a Lasallian Education. In the Fall of 2021, we are hopeful to return the annual tradition of Sophomore Service Day. Lastly, after a rescheduling due to weather conditions, our Junior class embarked to the Solomon Center on Monday, April 19th. With an emphasis on assuming leadership on campus in a few short weeks, the Juniors took the opportunity to reflect on God's individual call to each of them and our universal call to holiness. We are grateful to all our faculty and staff who played a role in ensuring we can provide a fruitful and safe retreat experience for all our young men, and look forward to our 2021-22 retreat program!

Marian Players – The Glass Menagerie

The Marian Players of Saint Paul's Theater presented Tennessee Williams' "The Glass Menagerie" from April 14-24, 2021. This deeply personal and moving drama is the play that launched the career of the southern-born Williams, marking his first hit on Broadway, in a career that also produced "A Streetcar Named Desire" and "Cat on a Hot Tin Roof". Tom Wingfield, based on Williams, lives in a small St. Louis apartment with his mother, Amanda, and his sister, Laura, responsible for them both, but dreaming of a life of adventure. Williams based the characters on his own family.

Marian Players Director Gordon Carmadelle said of the play "It truly is a beautiful show- it's touching and heartfelt, but it also has several very funny moments in it. It has some of the most beautiful and poetic language of any play, and it ultimately presents a message that we are all responsible for each other in some way. I think that's a great message for our students and for everyone right now."

In efforts to navigate the realities of Covid-19, two rotating casts took the stage, each on specific show dates. "We wanted to protect our students, but also give them the best possible chance to finish the show the right way, because they truly do work very hard on shows. This one in particular surprised a lot of people in how good the quality of acting was, considering the depth and power of the material and the relative youth of our actors. We're very proud of them and we feel like we gave audiences not just a good high school show, but a good show period."

The Blue cast was Zachary Van Zandt, Abigail Williams, Clayton Cockfield, and Elise Falkenstein, with crew of Zachrey Gros, Brady Myers, and Andrew Talamo. The Gold cast was Brendan McNeil, Kaylin Thomson, Gabriel Simpson, and Alexis Ware, with additional crew of Cohen Cluney. Direction was by Gordon Carmadelle with assistant Barrett Baumgartner.

Academic All State Athletes

Saint Paul's School is pleased to announce that fifty-five members of the Class of 2021 have been selected by the LHSAA to Academic All State Teams in their respective sports, and four of those seniors have been selected to Academic All State Composite Teams. The LHSAA All-Academic Award Program recognizes the academic excellence of senior student-athletes who have attained a 3.5 grade point average or higher by placing them on the Composite All-Academic Team or Class All-Academic Team. To earn Composite Team honors, a student-athlete's six-semester GPA must have an un-weighted 4.00. The Class Team is composed of student-athletes with six-semester GPA of 3.5 - 3.999.

Saint Paul's student athletes earning Academic All State Honors in Baseball included: Cade Lanoux, Braden Osbon, Matthew Russo, and Connor Simon. Basketball honorees included: Benjamin Broussard, Cameron Darr, and Evan Seicshnaydre. Adam Cazayoux, Max Del Rio, Christopher Franke, Davis Lagarde, and Maxwell Salvant, were honored in Cross Country. Football nominees included: Justin Baham, Preston Calvert, Lawrence Frieman, Jacob Frolich, Henry Gray IV, Cade Lanoux, Garrett Lauterbach, Cole Piazza, Dylan Porche, Mitchell Smith III, Brady Talley, Owen Vincens, and Nicholas Vining. Cooper Brennan, Wilfred Owen Hayden, and Ian Nicoll were recognized for their achievements in Golf. Powerlifting athletes recognized included: Cody Campbell, and Joshua Diaz. Soccer players selected for this honor included: Beau Booth, Tyler Guice, Axel Henderson, Hunter Kergosien, Dylan Knight, Evangelos Liokis, Ashton Mouton, Caleb Nicotri, Aidan Ordoyne, Craig Parette, Cole Shannon, Michael Slimming, and Avan Walters. Members of the Swim team included: David Barcelona, and Austin Peak. Luke Beckendorf was selected for Tennis. Wrestlers included in the selection were: Sean Cripple, Michael Rader, Grant Vicknair, Peyton Ward, and Brock Zornes.

Christian Allison, Quinn Garcia, Donald Garvey, Christian Kramer, Cade Lazoux and Harrison Weisinger were recognized in two sports: Christian Allison for Football and Wrestling, Quinn for Basketball and Golf, while Donald and Harrison were honored for Cross Country and Indoor Track. Christian Kramer was recognized for Swimming and Powerlifting. Cade Lanoux was recognized for Baseball and Football.

Luke Beckendorf, Adam Cazayoux, Donald Garvey, Maxwell Salvant, and Brady Talley were also recognized as members of the Academic All State Composite Team in their respective sports.

Honor Roll Breakfast

The final honor roll breakfasts for this year were given in April. As is custom for the third quarter, seniors give the vocabulary lesson. This year, seniors, Thomas Bitterwolf, Ben Broussard, Lucca Ferrante, and Jake Holincheck, were terrific with each making a presentation!

Once the honor roll students were congratulated for their diligent work and excellent grades, Thomas began the lesson. He chose Obstinateness (a steadfast adherence to an opinion, purpose, or course of action in spite of reason, arguments, or persuasion); Ben chose Consistency (steadfast adherence to the same principles, course, form, etc.; Lucca chose Joie de vivre (exuberant enjoyment of life) and Jake expounded on Énouement (the bitter sweetness of having arrived here in the future, where you can finally get the answers to how things turn out in the real world.) All four tied their words into real-world lessons for the students.

Leadership Breakfast

As part of the annual leadership week at Saint Paul's School, the student council honored students who were nominated by their coaches and moderators as outstanding representatives of their individual club, team, or organization. The students were treated to a Chick-fil-A breakfast as they listened to the motivational words of current Covington mayor and Saint Paul's alumnus Mark Johnson '76. In addition to reflecting upon qualities inherent in good leaders, Mayor Johnson highlighted the importance of self-reliance and encouraged the student leaders not to ask others to do things for them that they can do for themselves. The leadership breakfast was organized and directed by student council executive board members Davis Lagarde, president; Walker Dubreuil, secretary; and Marco Vargas, treasurer.

The following student leaders were invited to attend the leadership breakfast this year: Ashton Adamcewicz, Will Allen, Elias Ancar, Cayden Arnold, Nate Aupied, Isaiah Ayo, Matthew Barber, David Barcelona, John Baricev, Rhett Barker, Ben Barousse, Brady Barre', Bennett Barreca, Luke Beckendorf, Jack Bertucci, Grant Bilson, Thomas Bitterwolf, Konnor Blanchard, William Blossman, Drew Bode, Bryce Bordes, Matthew Boudreaux, Cooper Brennan, Dylan Buckel, Sam Caserta, Thomas Cazanavette, Wesley Coles, William Coles, Matt Collings, Blaine Cooney, Briggs Cooper, Christian Crowley, Patrick Curren, Collin Cusimano, Ryan Daly, Patrick Darrah, Eddie d'Hemecourt, Gavin Dominique, Connor Donohue, Stephen Dottolo, Walker Dubreuil, Carter Duet, Nicholas Dufrene, Perrin Duhe, Wyatt Dupre, Parker Emery, Henry Englehardt, Brad Farizo, Zach Fenn, Lucca Ferrante, John Finnan, Trevor Flood, Christopher Franke, Jacob Frolich, Philip Garcia, Quinn Garcia, Donald Garvey, Sam Gold, Kasey Gottschalk, Zachrey Gros, Alex Gwartney, Grant Harrison, Owen Hayden, Axel Henderson, Andrew Hightower, Eric Houte, Carter Impastato, Andrew James, Brennan Keim, Joshua Kellum, Jacob Khashou, Peyton Kilgore, Will Kitchen, Alex Klemp, Christian Kramer, Davis Lagarde, Aiden Lagasse, James Turner Land, Walker Lobdell, Nathan Luper, Jackson Luscly, Alvin Marks, Brendan McNeil, Scott Messa, Peyton Michel, Shaun Miller, Cole Mire, Noah Montz, Sam Muntan, Carter Murphy, Liam Murphy, Ian Nicoll, Zachary Nichols, Henry Nunmaker, Arthur Trey Paine, Evan Pardo, Mason Pausina, Austin Peak, Jackson Peak, Lucas Piazza, Jacob Pichon, Logan Pontiff, Dylan Porche, Harrison Powell, Fischer Redmond, Jacob Revere, Jonah Revere, Joel Rodriguez, Matthew Russo, Jake Satches, Mitchell Schruuff, Danny Sears, Reece Seicshnaydre, Connor Simon, Michael Slimming, Mitchell Smith, Alexi Sotiropoulos, Jacob Strecker, Cavin Taylor, Ben Torres, Ezra Vall, Zachary Van Zandt, Marco Vargas, Ethan Viator, Grant Voyles, Peyton Ward, Blake Weimer, Ethan Wilson, and Cooper Winchester.

Bowling

The Bowling Wolves completed the regular season tied for first place in District play. State tournament play was held on April 19 with Saint Paul's facing South Terrebonne in the first round of the playoffs. Junior Jack Bertucci bowled a game high 231 score and freshmen Sam Drez won 2.5 points to lead all the Wolves bowlers. Freshmen Kaiden Klebba, 8th grader Jackson Picone and 10th grader Jared Harmon also won their head to head matches. The team suffered a loss at the end of play; however, senior Matthew Barber and Junior Jack Bertucci will continue on to compete in the State Singles competition on April 27 at All Star Lanes in Baton Rouge. The team is young and looks forward to advancing farther in next year's playoffs.

On Saturday, April 17, eight members of Saint Paul's Habitat for Humanity club came out to work despite the inclement weather. The students nailed metal plates called "hurricane clips" to the rafters to make them stronger. They also cut many boards called "blocks" and attached them between the 2x4 studs so shelves and cabinets can be installed later. Many thanks to student volunteers Thomas Bitterwolf, Wesley Coles, William Ditta, Walker Dubreuil, Chris Franke, Preston Orgeron, Jonah Revere, Alexi Sotiropoulos, and club moderator Mr. Richard Pichon for the dedication and hard work.

College Signings

Saint Paul's School recently recognized the athletic accomplishments of two seniors who have signed scholarships to play collegiate sports.

Caleb Nicotri, son of Thomas and Angie Nicotri of Mandeville, will attend the University of Alabama at Birmingham where he will play Division I soccer and study neuroscience. He was a three year letterman and two year starter and helped the Soccer Wolves win two state championships during his varsity experience. Caleb was selected First Team All State, District Overall MVP, St. Tammany Parish Offensive MVP, 2021 LHSCA All Star Soccer Team (East), and LHSAA All Academic Team. He led the team in goals (33) and was second in assists (23). Coach Sean Moser noted, "Caleb is an extremely versatile player who eventually settled into the striker position. He was chosen by his teammates to be captain his senior year and helped lead the team back to the state championship game for its 11th straight year."

Harrison Weisinger, son of Mark and Elizabeth Weisinger of Mandeville, will attend Spring Hill College in Mobile where he will run with the Division II cross country and track teams and study pre-med. Harrison was a four year letterman and a member of the 2021 6-5A All District Team. Coach Terryl Chatham who coached Harrison for four years commented, "It has been my pleasure to have Harrison as a member on both the track and cross country teams. He is always with a smile, even when the weather along with the workout are nothing to smile about. He is a very hardworking and dedicated young man."

Saint Paul's Story – Great Graduation Gift!

A historical account of the 100 years of Lasallian Education at Saint Paul's School and has been written. Volume I was originally written in 1968 to celebrate fifty years and Volume II continues the story to 2018. From Br. Nilammon Laurent, FSC, the first Christian Brother President, to the seventeenth Christian Brother President, Br. Ray Bulliard, FSC, this story chronicles the history of the school. From fifty-seven students to over 850 students, from the first newspaper, the *St. Paul's Paper* to the current student news, *The Paper Wolf*, and from a school with four sports teams, basketball, baseball, football, and track, to a school with fifteen teams, Saint Paul's remains to be a "good place to grow up"!
