## *benefiting* ***NORTHSHORE FOOD BANK***

SPS students, Please bring  
**canned peas and ravioli** on  
**TUESDAY, APRIL 27!**

The Summer Stock program provides all school-aged Food Bank participants with their own bag of nutritious, kid-friendly items at each visit during the summer to help supplement the loss of school meals. We will send a grocery bag home the day before the event that the students may use to transport their donations.

Thanks also to
