

Dr. Michael A. Sullivan Received The Alton Ochsner Lifetime Achievement Award

[Michael A. Sullivan, MD](#), who started at Ochsner in 1969 received the Alton Ochsner Lifetime Achievement Award, the most prestigious award Ochsner bestows.

Not many physicians make it to the 50-year mark, but Dr. Michael Sullivan's illustrious career has set the bar high for us all. Starting at Ochsner in 1969, Dr. Sullivan spent the last five decades dutifully caring for his patients while also molding and leading teams of top-notch physicians. His dedication, talent and pioneering spirit have made him a true embodiment of Ochsner's commitment to patient care, education and research.

As a specialist in Radiology, Dr. Sullivan spent 30 years serving as the Program Director or Co-Director of the Radiology Residency Program. His mentorship has been integral in helping to develop future generations of radiology professionals. He has also been an active member and leader in numerous state and national radiological organizations. From serving as both Chairman and President of the Radiological Society of North America to taking on leadership roles at the American Board of Radiology, the American College of Radiology and the New Orleans Radiology Society, he has earned many esteemed honors in his career.

However, it's Dr. Sullivan's keen attention to detail and the personal touch and care he brings to all his interactions with his patients, students and colleagues that make him a true leader at Ochsner.

In addition to continuing his important mentoring and education work, he remains one of our most productive radiologists to this day. Those who have practiced and learned under and alongside Dr. Sullivan know about his impressive work ethic and attention to detail.
