Friends and Alumni of St. Paul's School,

I hope this finds you well. Our Alumni Events Calendar is beginning to open up once again. While you may not see one of your favorite events or activities back in circulation, please take a look at some of our upcoming alumni events featured

in this month's edition, and give some consideration to joining us when applicable and capable. We look forward to sharing in the making of additional memories of your Saint Paul's experience.

Many thanks to all who supported and attended our sold out **Joseph A. Champagne, Jr. / Gene Bennett Memorial Golf Tournament** which was held on Friday, October 8 at Tchefuncta Country Club. Please note the further coverage later in this edition.

**Attention All Alumni Veterans** - We are honored to recognize our Veteran Alumni on the Friedman Memorial Plaque which is updated annually. Click [HERE](#) for more information. The deadline for this year's submission is November 12, 2021, and the plaque will reflect the newly submitted names shortly after the first of the New Year.

# Alumni Profile

Robert E. Ruel, III '77

**What do you value most about your Saint Paul's education and experience?** The relationships developed while living at Saint Paul's are what I have come to value the most. When I was younger, the relationships were taken for granted. As I have aged, I have come to realize my fellow classmates are much more like brothers, many of whom I have become closer with over the years.

**Do you have any other family members currently attending or who have attended Saint Paul's?** Yes, I have three nephews who have attended: Landon Ruel '18, currently at the University of Southern Mississippi, Reiss Plauche '19 at University of Alabama, and Ethan Plauche '21 at LSU.

**What is your favorite memory at Saint Paul's?** That would have to be the annual bonfire. Having been raised in the city, I had no experience with chainsaws, tractors, large trucks and trailers. Well, Saint Paul's changed that my senior year as the older students were tasked with constructing a bonfire. We safely operated the equipment noted above which was quite the experience for a city boy.

**In what ways do you continue to be involved with Saint Paul's at this phase of your life?** I have served on the Alumni Board, the original planning committee for the Crawfish Cook- Off, as a coordinator of the South Shore Alumni Association, and I am the Class Agent for the class of '77.

**Who was your favorite or most impactful teacher?** Brother Michael Livaudais was my most impactful teacher. Brother Michael taught a speech class that required each student to give a speech in the auditorium which was known as L5. The class exam was to present your speech in L5 to students and their parents. While writing my speech, I sought the advice of Br. Michael who felt I should use verbiage that was more expressive and forceful. He suggested a word widely used today that was considered improper and taboo in those days. I initially thought he was joking. He was not and assured me he would make certain that I would not be disciplined for use of the word in my speech. I loudly spoke the word which resulted in a number of loud gasps from the audience. Brother David, the Principal, and Brother Jeff, the Disciplinarian, were the first to greet me as I walked off the stage as they were not impressed by my decision. Brother Michael quickly intervened saving me from punishment.

**What advice would you give to current students or young alumni?** Although you may not appreciate it now, the experiences, relationships and education you receive at Saint Paul's will develop the foundation on which your life will be constructed. Spend the time to build the foundation properly and enjoy the process.

**Family:** Married to Julie C. Ruel in 1990 with two children; Robert E. Ruel, IV and Christian C. Ruel. One Grandchild: Robert E. Ruel, V (Quinten).

**Education:** Graduated from the University of New Orleans with a Bachelor of Science Business in Administration

**Occupation:** Owner of Ruel Insurance Agency, LLC.

# Veterans Plaque

In 1912, at the bequest and generosity of the estate of Mr. Harry G. Friedman, Class of 1933, a memorial plaque was designed and hung in the Eastern hallway in the lobby of LaSalle Hall. It was dedicated to the Memory of Mr. Harry Friedman and that of his brother, USA Lt. Col. Joseph Bernard Friedman, Saint Paul's College 1935. Additional language on the plaque is as follows: *"Honoring the memory of all the Saint Paul's Alumni who practiced the values learned at Saint Paul's by their patriotic service in the United States Military."*

Over 200 Alumni are presently represented on the plaque which resides in the hallway of La Salle Hall adjacent to our former ROTC classroom. As Veterans Day approaches, we would like to once again petition our alumni base to identify any additional veterans and give proper recognition to all who have served our country.

If you are a veteran and would like to be recognized on the plaque, please email your response to the following to [aln@stpauls.com](mailto:aln@stpauls.com) :

- Your name
- Branch of service in which you served
- The highest rank or rate attained
- Your year of graduation or years spent at Saint Paul's

Further, if you are aware of a classmate or friend who served, please send us any information you have regarding that person including contact information. Any active military, please let us know when your service ends, or upon retirement, in order to ensure that the accurate rank is denoted on the plaque.

Many thanks to the Friedman family and for our Alumni who have so bravely served the greatest country the world has ever known.

NOTE: The plaque will be updated annually, and the deadline for this year's submission is Veterans Day, Friday, November 12, 2021. The goal is to have the updated names available for display by our return to school the first week in January 2022.

If you are not sure whether your name is on the plaque at this time, or for any additional questions, please do not hesitate to contact Al Nastasi at [aln@stpauls.com](mailto:aln@stpauls.com) or 985 892-3200 ext 1971.

**Noah Seiden '18** - Congratulations to Noah for making some "Waves" and earning his time on the gridiron. [See article.](#)

**Jack Mashburn '19** - Saint Benilde is beaming with joy as Jack is doing the ordinary things extraordinarily well. Touchdowns, yardage, receptions, and interceptions are often celebrated, but the value of a good block often takes a backseat. Not this time, and for good reason. Anyone watching the LSU vs Florida game on October 16 witnessed the metaphoric holes you can drive a truck through, many of which were created by our very own Jack Mashburn. It was obvious. It was exciting and it has garnered him well deserved praise and attention. Well done, Jack, and congratulations! Here are a few tales of the tape. **Varsity Football Teams of 2015 and 2016** - On Friday, October 22, members of the 2015 and 2016 Varsity Football teams returned to campus to celebrate the anniversary of their District Championship seasons. Following a pregame reception, the teams were honored with a special recognition during the Saint Paul's vs. Mandeville High School game. Thank you gentlemen for spending the evening with us!

# School News

Thanks to the Hadskey family and SG Northshore for providing the birthday signage.

Saint Paul's celebrated their 110th birthday on Tuesday, October 12th. Due to last year's strict Covid-19 protocols, Saint Paul's could not honor our birthday, so Brother Ray made this year's celebration extra special. Although Saint Paul's actual birthday was September 14th, we postponed the celebration because of Saint Paul's recovery from Hurricane Ida; however, Saint Paul's always perseveres. Brother Ray says, "Neither a pandemic nor a category four hurricane can prevent Saint Paul's School from celebrating 111 years of providing a Catholic Lasallian education to the young men entrusted to our care." The birthday celebrations included marching around campus with the band, snack day, and a President's assembly. The President's assembly included a brief history of Saint Paul's.

Covington mayor, Mark Johnson '76, left and St. Tammany President, Mike Cooper '71, were on hand for the birthday celebration. Pictured with them is Philip Miller dressed as the wolf.

# New Band Hall is Nearing Completion!

[Would you like to help out?](#)

Saint Paul's Marching Wolves and band programs previously used a facility that was known as the "rec hall". This single story, small building has provided much needed space for the band since 1995. Due to overall building deterioration, and expansion of our band programs which include concert, jazz, and drum corps components in addition to the renowned Marching Wolves, a new space was needed.

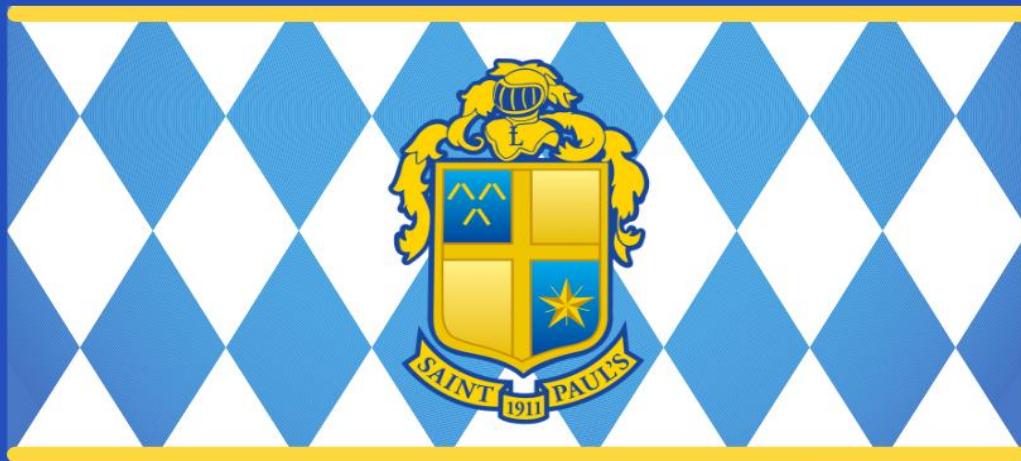

This new facility will provide expanded space, restrooms, acoustics, and aesthetics to our music program. Construction began in October 2020 and is nearly complete. During construction, the band students have temporarily been using the Briggs Assembly Center for instruction. They are anxious to move!

Pictured at right is the old facility which became inadequate with expansion of the music program at Saint Paul's.

# OKTOBERFEST

Oktoberfest 2021 is a family friendly event with the “progressive oom-pah” band [The Bräts](#). The Bräts are a high-energy pop/polka/dance party act, with enthusiastic live performances. Their progressive take on traditional polka is described as nothing short of pure lucid entertainment.

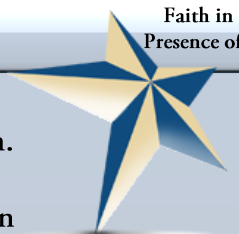

Join Saint Paul's community, friends, and neighbors for Oktoberfest on Saturday, December 4, 2021 and enjoy brats, beers, and lots of polka music on Saint Paul's beautiful campus. [Reserve your table today with a sponsorship!](#)

On October 7th, Saint Paul's celebrated its first all-school mass of the 2021-2022 school year. It was a little different than in the past as it was held in Hunter Stadium. Nine hundred students piled into the bleachers on a beautiful Thursday morning, with Brother Ken Boesch, FSC ready to direct the student body as his choir. Religion classes held a mass practice prior to the event in which the students rehearsed singing the hymns. At the practice, Brother Ken instructed the students to sing with heart and the students followed his instructions in an exemplary manner. An important part of Saint Paul's mass is the student leadership in readings and prayers. Junior Dylan Buckel was a reader at the mass and stated, "This Mass meant a lot. I've seen upperclassmen read at Mass before, and now that I'm an upperclassman, reading at Mass felt amazing."

The Mass was held outside to immerse students of Saint Paul's in the campus's beautiful nature and make the Mass more vivid. It did just that as it was a lovely morning with a slight breeze and a sunrise that had overtaken Hunter Stadium as the Mass started. Campus Minister Jeff Ramon had this to say when asked about Saint Paul's beauty and why it was held outside, "We're blessed to have such a unique campus situated among the oaks and pines of Covington." He then added, "The idea is to have one outdoor mass per year going forward, and we saw that the weather was going to be fantastic that day." Then he gave his experience with the first all-school Mass of the school year. "My feeling of having our first all-school Mass of the year was terrific. Given the schedule impacts of Ida, it was a little later than anticipated." The school community is looking forward to another mass on November 1st for the Solemnity of All Saints!

# Newly Commissioned Ministers of Holy Communion

Twenty-six Saint Paul's seniors were recently commissioned as Extraordinary Ministers of Holy Communion. Serving with a dispensation for pastoral need from Archbishop Gregory Aymond, the Extraordinary Ministers of Holy Communion serve our Saint Paul's community and their individual parish communities. Bestowed with the privilege of distributing the Eucharist to our community, that privilege comes with the obligation to exemplify the Gospel in an extraordinary way and call others to live the Gospel. Pictured at left are: L-R top row: Ryan Blanchard, Isaiah Ayo, Nicholas

Piazza, Zachrey Gros, and Brayden Turni; fourth row L-R: Cameron Smith, Ashton Means, Blake Weimer, Brian Lea, Clayton Cockfield, and Gil Ward; third row L-R: Sergio Romero, Gavin Dominique, Carter Murphy, Andrew Hightower, and Daniel Bitterwolf; second row L-R: Aiden Barrios, Hayden Vogt, Preston Orgeron, Trey Faherty, Beau Barre, Marco Vargas, Joseph Cresson, and Will Allen; first row L-R: Alexander Tepper, and Roch Ragan.

## Alumni Faculty

Saint Paul's School receives accolades from the Board of Elementary and Secondary Education (BESE) for being distinguished as a multiple National Blue Ribbon Awardee, earning the distinction in 2021 and 2015. Saint Paul's President Brother Ray Bulliard, FSC accepts the award on behalf of the Saint Paul's community at a recent BESE meeting. Picture above L-R are: State Superintendent Cade Brumley, Brother Ray, Catholic School Superintendent RaeNell Houston and BESE Non-public Schools member Mr. Thomas Roque.

## National History Day

Saint Paul's social studies and English teacher, Kim Gardner, was recently selected by National History Day (NHD) to participate in the fall professional development program entitled *Inspiring Student Research with the Library of Congress*. The online course focuses on using Library of Congress primary and secondary sources to develop and support student research skills and culminates with creating an individual plan for teachers to use resources from the Library of Congress in their classroom in the upcoming semester.

According to the executive director of NHD, Dr. Cathy Gorn, "The teachers in this course develop crucial skills in locating and analyzing primary documents. They also discuss how to use primary documents in the classroom, learning a variety of pedagogical approaches that will benefit students' learning for many years."

Congratulations, Kim Gardner, on the honor of being selected for this significant professional development program.

# Perfect 36!

Quality  
Education

The ACT is a standardized test for high school achievement and college admissions in the United States. The ACT has four sections: English, Reading, Math and Science, as well as an optional 40-minute writing test. The test is scored from 1 to 36, with 36 being perfect, on each test and a composite ACT score, which

is an average of these four tests. A superscore of 36 is a perfect score of the combination of best scores of all the ACT tests taken.

Saint Paul's School is very proud that five of our students have received perfect 36 scores. William Ditta, Carter Murphy, Preston Orgeron, and Daniel Whalen all received a SUPERScore of 36 on the test and Walker Dubreuil received a 36 COMPOSITE score on his test.

## Habitat for Humanity

Saint Paul's School Habitat Club worked on Saturday, October 16 and help lay sod in the yard of another new home.

Pictured at left L-R are: Preston Orgeron, Walker Dubreuil, William Ditta, Blake Weimer, and Camden Cantrelle.

Saint Paul's School Key Club members joined forces with Keep Covington Beautiful and the Osprey Initiative installing "litter getters" along 28th Street in Covington. The Litter Gitter is a patented, in-stream [litter collection device](#) used to trap floating litter from storm water runoff. The students will continue to monitor the area to maintain the traps and compile data on the items trapped in them recycling as much of the litter as possible.

Pictured above from left are student workers: Jake Satches, Davis Peltier, Jude Barcelona, and Jack Keller.

Retired Saint Paul's environmental teacher, Mark Richards, who volunteers with Keep Covington Beautiful, worked alongside the students during all phases of the clean-up, offering instruction on collecting, analyzing, and recording data. The long term goal is to create an abatement program which will eventually stop the litter at its source. Through this joint effort, the team hopes to impress upon the local community the value of keeping a clean waterway.

Osprey Initiative, a foundation born in 2017 from a deep appreciation for the environment, has Louisiana roots. The Osprey Initiative's programs and the origin of devices, such as the litter getter, started with the simple observation of the environment and a goal to design the easiest and most effective solutions to care for it. Their programs are designed to produce environmental ambassadors, such as the Saint Paul's Key Club members, who will continue the work and mission of the foundation "to be the worldwide leader in providing solutions in reducing humanity's impact on the environment."

Thanks, Saint Paul's environmental ambassadors, for helping to keep Covington beautiful.

# The Saint Paul's Story

To celebrate the anniversary of 100 years of Lasallian Education at Saint Paul's School, a historical account of those years has been written. Volume I was originally written in 1968 to celebrate fifty years and Volume II continues the story to 2018. From Br. Nilammon Laurent, FSC, the first Christian Brother President, to the seventeenth Christian Brother President, Br. Ray Bulliard, FSC, this story chronicles the history of the school. From fifty-seven students to over 850 students, from the first newspaper, the *St. Paul's Paper* to the current student news, *The Paper Wolf*, and from a school with four sports teams, basketball, baseball, football, and track, to a school with over fifteen teams, Saint Paul's remains to be a "good place to grow up"!
