The Marching Wolves have moved into the new band facility!

Alumni Profile

John Curren '92

Family: Married to Becky with son Patrick '25, Brynleigh, almost three years old, and Olivia, one year old.

Education: Rhodes College in 1996 with a BA in Business Administration; University of New Orleans in 1999 with an MBA with a concentration in finance; certified as a CFP® in 2009 and a ChFC® in 2011.

Occupation: John G. Curren, III, CFP®, ChFC®, Vice President, Merrill Lynch Wealth Management, Financial Advisor NMLS ID 732089

What is your favorite memory at Saint Paul's? There are many, including: 1) the pep rallies in the gym with the band blasting its glorious, passion-filled, and heart-pumping music, 2) playing sports (football, basketball, and golf) and representing Saint Paul's not only as a Wolf but also as part of a stronger Wolf pack, 3) the wonderful teachers and coaches who helped mold us into humans that are equipped with all the necessary tools to be a successful and positive contributor and Christian in the world today.

Do you have any other family members currently attending or who have attended Saint Paul's? My brother, Perri '90, and my uncles, Tim Curren '68 and Dennis Curren who attended Saint Paul's. My son, Patrick Curren '25, is currently a freshman, and he plays basketball.

What advice would you give to current student or young alumni? Get involved, stay committed, be passionate, and when you think you're giving your best, dig deeper and give another 20%!

Why do you continue to support the Saint Paul's mission? Did I benefit tremendously from my experience at Saint Paul's? YES! Do I think others will benefit from their experience at Saint Paul's? YES! So, I give to help others have the Saint Paul's experience.

In what ways do you continue to be involved with Saint Paul's at this phase of your life? I have served on the Alumni Association Board, and I stay active with the Alumni Association. As a parent of a Saint Paul's student, I also plan to become involved with the Saint Paul's Dad's Club.

Why would you encourage young men to consider attending Saint Paul's? Attending Saint Paul's equates to joining a Christ-centered family and brotherhood that will remain with you for eternity.

Is there anything you would do differently with your Saint Paul's experience if given the opportunity to go back in time? If possible, I would've started in the 4th grade instead of the 8th grade, so that my time as a Saint Paul's student would've been doubled!

Golden Jubilarians

On Friday, November 5, we were elated to celebrate our 50 Year Jubilarian Classes from 1970 and 1971 in front of the entire student body. Brother Ray gave one of his legendary performances encapsulating the Saint Paul's of their time as well as that of today, and shared a thought or two regarding the significance of brotherhood and unity. A delegate from each class spoke a few words on their experience here, how the group has remained brothers over the years, and expressed sentiment toward our current students and leaders of tomorrow, who enthusiastically cheered every step of the way.

Several other gatherings occurred throughout the weekend. Those in attendance at the Jubilarian Assembly were as follows from the class of 1970: Roger Bourgeois, Randy Brown, Donnie Everts, Henry Fransen, Steve Haller, Eddie Maestri, Greg Nothacker, and Doug Orgeron. From the class of 1971: Steve Acquistapace, Danny Ayers, John Bagley, Mike Beshoner, Guy Bulliard, Russell Butz, Chris Coner, Mike Cooper, Mark Currier, David Duplantier, Jay Fielding, John Galla, Joe Gandolfo, Gene Gouaux, Nelson Guidry, Gary Heap, Victor Kawas, Bobby Lamy, Denney Lanoux, Danny Millet, Steve Monroe, Tom Musser, John Olivier, Gary Poirier, Al Rhodes, Larry Smith, Tim Trapani, and Keith Villere.

Annual Fund Drive

Hopefully you've received the [2020-21 Saint Paul's Annual Advancement Review](#) in the mail. If not, please contact the Development at development@stpauls.com or Alumni Office alumni@stpauls.com to give us your updated contact information.

The Annual Fund Drive runs from August 1, 2021 through July 31, 2022. A gift to the Saint Paul's Annual Fund, regardless of the amount, shows a commitment to the school and is sincerely appreciated. Your support represents your satisfaction with Saint

Paul's and its mission. Saint Paul's School needs financial assistance beyond tuition to continue the school's proven tradition of educational excellence and to sustain the Lasallian mission. The proceeds go into the operating budget and are immediately used in the areas of greatest need (i.e., technology, pre-engineering program, bio-medical sciences program, classroom improvements, building renovations and maintenance, financial assistance, and restricted gifts). School News

From November 10-20, the Marian Players of St. Paul's Theater presented *Peter and the Starcatcher*. This prequel took us back to the beginning, and showed us how the "Boy Who Wouldn't Grow Up" becomes Peter Pan. Audiences also saw how Neverland, the Lost Boys, and Tinkerbell came to be, in this fast-paced and imaginative play.

The play was directed by Gordon Carmadelle, with assistant direction by Barrett Baumgartner, musical direction by Jonathan Sturcken, and choreography by

Emily Carmadelle. The cast featured the following actors from Saint Paul's School and Saint Scholastica Academy: Zachary Van Zandt, Elise Falkenstein, Cavin Taylor, Clayton Cockfield, Brady Myers, Blaine Cooney, Natalie Lovell, Andrew Talamo, James Ellis, Shawn Cooney, Thomas Simoneaux, Daniel Whalen, Harris Strickland, Mia Mannino, Zachrey Gros, Aidan Hayes, Jackson Culp, Nicholas Duplessis, Noah Soule, and Talon Boudreaux. Pictured above are the cast and crew from the play.

The Marian Players next show is *How to Succeed in Business (Without Really Trying)*, opening on March 16th.

As a school centered on the core principle of faith in the presence of God, the Spanish Club, guided by moderator Mrs. Liz Brett, created a memorable eleventh annual Day of the Dead ceremony which was held in Our Lady of Peace Chapel.

Due to COVID-19, last year the Spanish Club held ceremony in the chapel in order to adhere to the restrictions. This setting proved to create a more personal experience for those participating in the ceremony; therefore, for this year, the setting remained unchanged.

El Día de los Muertos, the Day of the Dead, is a Mexican holiday in which families welcome back the souls of their deceased relatives for a brief reunion that includes food, drink, and celebration. Following the traditions of the ceremony, the Spanish Club adorned the altar with brightly colored decorations, candles, and flowers. During the ceremony, students and faculty were invited to place photographs or the names of their deceased loved ones on the altar.

The Day of the Dead holiday is traditionally celebrated on November 2nd. As was last year, Saint Paul's students were able to participate with their Spanish class over the course of a week; this allowed for a more intimate atmosphere for the ceremony.

Honor Roll Breakfasts

Quality
Education

Saint Paul's math teacher, Dr. Shannon d'Hemecourt, celebrates with her son, freshman Eddie and husband Ed.

Saint Paul's School student body recently finished up their first full quarter of the school year. After every quarter Saint Paul's Development Office and administration host a breakfast to recognize the great achievement of the honor roll students. Every student who earns B's and A's on their report card is bestowed the Blue Honor Roll, while every student who earns straight A's on their report card is bestowed the Gold Honor Roll. With such a great gathering of top students, Brother Ray Bulliard makes it his objective for the Honor Roll Breakfast to be a learning experience, nourishment for both the body and brain!

To celebrate the honor roll students, Brother Ray chooses four vocabulary words to teach at the breakfast. The words chosen are always a positive noun, a positive adjective, a negative noun, and a negative adjective. The vocabulary words always give the honor roll breakfasts an element of uniqueness from one another. While one quarter Brother Ray may be encouraging his students to be a *riant mensch*, the next quarter Brother Ray will implore the pupils to not be *splenetic nothingburgers*. Brother Ray rehashed his words from November of 2015 to make up his first-quarter honor roll vocabulary. The negative adjective of this honor roll breakfast is *feckless*. To be feckless is to be ineffective and have no real purpose. The positive adjective of this honor roll breakfast is *intrepid*. To be intrepid is to be fearless, bold, brave, undaunted, and courageous. Every Saint Paul's student should strive to be intrepid through their daily life. The negative noun of this honor roll breakfast is *clodpoll*. To be a clodpoll is to be a stupid person. The positive noun of the honor roll breakfast is *apotheosis*. Saint Paul's students should refrain from being a clodpoll and instead live life as an apotheosis. After the description and teaching of these words, Brother Ray exclaimed to his students his signature honor roll breakfast catchphrase "If you want to offend me call me a feckless clodpoll, instead of using one of those four-letter words you throw around.

Thanksgiving Food Drive

Saint Paul's School had its annual Thanksgiving Food Drive to support the Northshore Food Bank during the week of November 16. Historically, Saint Paul's has always given generously in the food drive, and this year was no different. The food drive, a long standing tradition that exemplifies the Lasallian Core Principle "Concern for the Poor and Social Justice," is an important annual event. Bags and bags of food were collected early Monday morning to Wednesday morning. Foods such as canned goods, peanut butter, and cereal were the main items collected by the students. On Wednesday morning, the students took the bags from their classrooms out to the senior parking lot where empty pickup trucks, courtesy of some students, were waiting. After all of the food was moved into the trucks, it was dropped off at the food bank. Thanks to Saint Paul's school-wide effort, this time of year gets a little easier for many of those in need.

Aqua Wolves

The Saint Paul's Aqua Wolves finished the 2021 season with a strong showing. For the second straight year, the Wolves placed 3rd in the State Meet, held in Shreveport, LA on Saturday, November 21. They placed 2nd in the New Orleans Metro Championship (for the fifth time) and 1st in the Northlake Regional Championship (District) for the sixth straight year.

At the Northlake Regional Championship, The Wolves finished with 402 points to claim the boys title with Fontainebleau and Mandeville following a distant second and third with 295 and 275 points respectively. "Seventeen boys score individually in the meet, which goes a long way to getting a total team victory" said Coach Emmett Smith. "We won two relays, and had two different swimmers win individual events." Senior Cameron Smith won the 200-yard individual medley (2:03.71) and the 100 backstroke (58.18), and he also won first-place in two relays. That performance earned him male Swimmer of the Meet honors.

For the State Championship competition, the highlight of the meet was breaking three Saint Paul's School swimming records. Cameron Smith lowered the 100 freestyle record in placing 4th overall in state. He was also instrumental in leading the way for both the 200 freestyle relay and the 400 freestyle relay. Both relays smashed the previous school records in placing 3rd in the state for both.

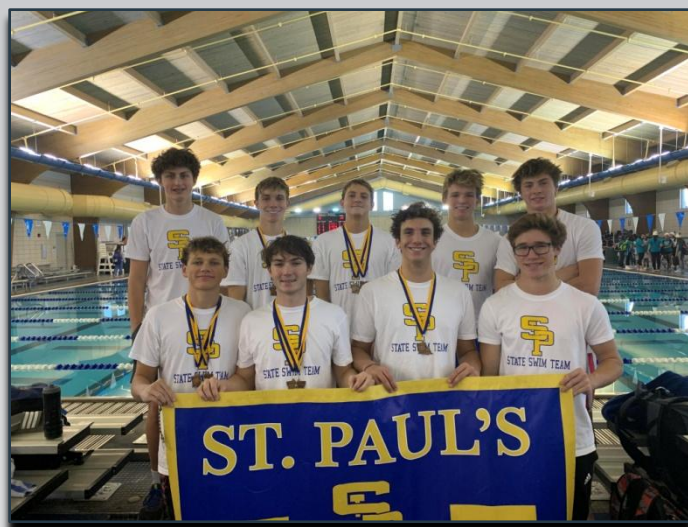

The relay team of Cameron Smith, Jack Rogers, Jack McNamara, and Hyland Authement finished only one tenth of a second out of first place in the 200 relay. In the meet's final event, the 400 freestyle relay team of Cameron Smith, Jack Rogers, Jack McNamara, and Roman Fouchi lowered the school record by 4 seconds!

Mu Alpha Theta & National Honor Society

Congratulations to the newest members of Mu Alpha Theta and the National Honor Society who were inducted in a joint ceremony held on October 1st in the Briggs Assembly Center.

Mu Alpha Theta is an international honors math club. Admission into the Saint Paul's chapter of Mu Alpha Theta requires that students taking regular math may not earn a grade lower than an A, and all students need at least a 3.5 overall grade point average. Members are required to participate in one math tournament each year.

Admission into the National Honor Society requires a cumulative grade point average of 3.8 or higher, as well as the following: leadership, service, and good character as demonstrated by activities and positive disciplinary standing. Each member is required to complete one individual service project per semester.

As a service requirement for both Mu Alpha Theta and the National Honor Society, members offer tutoring in math, science, and English for Saint Paul's students Monday through Thursday in the library.

The newly inducted National Honor Society members include: Jacob Bounds, Blake Davis, Jacob Dickens, Alex Dusang, Colin Garvey, Gage Graham, Eric Hanrahan, Robert Hastings, Benjamin Knobloch, Aidan Lagasse, Walker Lobdell, Daniel Sears, Jackson Truitt, Ethan Viator, and Andrew Zibilich.

Mu Alpha Theta members include seniors Aiden Barrios, Daniel Bitterwolf, Brady Bollinger, Trent Caime, Clayton Cockfield, Blaine Cooney, Briggs Cooper, Joseph Cresson, William Ditta, Walker Dubreuil, Austen Dunavant, Alex Dusang, Andrew Hightower, Brian Lea, Ian Lyons, Carter Murphy, Zachary Nichols, Preston Orgeron, Drew Spell, Alexander Tepper, Marco Vargas, Hayden Vogt, Gil Ward, Daniel Whalen, and Andrew Zibilich. Juniors include Nicholas Achee, Jude Barcelona, Richard Burvant, Daren Delaune, Connor Dodson, Emerson duPassage, Trevor Flood, Samuel Gold, Grisham Hall, Evan Leaber, Brennen LeBlanc, Matthew Longo, Thomas Miles, Justin Mott, James Peters, Sean Roberts, Benjamin Salvant, Kieffer Schwartz, Peter Verges, Elijah Weixel, Ethan Wilson, and sophomore William Coles.

Agricultural Science

The Agricultural Science class, taught by teacher Dr. Shawn Mullet '92, has begun harvesting the fall crops, leafy greens such as kale and mustard greens. The class is focused on sustainable agriculture and the vegetables are grown without any chemicals or synthetic fertilizer. When the crops are harvested, they are donated to the North Shore Food Bank. Members of the class include: Grayson Bulloch, Cohen Cluney, Cooper Coutrado, Nicholas Duplessis, John Frederick Escher, Seth Gardiner, Marc Jones, Henry Nunmaker, Jordan Peco, Kyle Sevin and Andrew Talamo.

Entrepreneur Class

Saint Paul's Entrepreneurship class visited Ballard Brands and listened to Saint Paul's alumnus Scott Ballard '91 share his insights on what it takes to succeed as an entrepreneur. He stated that it's important to maintain a set of core values in business and encourage the employees to adhere to those principles. The students learned a lot from Mr. Ballard's experience.
