

The President's Hebdomadal Blue Ribbon Newsletter Celebrating 110 years of educational excellence in Covington 341 years of Lasallian tradition throughout the world February 21 – March 06, 2022

Welcome to the eighth and penultimate week of the Third Quarter – and the final week before the Mardi Gras / Beginning of Lent Holidays! It is important to note that our week off is really for two reasons: Mardi Gras for two days and the beginning of Lent for three.

The Howlin' Wolf gets festooned with beads!

Several years ago, General Councilor (and former SPS teacher, head soccer coach and athletic director) Brother Tim Coldwell sent me this quotation from Saint La Salle's <u>Conduct of Schools</u> – the faculty handbook for the first Brothers and an incredible guide for us even today: *Holidays may not be given on the Monday and Tuesday immediately preceding the first day of Lent. Furthermore, students will even be required to be more exact in their attendance at school on these days than on any other day in the year.* Tim speculated that things were pretty wild in France in the two days preceding Ash Wednesday, and our Founder wanted the students even more protected from the evil temptations and near occasions of sin of his day.

Well, I hate to ignore our Founder, but I don't think I could get away with having school on the two days prior to Ash Wednesday in our south Louisiana culture! I'd be sitting here by myself! But the temptations that the Founder wanted to protect the students from still abound – and, perhaps, are magnified – in our current Mardi Gras

culture, which is not my favorite holiday of the year.

And while I feel pretty helpless to do much about it, I'll still play Yo Yo Ma's "Ecstasy of Gold" from <u>The</u> <u>Good, the Bad, and the Ugly</u> at Tuesday's assembly. I'll still exhort the students to embrace the good, shun the bad, and eschew the ugly of Mardi Gras. I'll still encourage them to attend Ash Wednesday services. I'll still praise the Marching Wolves and encourage families to enjoy but take precautions. I'll still support families who leave town at Mardi Gras. And I'll still pray for the safety of all of our students. I hope you will join me in all of the above. And then I'll spend Mardi Gras Day with a good detective novel and prepare for the beginning of Lent. I wish you and your sons a safe and blessed 8th week and especially a safe and blessed Mardi Gras.

Mon, Feb 21 (D E F G - 10th grade HR Breakfast)

- **Presidents Day** the most grammatically confusing holiday all year. There are several correct ways to write this holiday, which falls on the third Monday in February. AP style says no apostrophe: Presidents Day. Chicago style writes it as plural possessive, with the apostrophe after the s: Presidents' Day. But the federal government and some states now call it Washington's Birthday.

I call the following to your attention in alphabetical order, not necessarily order of importance.

ADMISSIONS: Last Thursday, we mailed acceptance letters to next year's new students – as did all Catholic high schools in the Archdiocese. Both the quality and quantity for SPS are fine – thanks for spreading the good news at SPS. People will have ten days to accept our offer. We will still entertain a few new applications, so if you know of an interested family, please have them contact us soon. Thank you!

BTW, here is the link to the video that we sent with the acceptance emails: <u>https://youtu.be/ipta2RPOidQ</u> Special thanks to Zach van Zandt and Zach Gros for their work in making the video.

ANNUAL APPEAL: Many thanks to those who have responded. For clarity, I offer the following:

• Almost **all private schools conduct annual funds**; many are high pressured; ours is not – but I need your support to keep it from being high pressured.

- The Annual Fund funds tactical, short-term projects, e.g., technology, special programs, etc. The Capital Campaign funds large infrastructure projects (the \$4 million La Salle Hall renovation, the \$4.5 million new gym, the \$4 million Benilde Hall renovation and now the \$2.5 million band building.)
- You may "pledge" your gift and pay later or in installments (monthly, etc.). More and more families are using automatic credit card monthly payments of \$10 or \$20 dollars. WONDERFUL!
- Gifts of stock are welcome.
- No gift is too small. I repeat: no gift is too small! What's important is that everyone participates. Of course, no gift is too large!
- If you contribute to the Capital Campaign or financially support SPS in another way, I understand! Thank you for your generosity. Can you send \$10 to the Annual Fund so I can show an increase in participation?
- Please consider helping if you have not already done so and are in a position to do so. Many thanks!

ANNUAL APPEAL AND GRANDPARENTS: We are blessed with supportive grandparents. Many schools solicit donations from grandparents directly. Again, I do it differently than other schools that directly solicit grandparents. I ask that you inform your son's grandparents or, if you want, I'll be happy to send them the information directly if you wish. Just provide me with the information. I do not want to ask grandparents without your consent but we need their support. I have already received a number of grandparent gifts. Again, no gift is too small – and, of course, no gift is too large.

ART WORLD: Each week, NOLA.com features a piece of art from New Orleans Museum of Art and provides commentary. Last week, I was surprised to discover that they choose a photograph in the Museum's collection – of the SPS Band Trailer! The commentary is GREAT and worth the read! Here is the link: https://www.nola.com/entertainment_life/arts/article_15a94c4e-87cc-11ec-9bc5-cfd5c792ee9b.html

ATTENDANCE: If your son is absent, phone Suzy in the Attendance Office before 9 am at 892-3200, ext. 1980, & **SEND A NOTE when he returns**

BOOKSTORE: Monday through Friday: mornings 7:30 am-8:15 am; lunch time 11 am-12:30 pm

BOOKSTORE CHARGING POLICY CHANGES: Effective immediately—Students will no longer be able to charge on their bookstore account. Parents may add money on their students account for purchases. As always, students may call a parent while in the bookstore and we can take a credit card number over the phone. If you have an outstanding balance, please take care of it as soon as possible.

COGNIA STEM CERTIFICATION: Following the successful COGNIA accreditation of our academic program in the fall, Joe and Trevor decided to seek COGNIA's unique and separate STEM certification – which evaluates our commitment to and implementation of science, technology, engineering, and math at SPS. Few schools earn this prestigious certification. After rigorous evaluation (and lots of paperwork and ZOOM meetings), COGNIA happily granted full accreditation in the areas of STEM. I am most grateful to Joe and Trevor for pursuing this additional layer of validity to our academic program! To quote the lead COGNIA evaluator, "We found it very difficult to find any area of improvement to recommend to your school." Their suggested "improvement list" included:

1. Continue to do what you are doing.

2. Continue to collect data on the results of your programs so that five years from now you will be ready for your next certification.

3. Consider including girls in some of your extracurricular STEM offerings (I am not yet ready for this!)

4. Celebrate your successes.

And so we will continue to celebrate! Again, SPS takes the lead! Your sons are getting an outstanding education! Spread the word!

COLD WEATHER CLOTHING: Only Saint Paul's outwear is permissible in cool/cold weather. **If your son needs an SPS sweatshirt and money is tight right now, just have him come see me. This will be handled confidentially and appropriately.** ONLY SPS cool weather clothing is allowed.

DANCE FOR 8TH & 9TH GRADES: Student Council will host a dance for our Pre-Freshmen and Freshmen on Saturday, March 12 from 7-9 (lock-in 7:30 - 9:00). The event will be in the Briggs Assembly Center. We will sell tickets for \$10 online as we did for Homecoming starting Monday, March 7. Notification to parents will be sent by email when we return from Mardi Gras. We are advertising to students through social media and will make an announcement next week. The student council reps for 8th & 9th grades have chosen the theme of March Madness. Students are encouraged to wear jerseys with pants or shorts.

FATHER-SON BBQ: This annual event, sponsored by the SPS Dads' Club is fast approaching and it is time to register. Here is the registration sheet:

We are issuing the invitation to you via email as we don't mail things directly to grandparents unless asked.

If your son has a grandparent or grandparents who would like to attend, please invite them to attend. Here's a summary of what will happen:

- Grandparents report to the Briggs Assembly Center on Friday, March 11. **Coffee & a light breakfast will be available starting at 10:45 am.** Students attending GP Day will be dismissed at 11:15. They report to BAC, receive their refreshments, and meet/greet their grandparent(s). The program begins at 11:30. Make sure you inform your son if his grandparent(s) will attend. Students not attending GP Day will be dismissed at 11:35, when they are free to leave.
- In lieu of a professional photographer, photo stations will be available inside Briggs for parent volunteers to take a photo using the grandparent's phone or camera. Also, there are many locations throughout our beautiful campus to have a picture taken.
- A prayer service will begin at 11:30, followed by a President's Assembly. The whole program lasts about 70 minutes.
- **Registration is required by March 4**th **in order to adequately prepare.** Here is the registration link: <u>https://forms.gle/Nc5E3EEHzFG9ChSC8</u>
- Masks are encouraged.
- Students attending Grandparent Day are asked to wear their dress uniforms.

Thank you for helping us make this annual event so successful. Please let me know if you have any questions.

- Box Tops for Education these are redeemable for cash. Have your son bring them to his math teacher.
- And, of course, there's AmazonSmile!

HONOR ROLL BREAKFAST SCHEDULE CHANGE FOR THIRD QUARTER: We had to re-schedule two of the third quarter dates as we inadvertently scheduled two HRBs on Fridays – which are in Lent and, hence, we would not be able to serve the Chick-fil-A chicken breakfast biscuits. See calendar below for dates of the third quarter HRBs.

LASALLIAN VOLUNTEER PROGAM: Over 30 years ago, the Lasallian Region of North America began a program called Lasallian Volunteers, where recent college graduates gave a year or two of service at one of our ministries, especially those serving the poor. The young men and women worked in our ministries, lived in community with the Brothers, and practiced their brand of Lasallian vocation. Last week, after more than 30 years of transforming lives in a spirit of faith, service and community, the Provincials of the three Provinces that comprise the North American Region and who are in charge of the program, announced that the Lasallian Volunteers will bring its noble service to a close at the conclusion of the 2021-2022 service year. Over the past several decades, more than 750 young men and women, recently graduated from university and with degree in hand, decided they had an opportunity to give back, to pay forward, to serve and to fall in love with

the Lasallian charism and educational ministry of the Catholic Church. Their lives in Brothers' communities have been formative. Their faith has deepened. Their capacity to serve has been stretched. We are grateful. We pray the Holy Spirit continues to inspire young people to embrace the Lasallian Mission, as the Brothers grow older and fewer. Thank you, Lasallian Volunteers, for all you did for so many years!

LAST WEEK:

- **Basketball:** Great wins over Ponchy & F'bleau hand the Wolves an undefeated District season and a second consecutive District Championship. On to the playoffs! Gene Bennett is smiling!
- **Bowling:** Wolves beat Holden & Hannan last week and are now 4 4. Geaux Bowling Wolves!
- **Five Guys Night:** There was a communication breakdown on the part of Five Guys with the community night this past Tuesday. The evening manager was not aware of the community night and was insistent our parents made an error. Five Guys plans to do the following: average all of the previous Five Guys nights this year and increase it by a certain percentage and draft an apology paragraph which we will send to all of our parents. This is more than fair. Thanks, Five Guys!
- Life Skills Day: Seniors got practical, real-work advice from professionals on Friday. Thanks, Development Team, for organizing this worthwhile event for the Class of 2022.
- **Honor Roll Breakfasts:** Two down; three to go. Thanks to Development Team, Physical Plant Team, and Joe Dickens for arrangements. All went smoothly.
- Manresa: 14 juniors headed to beautiful Manresa for 24-hour silent retreat, complete with NO phones or other electronic devices. I wonder how they survived? Congrats to the following for answering God's call to silence to listen to Him: Sutter Bourgeois, Jimmy Breaux, Junah Butcher, Bryce DePino, Will Kitchen, Hayden McWilliams, Coleman Miles, Zach Montz, Kye Parkman, Matthew Roberts, Ben Salvant, Zachary Seale, Cavin Taylor and Jack Vincent.
- **Marching Wolves**: the MWs acquitted themselves in exemplary fashion during three parades over the weekend: Cleopatra, Olympia, and Carrollton. And the Band Boosters deserve special kudos for their incredible support system, especially implementing the COVID protocols demanded by the City of NO. Special thanks, too, to our chaplain Father Matthew Clark who celebrated a special Mass on Sun for MWs.
- **Math Wolves**: The FMWs were up and at 'em early on a cold Sat AM, heading to heated competition at the Episcopal High Math Tournament. I don't have results yet but am sure they did well.
- **Powerlifting**: The Iron Wolves took FIRST Place in State Qualifying Meet on Sat! Geaux Iron Wolves!
- Track: Trey Faherty placed sixth in Pole Vault at Division 1 State Meet on Sat. Geaux Trey!

MARCHING WOLVES begin their Mardi Gras season on Friday, when they march in the Krewe of Cleopatra, followed by the Krewes of Olympia (Covington), Carrollton, Hermes, Endymion, Bacchus and Rex. In case you had not heard, the City of New Orleans demands that all marching bands (including chaperones and support staff) be either vaccinated against COVID or have a negative test within 72 hours of parading. This has caused Andrew and the Band Boosters to exert Herculean efforts at compliance – but they have a plan! Thanks to them! Prayers and best wishes to the Marching Wolves as they begin their parade season!

MOTHER – SON DINNER: As we move forward with having many pre-COVID events, the MC is planning the Mother-Son Dinner on April 6: Because we have not had this in the past two years due to COVID, the MC is expecting a larger than usual registration. If we hit 900 people, the event will move from the BAC to the Castine Center in Mandeville. Absolute deadline for registering is Feb 24 – needed to determine venue.

RIP: In case you did not see the following last week:

- Charles William Myers, Jr: Charlie was head football, track, and basketball coach at Saint Paul's College (as we were known back then) from 1949 52. He had an outstanding career following his SPC tenure and is the father of our yearbook company's rep, Bill Myers.
- Dr. Warren Caire, AFSC: Warren was a faithful Lasallian educator for 54 years all at De La Salle in New Orleans, where he taught Latin and Religion. He was a consummate gentleman, faithful Catholic, dedicated teacher, and exemplary Lasallian so much so, that the Brothers made him an Affiliated Member (the highest honor the Brothers bestow on a non-Brother similar to Gina and Trevor.) And Warren was my Latin I, II, and III teacher when I was a student at DLS! Rest in peace, Warren or in honor of your teaching me Latin, requiescat in pace! And thank you!

SENIOR RETREAT: Parents of seniors were emailed last week the details about the fast-approaching senior retreat. If you did not receive the email, please email retreat co-coordinator Mr. Lee Pierre at <u>leep@stpauls.com</u>

SLOW YOUR ROLL. This week is the two -year anniversary of Mayor Mark Johnson's initiative to improve driving habits within Covington – one of his main campaign pledges. DYK:

- Two of the most often repeated complaints by Covingtonians are speeding and the running of stop signs? And SPS students/parents come in for their fair share of blame!
- On any given weekday, over 15,000 people drive into/out of Covington?
- Many of streets were laid out PRIOR to the invention of automobiles, thus not designed for cars?

Mayor Mark's goal is "to change driving habits in our city...to have each of us understand that speeds over 25 MPH are not safe on most of our streets." The Mayor is asking everyone to "relax, take a deep breath and slow down. I applaud the Mayor's initiative and pledged to him our support. Please reinforce this with students whenever possible. And please set a good example yourself

Junior Caleb celebrates Mole Day in chemistry class by reinforcing Mayor Mark's exhortation to the citizens of Covington – especially SPS students!

SOCIAL MEDIA: Parents: please stress with your sons the consequences of inappropriate social media posting. Cyber-bulling is against the law and has legal implications. And the school will take strong measures against any inappropriate posting. Students: THINK before you post!

STUDY HALL AFTER SCHOOL:

Ben's Den (aka the library) opens every afternoon (Monday-Friday) until 4:00. You are encouraged to mention this service to your sons who are on campus after school with nothing to do or who may be waiting for a late ride or a practice to begin. All we ask is that they treat the facility with respect and that they are quiet. The space will be supervised by faculty.
