What do you value the most about your Saint Paul's education and experience? Saint Paul's gave me the tools to be successful in life and a great foundation to seek higher education as well as a connection that I share with my classmates even to this day. When I say I went to Saint Paul's and boarded, people want to know what type of experience that was being away from my family, but really the Saint Paul's family kept us all together.

Who was your favorite or most impactful teacher? There were many Brothers that had an impact on me and my classmates but for me it was former Brother Dale Guillot. He taught us English and Religion while only being 7 years older than us. His level of maturity and his teaching skills were excellent. He not only taught us in the classroom but gave us life lessons that I still use today! Thank you, Dale, for your mentorship!

Why do you continue to support the Saint Paul's mission? I would not have succeeded in life if it were not for Saint Paul's having such an impact on me that led to a successful career, marriage, and family. My staying involved is a little bit of a payback to the Christian Brother community that taught us lessons for a life time. Tana and I try to attend as many functions as possible to support the mission.

What advice would you give to current students or young alumni? Take advantage of what Saint Paul's has to offer. Soak up as much knowledge as you can because the education you receive will be your foundation for life. Enjoy the process. You'll make friends and relationships that will last for a lifetime. The young alumni should not forget what Saint Paul's has done for them and stay involved.

In what ways do you continue to be involved with Saint Paul's at this phase of your life? I had an integral role in the inception of the Alumni Association Board here at Saint Paul's. I served as the first Alumni Board President and recently once again. It has been an honor to serve my alma mater and give back to the brothers who helped me and my family! I am also the Class Agent of '68 helping to keep our class together and have functions for our enjoyment. Whenever I'm out and about and see someone with any Saint Paul's gear, I always ask them if they are receiving the alumni newsletter and try to help keep them connected. Saint Paul's has given me the foundation for life, so it's only right to help where I can. I love Saint Paul's.

Why would you encourage young men to consider attending Saint Paul's? The administration, teachers, and staff are the finest anywhere and care for the students. You'll get a great education and your experience will be second to none.

Family: Married to Tana Feindel Herbert for 47 years. 4 Children: Lyndi (Arie), Lori (Tony), Michael Jr. (Donna), and Lani; 4 Grandchildren: Luca, Mila, Francesca, and Gemma.

Education: BA and MEd in Administration from Southeastern Louisiana University.

Military: Senior Chief Petty Officer Submarines USN, and attended Senior Enlisted Academy.

Occupation: Now retired but was formerly the Deputy Public Works Officer and College and Government Housing Director at several installations and colleges.

Is there anything you would do differently with your Saint Paul's experience if given the opportunity to go back in time? I think I would have studied harder. My time at Saint Paul's was one of the best experiences in my life. Other than studying more, I would not change anything! I met and made friends for a lifetime!

Class of 1977

On Saturday, September 10, the Class of 1977 gathered at Benedict's Plantation for a celebration of their 45th Reunion. Their next one will be the BIG 50, and there is no doubt that they will make an outstanding group of Golden Jubilarians in 2027. Many thanks to all of those in attendance for their Wolf Pride and to Robby Ruel and Michael La France for their efforts on behalf of their class.

Veterans Plaque

In 2012, at the bequest and generosity of the estate of Mr. Harry G. Friedman Class of 1933, a memorial plaque was designed and hung in the Eastern hallway in the lobby of LaSalle Hall. It was dedicated to the Memory of Mr. Harry Friedman and that of his brother, USA Lt. Col. Joseph Bernard Friedman, Saint Paul's College 1935. Additional language on the plaque is as follows: *"Honoring the memory of all the Saint Paul's Alumni who practiced the values learned at Saint Paul's by their patriotic service in the United States Military."*

Over 200 Alumni are presently represented on the plaque which resides in the hallway of La Salle Hall adjacent to our former ROTC classroom. As Veterans Day approaches, we would like to once again petition our Alumni base to identify any additional veterans and give proper recognition to all who have served our country.

If you are a veteran and would like to be recognized on the plaque, please email your response to the following to aln@stpauls.com :

- Your name
- Branch of service in which you served
- The highest rank or rate attained
- Your year of graduation or years spent at Saint Paul's

Further, if you are aware of a classmate or friend who served, please send us any information you have regarding that person including contact information. Any active military, please let us know when your service ends, or upon retirement, in order to ensure that the accurate rank is denoted on the plaque.

Many thanks to the Friedman family and for our Alumni who have so bravely served the greatest country the world has ever known.

NOTE: The plaque is updated annually, and the deadline for this year's submission is Monday, November 14, 2022. The goal is to have the updated names available for display by our return to school the first week in January 2023.

If you are not sure whether your name is on the plaque at this time, or for any additional questions, please do not hesitate to contact Al Nastasi at aln@stpauls.com or 985 892-3200 ext 1971.

Saint Paul's turns 111 years old!

On Wednesday, September 14, Saint Paul's School turned 111 years old. In 1911, Saint Paul's College, previously Dixon Academy, was opened by the Benedictine priests of Saint Joseph Abbey. On that day, forty-eight students, five Benedictine priests (Fathers Augustine, Adelbert, Aemillion, Martin, and Placid) and four lay teachers (Messrs. Edgar Barre, Oliver Lyons, Bernard Mutter, and Leopoldo Teller) walked through the arch for the first time. By year's end, seventy boarders and thirty day students had enrolled. Today, with over

The administration, faculty, staff and student body celebrated Saint Paul's birthday with several activities on Wednesday, September 14th. The day's schedule was altered to incorporate an assembly, a parade, and birthday snacks.

The student body gathered in the New Gym of the Gene Bennett Sports Complex and Brother Ray took a moment to remind us of all the amazing things that have happened in the history of Saint Paul's. Today we are here, we are stronger for those times, and we are grateful for the Brothers and Partners, who provided leadership and prayer to help the school continue. To celebrate all those moments of our history, the group led by the Marching Wolves, exited De La Salle Drive onto 14th Ave, turned onto Jahncke Ave, and marched through the arch and past the ancient oak who has been witness to all the historic moments of the school.

The students then headed to the Wolfdome to enjoy a dessert feast provided by the Mothers' Club. Wednesday's festivities was a great way to start the 112th year of Christian Brothers Lasallian Education in Covington. Interested in leaving a birthday gift? [#BackThePack](#)

Brother Ray's Annual Fund Appreciation Dinner

Saint Paul's School celebrated the generosity of the major donors to the 2022 Annual Fund with a gourmet meal on Tuesday, September 13th in the Briggs Assembly Center. Donors gathered for wine and hors d'oeuvres before taking their places at tables which were decorated with floral centerpieces filled with candles. Student Ambassadors served the gourmet meal provided by The Dakota Restaurant including a Caesar salad and a grilled redfish almandine bronzed with a brown butter vinaigrette and served over a bed of fresh green beans with toasted almonds. Custard-style bread pudding with Myer's dark rum-Grand Marnier finished the exquisite meal. Members of the development and administrative teams welcomed the guests and served red and white wine. Brother Raymond Bulliard, FSC, President of Saint Paul's thanked the donors for their contributions while members of the Student Ambassadors organization supported Brother's comments on the Lasallian Core Principles with personal experiences from their time at school. Saint Paul's pre-freshmen students had the opportunity to refine their dining skills with a course sponsored by the Saint Paul's Development Office. The students were divided into groups and the training took place during lunch over a period of three days. The lunches were held in the Briggs Assembly Center on September 7, 8, and 22 and were catered by Bosco's Italian Café in Mandeville. Tony Bosco's staff presented a program on dining etiquette which included tips on: setting the table, using the correct utensils, taking and passing food, appropriate dinner conversation, and ordering, treating and tipping wait staff. Parent volunteers assisted with serving the pre-freshmen their meals. The students enjoyed the lessons and improved their manners, but the best part of the class was the delicious lunch of corn chowder, Caesar salad, chicken and pasta Alfredo, and bread pudding. The students returned to class for the rest of the afternoon, well-mannered and well-fed.

Pre-freshmen students anticipate their four course meal.
