Summer Reading Assignment

Read the introduction and the first chapter (“Massacre at Mystic”) of *10 Days That Unexpectedly Changed History* by Steven M. Gillon. No need to write anything but there will be a quiz on this material on the first day of school. I recommend reading with a pencil in hand and marking info you deem important and/or interesting. We will be reading this book throughout the school year not only to enhance our study of history but also to prepare for the ACT reading test.

Barnes and Noble in Mandeville will have a limited number of copies of the book in stock. Second and Charles also has it on occasion.
