

The SPS President's Newsletter
Celebrating 112 years of educational excellence in Covington
343 years of Lasallian tradition throughout the world
August 28 – September 3, 2023

Dear Parents,

Service is an integral part of the Saint Paul's experience. We strongly believe that asking our students to be of service to others is a necessary and valuable component of their education. Any number of sources extol the value of service to others. I found a working list from University College of London that I think provides a good summary:

Volunteering your time, money, or energy to help others doesn't just make the world better—it also makes you better. Studies indicate that the very act of giving back to the community boosts your happiness, health, and sense of well-being.

Here are 10 benefits of lending a hand to those in need.

1. Helping others feels good

There is some evidence to suggest that when you help others, it can promote physiological changes in the brain linked with happiness. This heightened sense of well-being might be the byproduct of being more physically active as a result of volunteering, or because it makes us more socially active.

2. It creates a sense of belonging

Helping others can help us to make new friends and connect with our community. Face-to-face activities such as volunteering at a food bank can also help reduce loneliness and isolation.

3. It gives you a sense of purpose

Studies show that volunteering enhances an individual's overall sense of purpose and identity. This is because helping others can make you feel rewarded, fulfilled and empowered.

4. Giving helps keep things in perspective

Helping others, especially those who are less fortunate than yourself, can help to put things into perspective and make you feel more positive about your own circumstances.

5. It's contagious

One study found that people are more likely to perform feats of generosity after observing another do the same. This effect can ripple throughout the community, inspiring dozens of individuals to make a difference.

6. Helping others can help you live longer

Regular volunteering can improve your ability to manage stress and stave off disease as well as increasing your sense of life satisfaction. This might be because volunteering alleviates loneliness and enhances our social lives.

7. It will give you a sense of renewal

Helping others can teach you to help yourself. If you've been through a tough experience or just have a case of the blues, the "activism cure" is a great way get back to feeling like yourself.

8. You'll boost your self-esteem

People who volunteer have been found to have higher self-esteem and overall wellbeing. The benefits of volunteering also depend on your consistency. So, the more regularly you volunteer, the more confidence you'll gain.

9. You'll create stronger friendships

When you help others, you give off positive vibes, which can rub off on peers and improve your friendships. Being a force for good in a friend's life can help build a lasting bond.

10. You become a glass half-full type person

Having a positive impact on someone else could help you change your own outlook and attitude. Experts say that performing acts of kindness boosts your mood and ultimately makes you more optimistic and positive.

While most of the list above may seem quite self-serving, there is no denying the benefits to serving others to "the other" as well, something our Christian faith, and Lasallian core principles call us to. So, service to others is a win-win, both for the giver and the receiver.

Furthermore, notice the positives listed: increased friendships, self-esteem, a sense of belonging, perspective and purpose. These are among the most urgent concerns among teens in these post-Covid, social media focused times. We ask you to join us in encouraging your sons to become active in service to others. Thanks.

And in case you were wondering about the service requirement of Saint Paul's, I've reprinted this from the Student/Parent Handbook:

SERVICE REQUIREMENT: Between the start of each student's sophomore year and January 1st of his senior year, each Saint Paul's student is required to complete 50 non-compensated service hours. Of those 50 service hours, 30 of those hours must be in either direct service of the poor/marginalized or through organizations which benefit the poor/marginalized. The remaining 20 of those hours can be completed through campus organizations that benefit the Saint Paul's community or events that benefit the St. Tammany Parish community. Visit our website, www.stpauls.com, for more information and choose Campus Ministry then Service. Address any questions to our Campus Minister, Jeff Ramon, at j.ramon@stpauls.com

OPENING OF SCHOOL INFORMATION (Still):

MINI-SCHEDULE NIGHT: We will hold our annual mini-schedule for parents on Monday, August 28, beginning at 6:30. We ask that you arrive a few minutes early and start in your son's 1st Period class (A). During the event you will migrate from class to class by period, spending 10 minutes in each. There your son's teachers will introduce themselves and talk about their class and expectations. This time is not intended for you to talk about your son with the teacher. There is not enough time for that. Rather, it is an opportunity for you to meet the teachers and get a sense of what your son experiences on a daily basis.

Please copy your son's schedule so that you are ready to move around without needing directions. (You will receive an email from us with a copy of your son's schedule tomorrow as a reminder.) I also encourage you to talk to your son about our building numbering system. Briefly, the three main classroom buildings are La Salle Hall, Benilde Hall, and the Main School Building. La Salle Hall room numbers begin with the letter "L", Benilde Hall room numbers begin with the letter "B". The Main School Building room numbers do not have a letter

preceding the number. For all buildings the first-floor classrooms begin with 1, the second-floor rooms with 2, and the third-floor rooms with 3. So, for example, L201 is located on the second floor or La Salle Hall. Other buildings include the Gymnasias (A&B) and the Theater, designated with the letter "T". Of course, we will have many student hosts and teachers out and about to help guide you. Mini schedule night tip: Wear comfortable shoes! Last, elevators are available in all multi-story buildings for anyone who needs one or simply wants an easier path to the next class.

Mini Schedule Night Times:

6:30 – 6:50 Period A + announcements

6:55 – 7:05 Period B

7:10 – 7:20 Period C

7:25 – 7:35 Period D

7:40 – 7:50 Period E

7:55 – 8:05 Period F

8:10 – 8:20 Period G

EMERGENCY CLOSINGS: With the approach of the peak of hurricane season, please be aware of our emergency closing policies. Ordinarily, our procedure is to follow the civil parish. Thus, Saint Paul's School would follow the same decision of closure as the public-school system of St. Tammany Parish. The announcement concerning emergency closures would be broadcast on local television stations in the metropolitan area of NO when possible. School messaging will be activated with updated information and situations unique to SPS. For multi-day closings, Saint Paul's reserves the right to re-open when our situation warrants. In the meantime, we pray: Our Lady of Prompt Succor! Hasten to help us!

ACADEMIC SUCCESS: Help your son develop proper attitudes and habits for success. Show confidence in his ability; work with him to set realistic academic goals. Help him develop an orderly study environment. Teens enjoy chaos, so the trick is to help your son create enough order in his chaos for proper study to occur. Designate a place and time to study. **Require 1-2 hours of study per night. Do not accept the "I have no homework" excuse.** He always has homework -- review, study, and advanced preparation. At the end of his study session, have him organize books, assignments, PE clothes, etc. for the next day. **Mini Schedule Night is a good time to ask about teacher expectations for homework.**

ATTENDANCE: Please follow SPS attendance regulations in the Student-Parent Handbook and make Mrs. Kelsey's job as easy as possible. Thank you for your cooperation. The State of Louisiana limits the number of days a student may miss and still receive credit. Saint Paul's

adheres to these regulations. **Do not allow your sons to miss school for less than very serious reasons.**

SENIOR RINGS: Jostens will have a representative on campus this Wednesday 8/30 during lunch in the La Salle Lobby to take any rings that need resizing etc.

2023-2024 YEARBOOKS: Start the year off right by purchasing the 2023/2024 yearbook now! If you enter the promo code EarlyBird you will receive \$10 dollars off your total order. This discount is a limited-time offer so go use it while there is still time. You can purchase a yearbook by going to Yearbooksforever.com . We did have some issues with the site. Thanks to those parents who made us aware of the mistake. You should have no trouble now.

Senior parents, the price of the yearbook for seniors is included in the senior fee. If, however, you wish to purchase a senior ad in this year's yearbook, now is a great time to get a head start on the process. If you also use the promo code EarlyBird, you will receive a \$10 off coupon for senior ads. This promo code will also expire soon so use it while you can.

DROP OFF AND PICK UP: Please DO NOT drop off or pick up students on the shoulders of roads or on the roads around campus. Officer Toups has mentioned that he still sees a couple of impatient violators in this regard. This is a hazard to pedestrians and other drivers.

DRIVER'S LICENSE PROOF OF ATTENDANCE: Your son needs proof of attendance in order to get a learner's permit and another one when he gets his permanent license. The forms are in the counseling department or the administration building. I feel terrible when a parent waits two hours at the DMV only to be turned away b/c the son doesn't have his proof of attendance. This is a legislative act; don't blame me!

HELPING SAINT PAUL'S:

OFFICE DEPOT: If you shop at Office Depot, please give the SPS school code (70041640) and SPS receives 5% of your purchase!

BOX TOPS FOR EDUCATION: Box Tops for Education continues to be an easy way to earn money for Saint Paul's. The traditional clip box tops have been replaced with an easy to use app. All you have to do is buy Box Tops participating products (like Cheerios!) and scan your grocery receipt. Box Tops are worth \$.10 each and twice a year, our school receives a check.

Download the Box Tops for Education app

here: https://btfe.smart.link/c2jjdifkw?referral_code=R26O6QQ0

Use this referral code R26O6QQ0 when you sign up and you'll get 25 Bonus Box Tops when you scan your first receipt now through 05/31/2024, while supplies last! Traditional paper box tops that have not expired can still be turned in to your son's math teacher. If you have any questions email Shannon d'Hemecourt at s.dhemecourt@stpauls.com

LOST AND FOUND: The Lost and Found Closet is located under the outside stairs behind the large wall at Founder's Circle. Tell your son to look there for any misplaced items. Lunch boxes, sweatshirts, PE uniforms, book bags, and sports equipment are some of the most frequent items "lost". Misplaced phones, keys, ID cards, and electronics are handled by Mrs. Claire's office.

Saint Paul's Dads' Club

DADS' CLUB: Over the years the SPS Dads' Club has been a very active organization that has served the school in innumerable ways. However, the club has never had a formal organizational structure. We have big plans for the revamped Dads' Club this year. If you are interested in joining the Dads' Club or have ideas of what the club could do, please fill out the short survey by using the QR code on the left.

BARGAIN UNIFORMS: We have a number of clean, pre-owned SPS uniform shirts and shorts in good condition. If the family budget is tight, feel free to ask for some of these clothes. Nothing is done to embarrass a student and no one will know. Thanks to those families who supply us with their outgrown uniforms. If you have a returning student who has outgrown his SPS apparel, we gladly accept gently used items. Just drop the items off at the Administration Building.

ID CARDS: Students must wear their ID cards on a lanyard every day. No one has to pay for an ID card unless you want an extra one. Students may order additional school IDs anytime from Sgt. Pressley. You will have to pay for a replacement if he loses the one we give him, or if for some reason you want an extra one.

SUICIDE & CRISIS LIFELINE: 988: On July 16, 2022, Louisiana joined the rest of the nation in launching 988, the new three-digit dialing code for the National Suicide Prevention Lifeline to make it easier for people to receive assistance during a mental health crisis. When you call (multiple languages), text (English only) or chat 988, you will be connected to trained, compassionate crisis counselors who will listen to your concerns, provide support, and connect you with local resources. The chat feature is available through the Lifeline's [website \(www.suicidepreventionlifeline.org/chat/\)](https://www.suicidepreventionlifeline.org/chat/). People can use 988 if they are having thoughts of suicide, mental health or substance use crises, or any other kind of emotional distress. People can also dial 988 if they are worried about a loved one who may need crisis support.

The image shows a screenshot of a social media post from WDSU News. The post includes the WDSU News logo, the text "WDSU News" with a verified checkmark, and a timestamp of "12h". The main text of the post reads: "STARTING TODAY: It now only takes three digits to reach the National Suicide Prevention Lifeline. People who need to talk to trained professionals can dial or text 988." Below the text is a link: "bit.ly/3odaQUI". At the bottom of the screenshot is a yellow-to-orange gradient banner with the text: "988 The mental health version of 911 is set to launch nationwide July 16."

Please discuss this new service with your sons!

SAFE ENVIRONMENT: All individuals planning to volunteer with St. Paul's must complete safe environment training as mandated by the Archdiocese of New Orleans. Contact Claire Courtrado, at clairec@stpauls.com for details.

FREE PHYSICALS: No student may participate in our athletic program or our band program without the necessary paperwork having been completed, including an LHSAA official physical

form. LCMC Children's Hospital will be providing free athletic/band physicals in the new gym after school on September 14th. If your son intends to participate in sports or band this year, this is a quick, easy, (and free!) way to get his physical done. Contact Claire Courtrado, at clairec@stpauls.com for details.

HOMECOMING DANCES:

Saint Paul's School will host Homecoming dances for SPS students and their guests. A Saint Paul's student may bring one young lady as his date. All young ladies must be escorted by a Saint Paul's student.

The **8th and 9th grade dance** will take place Saturday, **September 23**, from 7-9 PM. The **10th, 11th, and 12th grade dance** will take place Saturday, **September 30**, from 8-10 PM. Please note the dress code for young men and young women:

THE LAST WORD:

Last night I joined a group of friends helping at the Ultimate Tailgate Party in Downtown Covington to support Hope House. I noticed a number of our current and former students, parents, and teachers volunteering as well. As I reflect on the opening words of this newsletter I can confirm that those words are very much how I feel this morning. (I'm not sure about the "helping you to live longer" part. I'm still very tired.)

The spirit of volunteerism is alive and well in our community. Please encourage your sons to join in, for his own good and the good of our school and larger communities.

Live Jesus in our Hearts...Forever!
