## *Principal's Office*

Dear Saint Paul's School Community,

As you now know, I will be assuming the responsibilities of president of Saint Paul's School on June 1, 2024. I am truly humbled by this opportunity and accept the responsibility to continue Brother Ray's work with excitement, gravity, and indefatigability. I am also extraordinarily grateful to Trevor Watkins whom I have worked closely with over the past 12 years. Trevor delayed a well-deserved, albeit brief, retirement to serve as interim president and to help ensure a smooth transition and has dedicated the last 41 years of his professional life to our institution.

As president, my first decision will be to appoint the current assistant principal, Mr. Lee Pierre, as the next principal of Saint Paul's. Lee is unquestionably qualified to assume his new role and has worked closely with our administrative team for the last 5 years. Lee began his career at Saint Paul's in 1999 and has served in various capacities over the years. Our programs will be in his excellent hands, and his Lasallian formation as a graduate of both the Lasallian Leadership Institute and Discerning Leaders has solidified his commitment to the Lasallian Mission.

Finally, I will also appoint Mr. Matthew Pinero as the new assistant principal to aid Lee in his duties. Again, Matt is extremely well-qualified to assume these new duties, having worked closely with me and Lee for the past several years. He, too, is dedicated to Lasallian Catholic education at Saint Paul's.

Thank you for your support of Saint Paul's School. I ask you to keep all of us in your prayers, but I assure you that this time of transition will go smoothly and will only advance the Lasallian Catholic educational Mission at Saint Paul's School. In a word, Saint Paul's will continue to feel and look like Saint Paul's.

Saint John Baptist de La Salle! Pray for us! Live, Jesus, in our hearts! Forever!

Joe Dickens

Principal
