- ___ AP US History
- ___ AP Civics

Spanish Courses

- ___ Spanish I
- ___ Spanish II

Fine Arts Course

- ___ 1 unit required

Financial Literary Course

- ___ Financial Literacy or AP Financial Literacy Course

Elective Courses

- ___ Students must earn a final grade of A in all elective courses. Students will not be penalized in the Valedictorian or Salutatorian selection process for electing to take standard or honors electives in place of available AP electives.

The school reserves the right to designate a student as eligible for Valedictorian or Salutatorian consideration when, in the judgment of the administration, a student has completed the most rigorous academic program reasonably available to him during his enrollment at Saint Paul's, but differences in curriculum availability, course sequencing, scheduling constraints, or other circumstances beyond the student's control would otherwise place him at a disadvantage in the calculation of grade point average.

Valedictorian(s) and Salutatorian(s) must have been in attendance at Saint Paul's for at least the ninth, tenth, eleventh, and twelfth grades.
